

Brothers and Sisters in Me, your Heavenly Brother, can Get to Know Me more Intimately.

This Heavenly Love that is Present in the Eucharistic Host of Love, is what I bring with Me in My very Presence in the Eucharistic Host, which in turn I bestow upon you and All those who Choose to Receive Me, during The Celebration of Holy Mass.

Therefore, My Dear Faithful Brother, anyone that Receives Me in the form of the Eucharistic Host but with True Faith in Me as the Risen Lord, will in turn Receive My Love, through the Eucharistic Host of Love, that you can now See, into their Hearts and Souls as much needed Heavenly Nourishment for their Souls.

It is purely out of Love that I wish to make Myself available to All of My Beloved Mother's Children on earth, and this in order, again out of Love, that I can help to Guide each and every Child along the most Difficult and Arduous Path towards Eternal Salvation, that each and every Child needs to Traverse during this Journey in Life.

Please let as many of My Beloved Mother's Children on earth as possible, know of this Heavenly Love and of its Availability from within the Eucharistic Host of Love, and the Reason for its Availability, and whenever possible, My Dear Faithful Brother, please Share with others what you have been called to Witness and Feel today, as a True Testimony to the very Existence of this Most Precious Gift of Heavenly Love.

It is through this Awareness of My Heavenly Love, combined with Faith in My very Presence as the Risen Lord in the Eucharistic Host, that you My Dear Faithful Brother are right now, together My Beloved Mother, Witnessing, Feeling and Experiencing, that of My Drawing of All Mankind to Me, exactly as I had mentioned to Mankind some 2000 Years ago, when I said If I be Lifted up, I will Draw All Mankind to Me, which of course through My Passion I have indeed carried out.

Please let My Sacrifice, made out of Love for All Mankind through My Passion, be the Banquet of Love as well as Heavenly Nourishment for the Souls of All Mankind for their own Personal Resurrection and Eternal Salvation, and this through both the Availability and the Receiving of the Eucharistic Host of Love.

My Dear Faithful Brother, let this very Heavenly Love that you are right now Receiving, help to Strengthen your Faith and enable it to Grow in Stature from its present Littleness, as indeed it will for everyone that receives it through the Eucharistic Host of Love.”

Extracts From Message of Eucharistic Host of Hope

Received on 5th October 2004

Our Blessed Lord speaks:

“You have been Called today to Witness through the Blessed Eucharist another very important Power and Mystery that exists within My Heart and is Present within the Blessed Sacrament, this being The Eucharistic Host of Hope.

Just as with The Eucharistic Host of Love where My Heavenly Love is Present through My very Presence in the Eucharistic Host, so it is that My Heavenly Hope is also Present alongside My Heavenly Love in the Eucharistic Host.

Again just as with My Heavenly Love which I bestow upon those who receive Me with Faith in My very Presence in the Eucharistic Host as the Risen Lord, so it is that I bestow upon those who receive Me in this same Faith, My Heavenly Hope for their own Resurrection and Eternal Salvation at the end of their Journey through this Life.

The Preparation so Sorely needed to attain Eternal Salvation cannot be made without My Heavenly Hope being Present, which in turn cannot be achieved without Faith in the Hearts and Souls of those receiving the Blessed Sacrament, and without the Heavenly Nourishment so much needed for those very Souls.

It is when this Faith in My very Presence as the Risen Lord within the Eucharistic Host has reached its ultimate Strength that this Heavenly Hope then becomes the Heavenly Promise of Eternal Salvation.

My Dear Faithful Brother, it is from My very Resurrection from whence Heavenly Hope was born, and this in order that I could Offer this Heavenly Hope to All of Mankind.

Once again it was purely out of Love for Mankind that I Offered up My Life in Sacrifice on the Cross, which then enabled Me to Rise again conquering both Death and Sin by so doing, thereby Giving All of Mankind their own Heavenly Hope for their own Resurrection and Eternal Salvation.

It was through this Paschal Sacrifice of My own Body and Blood on the Cross, and subsequent Resurrection, that I was able to make available this Paschal Meal, in the form of the Blessed Eucharist, through which I am able to Give Myself to you, as a form of Heavenly Food or Heavenly Nourishment, and through My very Presence in the Eucharistic Host able to offer you My Heavenly Hope and the Heavenly Graces that come with it, in the Eucharistic Host of Hope.

This Heavenly Hope, is so important for you to possess in your Heart and Soul, My Dear Faithful Brother, as without it your Soul will very soon be emptied of Grace, and yet with it in abundance in your Soul combined with other elements Such as Heavenly Love which is so readily available to you through the Eucharistic Host of Love, serves to Strengthen your Soul and your Resolve to reach your Eternal Salvation.

My Dear Faithful Brother, I your Heavenly Brother so much want for All My Beloved Mother's Children on earth to Get to Know Me, but more and more Intimately, as in this way, I am better able to Help them to reach

their Eternal Salvation, and through Receiving My Heavenly Hope through the Frequent Receiving of the Blessed Eucharist, and thereby the Eucharistic Host of Hope, they will eventually gain that all necessary Intimacy.

The Power of the Blessed Eucharist is multi Faceted and once an understanding of the many Facets has been reached by you, My Dear Faithful Brother, and by your Fellow Brothers and Sisters in Faith in Me, this newfound understanding combined with your Faith in My very Presence as the Risen Lord in the Eucharistic Host, will enable you to Strengthen the Power of the Graces that you receive from the Blessed Eucharistic. Your Soul, My Dear Faithful Brother, as indeed the Souls of All My Beloved Mother's Children on earth, each and every one, is Sorely in need of Strengthening, more so today than ever before in the Short History of Mankind.

Therefore, My Dear Faithful Brother, I implore you to Receive Me in the Blessed Eucharistic, in Faith in My Presence in the Eucharistic Host, as often as you can, so that you can help Strengthen your Soul with My Heavenly Hope for your own Personal Resurrection and your own Eternal Salvation through the Eucharistic Host of Hope.

This Plea, however I reach out to All of Mankind, again out of Love for each and every one, but it is so important for each and every one to Receive the Blessed Eucharistic with Complete Faith in My very Presence as the Risen Lord in the Eucharistic Host, for without this Faith, I will not be able to fill those Souls with Heavenly Hope, Heavenly Love or the Heavenly Graces that flow from them.

My Dear Faithful Brother, My Love for All of Mankind is so deep that just like My Heavenly Mother, I too wish for All of Mankind to reach their own Eternal Salvation, but this simply cannot be achieved without Divine Help.

I ask you, My Dear Faithful Brother, to inform as many of your Fellow Brothers and Sisters in Faith in Me, of what you have Heard, been Witness to and Experienced today, and once again wherever possible Share in your Experiences with others, so that they too can Strengthen their own Faith in Me their Heavenly Brother, but particularly their Faith in My very Presence in the Eucharistic Host."

Our Blessed Lord speaks:

"You have been Called today to Witness through the Blessed Eucharist yet another very important and indeed Significant Mystery Present within

However what Saddens My Beloved Son, Jesus, your Heavenly Brother and Me, your Heavenly Mother, so very much, is How so many of My Children of the 21st Century throughout the world, including many of My Beloved Priests, have and still are, making the Choice of the Easy Road over the Difficult Path, and in so doing are placing their Souls in Mortal Danger of finding their way in total Blindness into the Fiery Abyss of Eternal Damnation.

My Dear Faithful Child please continue to Pray and offer up as many Rosaries as you can to help prevent My Adversary from Succeeding with His Diabolical Plans, and please encourage as many of your Faithful Brothers and Sisters in Christ, to follow your Example, as this will in turn serve to increase the Power of your Collective Prayers, so much needed for the Salvation of so many of My Children throughout the World." With the Conclusion of this Message Our Blessed Mother left me with Her now Customary Blessings, to continue on with my Exercises and once again with much to Contemplate and Meditate upon.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Extracts From Message of Eucharistic Host of Love

Received on 1st October 2004

Our Blessed Lord speaks:

"Today, My Dear Faithful Brother, you have been Called to be Witness to the Most Divine and Heavenly Love which is Present in the Eucharistic Host of Love.

It is for this purpose that My Beloved Mother had Requested of you to Visit Me today, in order that you could Testify to My Beloved Mother's Children on earth, that within My Presence within the Eucharist, there is Present the existence of My Heavenly Love.

It is a Love that is Ever available within the very Presence of My Eucharistic Host, each and every day that any of My Beloved Mother's Children on earth Choose to Receive it.

I first Gave it to and made it Available to Mankind, on the eve of My Passion, and Consecrated it through My Passion, out of Love for All of Mankind, Past, Present and Future, not only for the Redemption of Sin, the Sins of All Mankind, but also so that each and everyone of your Fellow

ing Helped by others, to Walk along the Difficult Path, turning their backs on Satan and returning to My Loving Arms and My Beloved Son's Loving Embrace, in a Demonstration of Heavenly Conversion from the Easy Road to Eternal Damnation to the Difficult Path of Eternal Salvation.

You were then Witness to the Joy being expressed in the Souls of this Small number of people, as they Offered Up their Love and Faith in My Beloved Son, their Lord and Saviour, Jesus, through the Singing of Beautiful Hymns of Praise to My Beloved Son, Jesus, and this through their Hearts and Singing Voices.

But also, My Dear Faithful Child you were Witness to some of My Truly Faithful Beloved Priests and Religious, who themselves were Representing the Good Shepherd, the True Example of My Beloved Son, Jesus, that He so much wants All of My Beloved Priests to follow, where these Good Shepherd were, as you Saw, carrying above their heads the Holy Bible containing the very Words of God that My Beloved Son, Jesus Gave to Mankind some 2000 Years ago.

These Good Shepherds, My Dear Faithful Child, Represent those Beloved Priests of Mine, who are Leading their Flock, Represented in turn, by those people who were Traversing the Difficult Path with them, with the Words of God in the Holy Scriptures, but As Given to Mankind by My Beloved Son, Jesus some 2000 years ago, Heavenly Words from The Heavenly Father.

This, My Dear Faithful Child, was made evident by the Golden Crown that was positioned at the Head of the Cross on the Covers of the Holy Bibles that these Good Shepherds were in turn Carrying above their Heads as they Led their Faithful Flock along this Difficult Path, the Path to Eternal Salvation.

It is this Golden Crown that in turn Represents the True Words of God that had been passed onto the Faithful Flock by these Good Shepherds, but As it was given by My Beloved Son, Jesus some 2000 years ago, that then enabled the Faithful Flock to Strengthen their Faith, which in turn together with The Light of Christ, was able to help the Faithful Flock to Successfully Traverse this Difficult Path, in the first place.

Then Finally, My Dear Faithful Child, you were Witness to the Unity as One Family of this Small Group of People, as they eventually Reached the End of this Difficult Path, to be in the Presence of My Beloved Son, Jesus.

Then in Recognition of their Sins and with True Contrition for their Sins, not only did they Receive the Heavenly Forgiveness from My Beloved Son, as promised by Him to those with True Contrition in their Hearts for their Sins, but were also Rewarded with the Promise of Eternal Salvation for their Determined Effort through their Faith and Perseverance for the Successful Completion of their Journey along this most Difficult Path, the Path to Eternal Salvation.

the Blessed Sacrament through My very Presence as the Risen Lord in the Blessed Sacrament, this being the Eucharistic Host of Faith.

This Faith, indeed Heavenly Faith that is Present in the Eucharistic Host of Faith, is like a Central Pillar that effectively holds up the Structure of the Soul.

But because the Soul, that is your Soul, My Dear Faithful Brother, and the Souls of All My Beloved Mother's Children on earth, is a Living Entity, indeed a Heavenly Sent Supernatural Living Entity, this Central Pillar is also Alive, and therefore needs its own Nourishment, Heavenly Nourishment for it to Gain and then Maintain the necessary Strength to Support the Structure of the Soul.

This Faith can be likened to the Trunk of a Tree, where not only does the Trunk support the Structure of the Plant, but also from which Grow its Branches, where within the Soul they are like the Branches of Love growing from the Trunk of Faith, and from these Branches of the Tree will Grow Leaves and Buds, where within the Soul these are like Leaves and Buds of Hope.

My Dear Faithful Brother, your Soul needs much Nourishment for it to simply Survive, and even Greater Nourishment for it to Grow and Thrive, in exactly the same way that a Plant needs for it to Survive, Grow and eventually Thrive.

However, with your Soul, My Dear Faithful Brother, just as with a Plant, it is not just the quantity of Food or Nourishment that you need to pay attention to, but also the quality and the contents and ingredients.

In the first instance, for your Soul to even begin Receiving Nourishment, that is the Graces Present in the Blessed Eucharist, you need to both have Faith in My Presence as the Risen Lord within the Eucharist Host and also Receive the Eucharist Host in this Faith.

It is in this way that this Initial Faith both forms the Seed of the Tree that will eventually Grow into the Central Pillar that in turn will Support the Structure of your Soul, and also forms the initial Soil Base to receive further Future Nourishment.

Therefore, just as with a Plant, it is so important to you, My Dear Faithful Brother, for this Soil Base or Foundation within your Soul, to be sufficiently sound for it to be able to both Receive and Nurture Good and Solid Nourishment, otherwise it will Weaken the Structure of your Soul so much, that it could even eventually lead it to the very Spiritual Demise of your Soul.

It is therefore of Critical Importance that your Faith, My Dear Brother, at the time of Receiving the Blessed Eucharist is both Strong and True. Sadly, most sadly, many of My Beloved Mother's Children do not Receive the Blessed Eucharist in this State of True Faith, therefore not only do they not Receive the Graces, that form the Good Nourishment, as essential Heavenly Nourishment for their Souls, but in fact are by the very Absence of the True Faith, Feeding their Souls with Infected Food, which

in turn is effectively Poisoning the Soul, in much the same way as Defective Nutrients being fed to a Plant, will cause Disease in a Plant, which if not arrested in time, will eventually Kill the Plant.

However, if you do Receive the Blessed Eucharist in the True Faith of My very Presence as the Risen Lord within the Eucharist Host, then through My Presence in the Blessed Eucharist, I bring with Me into your Soul the Graces, that form the Good Nourishment for your Soul, Graces from My Heavenly Father, directly from Heaven as Heavenly Nourishment.

But My Dear Faithful Brother, in the Receiving of Me through the Blessed Eucharist in the True Faith of My very Presence in the Eucharist Host, I also bring with Me, the very Best of Nutrients, Heavenly Nutrients, making this Nourishment, Heavenly Nourishment for your Soul, the Richest Mix of Heavenly Nutrients possible.

With the Mixture of Love through the Eucharistic Host of Love, of Hope through the Eucharistic Host of Hope, and Faith through the Eucharistic Host of Faith, all three being Delivered directly into your Soul by Me, through My very Presence in the Blessed Eucharist, your Soul is therefore receiving the Strongest and Richest form of Heavenly Nourishment, which is what is needed for your Soul, in order that it should Grow and Thrive, and not just simply Survive.

Then My Dear Faithful Brother, from these three Heavenly Ingredients, it is the Eucharistic Host of Faith that forms the Backbone of Graces for the Trunk, in fact Spiritual Trunk or Spiritual Central Pillar, stemming from the initial Faith that was sown in your Soul, and the most essential Ingredient necessary for this Spiritual Trunk to Grow both in Stature and in Strength, to support the Structure of your Soul.

Therefore My Dear Faithful Brother, the importance of the Frequency of the Receiving of this most Sacred of Heavenly Gifts given by Me to Mankind some 2000 years ago, in the form of the Blessed Eucharist, cannot be stressed enough.

Not only is it essential for your Soul to receive the necessary Heavenly Nourishment for its Spiritual Health, but also for its Spiritual Growth.

Then as your Soul, My Dear Faithful Brother, Grows in Spiritual Stature, so does your Spiritual Intimacy with Me grow, enabling you to See My Love for you, which in turn allows you to open your own Heart to Me, therefore allowing Me to Help you and Assist you along the Difficult Path to your Eternal Salvation.

My Dear Faithful Brother, today you have been called for the Third time to Testify to the Power and Mystery that is Present within the Blessed Eucharist, a Power that I carry with Me through My very Presence in this Most Blessed Sacrament, and which I so much want to Pass onto All My Beloved Mother's Children on earth in the Blessed Eucharist.

Once again I ask you to inform as many of My Beloved Mother's Children on earth, your Fellow Brother and Sisters in Faith in Me, of all that I have

with it carrying out Satan's Desires and Wishes in Maximizing Satan's Intense Hatred towards My Beloved Son, Jesus, as shown by the Flames that were seen Shooting out from the Foot of the Cross.

You were also Witness to how much Pain that this causes My Beloved Son, Jesus and I when We in turn Witness firstly My Beloved Priests, being Snared by Satan, and then secondly those Children of Mine Whose Souls as a result of being Led Astray by these very Priests of Mine who I Love so Dearly, and in whom I have placed so much Heavenly Trust, in turn also being Snared by My Evil Adversary.

Then to Further Highlight, Emphasise and Exaggerate His Evil Power and Influence and to Maximize His Hurt and Pain to My Beloved Son, Jesus, and I, your Heavenly Mother, you also Heard His Evil and Hideous Laughter as He Gloated on His Successful Catch that you, My Dear Faithful Child, were Witness to.

Then My Dear Faithful Child, you were Witness to the Small number of My Dear Children, both Dear and Faithful, Children of Mine, who upon Opening their Hearts and Souls, were then able to See where the Easy Road of My Adversary was leading to, namely Eternal Damnation, made the Choice to veer off this Road, and instead, make their way along the Difficult Path, but the all important Path to Eternal Salvation.

This Difficult Path, as you could See My Dear Faithful Child, was very Long and Winding, very Narrow and Hilly, filled with many Potholes and Hurdles, and was Covered in Darkness making it very Difficult to See. However, Combined with The Light of Christ, Represented by the Candles that these Faithful Children of Mine were carrying, and with Faith in their Hearts and Souls, they were able to Gradually make their way along the Path, and be able to See through the Darkness, this being the Darkness of Sin, along this Difficult Path, leading them finally to My Beloved Son on Calvary.

You were able to See, My Dear Faithful Child, how this Small number of people could only walk two or three abreast because the Path was so narrow, with Mother's carrying their Infants and young Children in their arms, and that everyone was either Poorly Dressed or Modestly Dressed and that no one was carrying with them any earthly Riches such as Jewellery and Money.

This My Dear Faithful Child was because, in order to be able to Successfully Negotiate and Traverse this Difficult Path with all of the Hazards and Hurdles as you were Witness to, they needed to avoid earthly Riches to Weigh them down, thereby either making their Journey Most Difficult or Totally Impossible.

Then, My Dear Faithful Child, you were Witness to those Children of Mine who at first were indeed Totally Controlled by My Adversary and where their Souls had been Severely Crippled and Damaged by Sin, but who through the Power of Prayer, Strengthened their Ailing Faith, being Represented by those either on Crutches or on Stretchers, or those be-

Today, My Dear Faithful Child, you were Shown through this Illustration of exactly how Easily My Adversary can gain Control of your Soul and those of All My Children on earth.

In today's Illustration that you were Given, you were able to Clearly See that the Road that Satan will lead you or any of My Children along, if you allow Him to, is a very Easy Road to Travel being very Well Lit, Easy to Tread with no Hills or Hurdles to negotiate, and with Plenty of Pleasure along the way.

Satan makes it Feel good, with plenty of All Earthly Creature Comforts on the way, with plenty of Friends and Company along the way, and Plenty of everything that is, and can be Perceived as Easy and Pleasurable, so much so that you can become totally Blinded to the Reality of what Satan is actually doing to you, but more importantly to your Soul, so much so that even as you reach the End of this Pleasurable Road, you are even Blind to the fact that you have even reached the End.

Then as you Saw, My Dear Faithful Child, this Blindness is so Severe, that even as you are stepping off the very Edge of the Cliff, in other words the very Threshold of Hell, you are still not Aware of Satan's Evil Powers, and it is not until you begin to actually Plummet into the very Depths of Hell, by which time it is Too Late, that the Realisation will hit you.

The Insidiousness of Satan knows no Boundaries, and just as long as any of My Children on earth allow it, Satan will continue to Explore, Cultivate and take Total Control of any Weakness that you or they would Allow Him access to.

Then once He has Successfully led you over the Edge of the Cliff or over the Threshold of Hell, then any Wealth that you may have Accumulated for the purpose of your Comfort along that Easy Road, will then act as a Diabolical Anchor both acting as a Weight that will in turn Speed up the Plummeting of your Soul into the very Depths of Hell, and then to help to Anchor your Soul Firmly into the very Bowels of Hell, as was Clearly Illustrated by those Weighted Down with Money and Jewellery Belted around their waists.

Then My Dear Child you were most sadly Witness to how many of My Beloved Priests, that is Rogue Priests, have also been Snared by My Adversary in much the same way, but that they in turn have Led such Huge numbers of My Dear Children with them along this same very Wide and Easy Road of Satan's, and this by their very own Reinterpretations of The Words of God, which were Given to Mankind by My Beloved Son, Jesus some 2000 Years ago, which in turn was Illustrated as you Saw, both on the Covers the Holy Bibles that these Rogues Priests were carrying and on their Vestments that they were wearing.

It was Illustrated by the Upside Down Cross to Show you, My Dear Faithful Child, how it is through the very Reinterpretations of the Words of God that they are in fact turning the Heavenly Truth Upside Down, and

told you, and once again whenever possible, to Share with others what you have been called to Witness and Feel today.

Please continue to Receive Me, and as often as you can, but now with a better understanding of both the Power and importance of the Blessed Eucharist, and please encourage others to do the same, again as often as they can, but most importantly, with True Faith in My very Presence as the Risen Lord in the Eucharist Host in their Hearts and Souls."

Extracts From Message of Eucharistic Host of Peace

Received on 19th October 2004

Our Blessed Lord speaks:

"You have been Called to Witness today, the Power of the Eucharistic Host in yet another Mystery that Lives within this Most Holy and Blessed Sacrament, that of the Eucharistic Host of Peace.

This Peace, Heavenly Peace that emanates from within the Eucharistic Host of Peace, will Bloom from the Leaves and Buds of Hope from the Eucharistic Host of Hope, when The Eucharistic Host is Received in Total and Complete Faith in My very Presence as the Risen Lord, within the Eucharistic Host itself.

This takes place, My Dear Faithful Brother, when the Heavenly Graces which become like Heavenly Nutrients, being Received from the Eucharistic Host of Faith, Fully Nourish the Soul's Foundation or Soil Base, which in turn Nourishes the Entire Soul by Nourishing the Trunk of Faith, Giving Strength to this, the Central Pillar of the Soul, then flowing through to the Branches of Love, finally reaching the Leaves and Buds of Hope leading to the Blooming of these Heavenly Buds to open up into a Heavenly Spray of Flowers of Peace, that helps to Brighten up and Cleanse the Soul with a Heavenly Scent of Purity from these Heavenly Flowers of Peace, to Transform the Soul in this Cleanliness, so to help Purify the Soul from the Stains of Sin.

My Dear Faithful Brother, these Facets of the Blessed Sacrament, these Mysteries and Power that Live and Exist within the Eucharistic Host, is what I, your Heavenly Brother, your Risen Lord, bring to you and to All those who Choose to Receive Me within the Eucharistic Host, but only if it is Received with Total and Complete Faith in My very Presence as the Risen Lord within the Eucharistic Host.

It is the very Gift, that when Received in that Faith, that I so much want to Give to All of My Beloved Mother's Children throughout the world, so that the Souls of All those who Receive Me in that Faith can Receive the Oh so necessary Nourishment for their Souls, in order that they can reach the All important Heavenly Intimacy with Me, so that in turn I can

Help them All to reach their own Personal Eternal Salvation at the end of their Journey on earth.

My Dear Faithful Brother you have been reminded on a number of occasions by My Beloved Mother, that the Path along the Road to Eternal Salvation is not an Easy Path to Traverse, and that you cannot possibly Successfully Tread this Path without Divine Help.

So, My Dear Faithful Brother, it is for this very reason that I your Heavenly Brother want so much to Help you and All My Beloved Mother's Children on earth in this Personal Mission, if you would only Choose to allow Me to do so.

By Receiving Me, your Heavenly Brother, very much Present in the Eucharistic Host as the Risen Lord, but in that very Faith, not only Can I Help you, but both Want to and Will Help you, with this most Onerous Task or Mission that is ahead of each and every one of you.

This I Will do, through the Graces that are Present within the Mysteries of the Eucharistic Host, and through the Power that these Graces generate, and in doing so I Will indeed Bless each and every one of you, through the Eucharistic Host of Peace, with that very Heavenly Peace, in your Hearts and Souls, along the way.

My Dear Faithful Brother, today you were called to both Witness and Share in, in this Mystery of Heavenly Peace and the Power within this Mystery that enters into your Soul through the Eucharistic Host of Peace, and so I ask of you to inform as many of My Beloved Mother's Children on earth of this Mystery, and whenever possible to Share in that Experience with others.

But above all, My Dear Faithful Brother, I ask of you to impress upon everyone that you come in contact with, with respect to the Blessed Sacrament, that I am very much Present as the Risen Lord within the Eucharistic Host, and it is only in Receiving Me in The Blessed Sacrament in that Faith, that I can both Enter into your Souls and Fill your Souls with the Graces that flow from these Mysteries, that Live and Exist within the Eucharistic Host.

For those, My Dear Faithful Brother, of which there are so many, who most sadly do not Receive the Eucharistic Host in this Faith, not only do they Not Receive those Most Precious Heavenly Graces so needed for their Souls for the All Important Nourishment for their Souls, but most Sadly, are by their very action through the Lack of this most important Faith, placing their Souls in Mortal Danger, of being Poisoned, and even more Tragically, placing their Souls in Danger of being Totally Destroyed, through Satan's Diabolical Control.

Therefore, My Dear Faithful Brother, I ask you to impress upon those whom you come in contact with, to Receive Me, their Heavenly Brother, with that All Important Faith and then in the acceptance of that Faith, and with that Faith, to Receive Me as often as they can, not only to Receive My Heavenly Love in its Unconditional Entirety, but also to Receive the

to Worship Our Blessed Lord. I could then See Our Blessed Mother still at the Foot of the Cross, together with me, and with a Gentle Smile on Her Blood Stained Face, Blood that had Flowed down onto Her Loving Face from the Foot of the Cross, turn to this Group of People and Beckoned them to join Our Blessed Mother and I at the Foot of the Cross, which at first they Seemed so Reluctant to do, but then with Total Joy in their Hearts and with an air of Great Humility, they all came forward and joined Our Blessed Mother and I, as they too knelt down at the Foot of the Cross, men, women and children, maimed, crippled and sick, Priests and Nuns alike, the entire Faithful Group as one.

Then I could See for the first time in a Visual Image, others at the foot of the Cross with Our Blessed Mother being Witness to the Horror of Pain and Suffering, that Our Blessed Lord endures for Our Sins, and as the Visual Image progressed from this point to its conclusion as described in the Message The Agony of Christ to the point where Our Blessed Lord Looked down on His Beloved Mother saying Please Forgive Them, I could See every one in the Group, all in Unison joining me in asking Our Blessed Mother to forgive each and every one of us present. Then at the end of today's Visual Image, I could See Our Blessed Lord looking down on the Group of People at the Foot of the Cross, and with a most Gentle Smile He Closed His Sacred Eyes, Releasing a Most Beautiful Tear of Joy, at which point this Visual Image came to its conclusion, and after some minutes after which I managed to compose myself, I lifted myself up from the ground and proceeded to complete my Stations of the Cross for the day.

Later in the evening of the same day, and during my Bush exercises for the day, Our Blessed Mother Came to me with another Personal Message, but this time also an Explanatory Message, being so Gracious to Explain the Meaning of today's Visual Image, which in keeping with Our Blessed Mother's request of me to be prepared to open my Heart and Soul to everyone, I would like to Share with all of you, My Dear Brothers and Sisters in Christ.

This is what Our Blessed Mother said to me;

„My Dear Faithful Child, today you were Given an Illustration to show you exactly Why it is that My Beloved Son, Jesus, so much wants you and All My Children on earth to Get to Know Him more Intimately, and Why it is that I your Heavenly Mother, so much want for All My Children on earth to let Me into their Hearts.

But also My Dear Faithful Child, this Illustration has been Given to you today so that you can better understand both How and Why it is that the Road to Eternal Salvation is such a Difficult Path to Traverse and Why it is that you simply cannot Successfully Traverse this Path without Divine Help.

the End of this very Wide Road, and I could See this very Small Stream of People Heading into the Darkness of the Hills that were directly behind Our Blessed Lord's Cross, and Seemingly Heading in the Direction of the Hill on which Our Blessed Lord's Cross was erected.

I could See that this Small Stream of People were carrying what looked like very small Lights to give them some Light, as the Path that they were walking along, unlike the Road along which the Multitude were Partying, a very well Lit Road, and which was nice and Flat as well as being very Wide, this Path that this Small Stream of People were Traversing was Totally Unlit, very Narrow, very Hilly and filled with many Obstacles that were very Hazardous to negotiate, particularly in the Dark.

The Path was so narrow that at best, I could See that it could accommodate maybe Three abreast, but more comfortably only Two abreast.

From a distance, this Small Narrow Stream of People looked like a Trail of Ants, winding up and down the Hills and Valleys as they Slowly but Steadily neared the Hill on which Our Blessed Lord's Cross was situated, and as they neared the Cross I was able in the Darkness, to gain a clearer view of them, and I could Firstly See that the small Lights that they were Carrying were in fact Candles.

I could See men, women and children, all of whom were at very best Modestly dressed, but in the main very Poorly dressed.

I could See some who were walking with the aid of Crutches, while others who were being Propped up with the help of other people.

I could See yet others that were being Carried on Stretchers, and Mother's Cradling Small Infants in their arms as they walked slowly and patiently behind those who were either Frail, Aged or Crippled.

However I could also See in amidst this Small Stream of People a few Priests and Nuns, with the Priests each carrying above their heads a Copy of the Holy Bible with a Crucifix with a Golden Crown Sitting atop the Head of the Cross, on the front cover of the Holy Bible, all the while Gently Singing Hymns along with all the others in this Small Stream of People, all who in turn had Rosary Beads in their Hands.

What I could also See, and in such contrast to the Huge Multitudes on the very Wide Road, was that all of these People in this Small Stream of People, were not only Modestly or Poorly Dressed, but that not one, not a single person, had any kind of Jewellery, any kind of Money, in fact any sign of Wealth or Possessions with them, whatsoever.

Unlike the Huge Multitudes on the very Wide Road, these People from this Small Stream of People, were Not Dancing, were Not Partying, but were instead, quietly Praying and Singing Beautiful Hymns of Adoration and Praise to Our Blessed Lord, totally unaccompanied, but instead created Beautiful Harmony with their Singing Voices.

Then gradually I could See this Small Stream of People at last, one by one arrive at the Hill on which Our Blessed Lord's Cross was erected and at some distance from the Cross, they gathered in a Group in Readiness

Nourishment and Graces for the Heavenly Health and Ultimate Salvation, of their Souls.”

Extracts From Message of Eucharistic Host of Glory

Received on 26th October 2004

Our Blessed Lord speaks:

“Today, I have Invited My Beloved Mother to accompany you, as you have been Called to both Witness and Share in, together with My Beloved Mother, the Most Sacred and Holy Mystery and Power of the Eucharistic Host of Glory.

This Mystery, My Dear Faithful Brother, Represents the Culminating Power and Binding Factor of My very Presence within this Most Blessed of Sacraments in the Eucharistic Host.

In being the Binding Factor, the Eucharistic Host of Glory combines the other four Mysteries and Powers of the Eucharistic Host, that is:

Eucharistic Host of Love,
Eucharistic Host of Hope,
Eucharistic Host of Faith,
Eucharistic Host of Peace,

in order to make One Complete Eucharistic Host, with Me, as your Saviour, Totally and Completely Present, to be Received in this Completeness, in order that you can be in a position to Share in the Glory of My Risen Presence, which in turn will enable you to reach your own Resurrection and Eternal Salvation.

It is through the Power of the Eucharistic Host of Glory that your Soul will Attain its Total Cleanliness, being Cleansed of all Stains as a Result of the Purifying Heavenly Scent from the Flowers of Peace, emanating from the Buds of Love that have Grown on the Branches of Love, which in turn have Grown from the Trunk of Faith, where the entire Trunk being the Central Pillar of the Soul, has been Nourished by the Faith with which the Blessed Sacrament in the form of the Eucharistic Host, had been Received.

This Complete Eucharist, however, can only be Complete, when it is Received in Total Faith of My very Presence as the Risen Lord in the Eucharistic Host, at which point the Five Hosts, and the Five Mysteries of the Five Hosts, become One Host, one Complete, Sacred and Holy Eucharistic Host.

It is in the Faith and the Spirit of this Faith as well as the Truth of this Faith, that you can Reach the Ultimate Intimacy with Me, your Heavenly Brother, the Intimacy so necessary for you to be able to Successfully

Traverse the Challenging and Difficult Path that you and All Mankind Need to Tackle, in order for you to Reach your Eternal Salvation.

The Heavenly Glory that is Present in the Eucharistic Host of Glory, is that of the Glory present at My Glorious Resurrection, and this in order for Me to be able to be Present as the Risen Lord in the Eucharistic Host, in the first place.

This Heavenly Glory also converts the Heavenly Hope present in the Eucharistic Host of Hope into the Heavenly Promise for your own Resurrection, when you Receive Heavenly Forgiveness for the True Contrition for your Sins.

This Heavenly Glory is the same Glory that My Heavenly Father, had waiting for Me through His Love for Me, His Heavenly Son, at the moment of My Resurrection, which in turn awaits those that Follow Me and Get to Know Me Intimately, at their own Resurrection.

This Heavenly Glory is the very same Glory, that I, your Heavenly Brother, together with My Beloved Mother so much want you and each and every one of My Beloved Mother's Children on earth to Receive, and through the Power of the Eucharistic Host with My very Presence within the Eucharistic Host, wish to make it available to you every day.

This Heavenly Glory within the Complete, Sacred and Holy Eucharist, is the Gift of Eternal Life that I can and do Offer you, and each and every one of My Beloved Mother's Children on earth, when you make the Choice to Receive it in the Faith of My very Presence, in the Eucharistic Host.

It is in this way, through this Heavenly Glory, that I am able to Give Myself Completely to you in the Wholeness of My Presence in the Blessed Eucharist.

My Dear Faithful Brother, with each Mystery that is Present and make up the One Complete Eucharist, each Mystery in turn brings with it, its own Heavenly Graces that Flow through your Soul, through My Precious Blood within in My very Presence in the Eucharistic Host.

It becomes therefore the Heavenly Lifeblood that Flows through your Soul thereby Enriching your Soul Fivefold with Heavenly Graces, each and every time that you Receive Me in the Eucharistic Host.

It is through this Strength of Heavenly Graces Present within the One Complete Eucharistic Host that you are able to Strengthen your own Soul, by Nourishing it with this Plentiful supply of Heavenly Graces, as Life Giving Fluid for your Soul, that Flows through from the Eucharistic Host.

It is also through the Combined Power of the One Complete Eucharistic Host, that you are then able to both Nourish and Nurture your Faith, which in turn will enable you to Gain a Greater Intimacy with Me, thereby enabling Me to Help you with your Journey towards Eternal Salvation. It is only Through Me, that you can Reach your own Resurrection and Eternal Salvation, but it is only by Getting to Know Me, and furthermore.

ing their way to the End of this very Wide Road and over the Cliff's edge at the end of this very Wide Road, themselves increased.

I could then See myself momentarily taking my eyes off this scene of Diabolical Horror, as I Refocused my attention on Our Blessed Lord on the Cross and Our Blessed Mother at the foot of the Cross, and noticed that They were Both Crying, with Both of Them totally Heartbroken, and then I could See Our Blessed Mother looking towards the Diabolical Scene behind Our Blessed Lord's Cross, and burst out into a most Heart Wrenching Shriek of a Cry.

I could then See myself looking in the same Direction as Our Blessed Mother, to try and catch sight of what it was that made Our Blessed Mother Cry Out with such Emotional Pain, and what I Saw next spelt it out Loud and Clear.

What Our Blessed Mother had seen and what I along with Our Blessed Mother could now See, was a large number of Priests Heading a Huge Multitude of People, many times larger in number than that of the Crowd that I had just only moments earlier been Witness to, again along this very Wide Road leading to the Cliff's edge, and again as with the earlier Crowd of People, in the same Joyous Carnival atmosphere.

However, these particular Priests were each holding in their hands a copy of the Holy Bible with a Crucifix on the Cover, but with the Crucifix being Upside Down with the Head of the Cross being at the Bottom of the Cover and the Foot of the Cross being at the top of the Cover, but with Flames that were Shooting out from the Foot of the Cross, at the top of the Cover.

Then as these particular Priests themselves stepped off the edge of the Cliff, equally Seemingly Oblivious to their Fate at that very point, just as were the People from the Crowd that I had just Witnessed only moments earlier, I noticed that each one of these particular Priests, all of whom were still wearing their Vestments, also with the Upside Down Cross on the back of their Vestments, and as they too Plummeted Screaming into this Diabolical Abyss, I could See that Flames were Shooting out from the Foot of the Upside Down Crosses on the back of their Vestments, just as they were from the Foot of the Upside Down Crosses on the Covers of the Holy Bibles that each were carrying with them.

Then as these particular Priests, one by one Plummeted into the Fiery Abyss so did the Huge Multitude Blindly follow these particular Priests, again some one by one, and others in groups, but all with Seeming Gay Abandon and Jollity, and just like with the earlier Crowd, in a Festive Mood with Dancing and Singing, Twisting and Gyration to the ear splitting Drum Beating in the background and being Seemingly Totally Oblivious of their Diabolical Fate.

Then as I was taking in this most Horrifying of Scenes, I noticed in the distance a very Small Stream of People break away from this Huge Multitude of People, who at this stage were quite some distance away from

Then as I was Witnessing this Crowd of what appeared to be many Thousands of People heading along this very Wide Road, I caught sight of the Head of the Crowd, that appeared to be Leading this large Crowd along this very Wide Road, reaching the End of this very Wide Road, which seemed to just simply lead to the edge of what looked like a Cliff. Then much to my Amazement and almost Horror, I could See this Leading Group, clearly Heading the Crowd, simply walk off the edge of the Cliff still in a Party Mood, almost as if they were totally Oblivious to the Fact that they had even Reached the end of the Road, let alone that it was leading them to a Cliff's edge over which they were all Plummeting. But it was only as they started their Descent Downwards, that it seemed that an Awareness of the Dreadful Reality had hit home to them, as at that point I Could Hear them Replacing their earlier Laughter of Frivolity and Jollity with the Most Horrific and Shocking Screams, as they Plummeted down into what Looked like a Huge Pit at the bottom of which I could See what in turn Looked Like a Red Hot Bubbling Fermentation, resembling that of Volcanic Lava with Flames shooting upwards from this Bubbling Fermentation, catching the Falling People as they Rapidly approached this Bubbling Fermentation.

But as these People were Tumbling down over this Cliff, I could See men and women alike, some of whom were Richly Adorned with extremely Expensive Jewellery, and others who were Clutching very Expensive Jewellery in their hands as they Plummeted Screaming into this Huge Pit.

I could See others who were extremely Well Dressed clutching onto Wads of Cash in their Hands, and others equally Well Adorned clutching Documents in their hands, as they too were Screaming as they were Plummeting downwards into the Pit with Wads and Wads of Cash, Raining down on them like Confetti, as they headed into the Flames of this Diabolical Abyss.

I could See others who had Belts around their waists bulging with Wads of Cash and Coins and yet others who had Jewellery Boxes Strapped around their waists, as they too Plummeted Screaming in total Shock and Horror towards the Bubbling Fermentation at the bottom of this Fiery Pit.

Then one by one and even in groups of three, four, five and even six, I could See the Crowd of People, men and women alike, completely Blindly, seemingly Blind to their Fate that is, Walking or Dancing and in some cases even Gyration off the edge of the Cliff and into the Diabolical Abyss with the same Horror as all the others before them.

All the while as I was Witnessing this Terrible Scene of Diabolical Horror I could Hear the Most Hideous Laughter that appeared to be coming from the Bowels of this Pit, a Pit very much resembling the bottom of a Volcano, and this Laughter Seemed to become louder in Volume and more and more Hideous as the numbers of People from the Crowd find-

Intimately Know Me, that you can Reach your own Final Destination. Through Me. My Dear Faithful Brother, it is for these Reasons that I make Myself available to you through this Most Sacred and Holy Sacrament of the Blessed Eucharist, and it is out of Love for you, and All of Mankind, that I am Present within the Eucharistic Host for you to be able to Receive Me both within your Soul and your Heart in this way, but furthermore make Myself available, each and every day.

I ask of you, My Dear Faithful Brother, for you to Receive Me in this Faith, as often as you can, but I further ask of you to Look into your Heart and Soul each and every time that you Receive Me through the Eucharistic Host, in order that you can gain a Glimpse of, and a gradual Understanding of My very Presence and of the Graces that flow from My very Presence, as I enter within your Soul and entire being, through the Eucharistic Host.

It is then, once you begin to gain an Understanding of My Presence within your Soul through the Eucharistic Host, that you will begin to Embrace the Power and Mysteries that Exist within, and Make up, the One Complete, Sacred and Holy Eucharistic Host.

Please Meditate and Ponder on the Five Mysteries of the Eucharistic Host, each one Represented by the White Doves that you can See around the Host, and do so often, while at the same time please also Meditate upon the Combined Power of the Five Mysteries, as they form the One Complete Eucharistic Host.

My Dear Faithful Brother, I also ask of you impress upon as many of your Fellow Brothers and Sisters in Faith in Me, to also Receive Me through the Eucharistic Host in that same Faith and as often as they can, in order that they too can obtain All that I have just told you.

I thank you once again for Visiting Me, in Obedience to My Beloved Mother's Request, during this very Special Month of October, and once again I ask you to impress upon as many as you can of the Most Wonderful and Sacred Powers and Mysteries that are Present within, and make up, the One Complete Eucharistic Host, and the importance to everyone of this for the Salvation of their own Souls, and whenever possible to Share with everyone, what you have been called Witness today. Please never forget, My Dear Faithful Brother, that I, your Heavenly Brother, together with My Heavenly Mother, will never stop Loving you, and All of My Beloved Mother's Children on earth."

Pray for me, o Holy Mother of God, that I, your humble servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

Irreverence and Disrespect

My Dear Brothers and Sisters in Christ,

In the afternoon of the 17th of November 2006, I carried out, as requested of me by Our Blessed Mother my regular Friday Stations of the Cross, and once again, in the company of Our Blessed Mother, but on this occasion, at the Bush Location leading to the Rock of Hope and Sorrow. Then, as I lay Prostrate at the 12th Station, at the site of the Rock of Hope and Sorrows, I once again received the Visual Image as had been promised by Our Blessed Mother that I would receive, each and every time that I chose to accompany Our Blessed Mother, on the Road to Her Beloved Son's Calvary, and this once again regardless of the chosen location.

However, My Dear Brothers and Sisters in Christ, this Vision was by far the most Disturbing that I had received since the Vision of The Purging of Satan.

The Vision started as all of my previous Visions have, as the Standard Vision as described in Message (No. 17), The Agony of Christ until after some time of sharing together with Our Blessed Mother as we knelt at the Foot of The Cross, sharing in the Suffering of Our Blessed Lord as He struggled in absolute Agony Bound and Nailed to His Cross, I could Hear from behind me the sound of Horses Hoofs nearing the Cross, but still a little distance away.

At this point in the Visual Image I did not look back to See who it was, as I had assumed it was to be the Soldier With the Sponge of Vinegar, that I had already on a few occasions been Witness to, in previous Visual Images, an Image which in itself, has been most Horrific and Disturbing. But My Dear Brothers and Sisters in Christ, what I was about to Witness was far and above, many times more Disturbing, Horrific and Heart Wrenching than I had been Witness to for quite some time.

Once the horse and its Rider had reached the Foot of The Cross, I looked up to find to my amazement that it was not a Soldier that was the Rider, but that it was a Priest fully Clad in a Green Vestment, and as I looked up at this Priest's face I could See such Hatred in his eyes as he stopped his horse just centimeters away from the Cross, gazing up in Hatred into the Excoriated and Blood Filled Face of Our Blessed Lord, Sacred Blood that was streaming down from the Puncture Marks in His Forehead that had been made by the Brutal way the Crown of Thorns had earlier been forcefully Beaten into Our Blessed Lord's Skull.

Then to my absolute Horror, I saw the Priest firstly Slap Our Blessed Lord several times with an open hand with his right hand, on both sides of Our Blessed Lord's Sacred Face with the resultant Screams of Agony as Our Blessed Lord's already immensely Excoriated Back, crashed Forcefully into the Rough Surface of the Cross, digging even more Splinters deep into the already open Flesh of His Sacred Back.

Then as if this Barbaric Brutality was not enough, this Priest then began to Punch Our Blessed Lord with a Closed Fist with his left hand, and

No. 44 Easy Road or Difficult Path

My Dear Brothers and Sisters in Christ,

In the afternoon of the 25th June 2004, and during my Friday Stations of The Cross as requested of me by Our Blessed Mother, which I carried out, once again at the outdoor location at the Schönstatts Shrine in Armadale W.A., I was Called to Witness to another very Sobering as well as Extraordinary Vision, during the promised Visual Image at the 12th Station.

So once again, in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share this Vision and Experience with all of you, My Dear Brothers and Sisters in Christ.

On this occasion it was again towards the start of what has now become the Standard Image, as described in the Message The Agony of Christ (Message No. 17), at which point I was Witnessing and sharing with Our Blessed Lord in His Pain, as He Struggled in Absolute Agony with His Back being so Horrifically Excoriated by the Rough Surface of the Wood of the Cross, and as I was Looking up at Our Blessed Lord in total Horror at His Emaciated Body, something encouraged me to look into the Distance behind the Cross of Our Blessed Lord.

As I did so I could See in the distance, beyond the Darkness that enveloped the Range of Hills that were in the immediate foreground of my Vision directly behind The Cross on which Our Blessed Lord was Hanging, what Seemed like a Well Lit very Wide Road, along which I could See were a very Large number of People, counting probably into the Thousands in number, all of whom were Seemingly Partying with Gay Abandon and Frivolity, men and women alike, all Dancing along this very Wide Road occupying the Full Width of the Road probably as many as 50 or 60 abreast, and all heading in the same direction, much in appearance to an enormous Crowd of people Dancing along a Main City Street during a Carnival.

Among the Crowd of Dancing people, I could See some people who, it seemed, were playing a Variety of Musical Instruments including many with a Variety of Drums, beating out a Deafening Beat to which many in the Crowds of people were Jiving, Twisting and Gyration along, as they Headed along the same path and same Direction as all the others, but where these people were Twisting and Gyration as though they were completely overtaken by a Concoction of Mind Altering Drugs.

Many in this Crowd of People were very Sparsely clad, much like one would witness in many of the Mardi Gras style Carnivals around the world, while others were very Conservatively Dressed and still others who were very Lavishly Dressed in very Expensive Looking Outfits Reminiscent of the Jet Setters of the 21st Century World, but All of them heading in the One Direction as they Danced or Walked and Sang along in this Seemingly Joyous and Gay Carnival atmosphere.

Once again I, your Heavenly Mother, ask of you, My Dear Faithful Son, to notify as many of your Fellow Brothers and Sisters in Christ of this Sacred Mystery and in Testimony to what you have been Called to Witness today, and further ask of you to Share in the Experience that you had been Called to undertake today.

Please Remember that together with the Love that My Beloved Son, Jesus has for you and for All My Children on earth, that He has so Clearly Shown and Demonstrated to you today, I your Heavenly Mother, will never stop Loving you, and will never abandon you as you continue to carry out your Mission on My behalf.”

Then with the conclusion of today's Message from Our Blessed Mother at this point, I sat down on the Rock as Our Blessed Mother left me, but as has been the case at the End of All previous Visits from Our Blessed Mother in the Bush, I could still Feel Her Divine Presence around me. I then gazed into the distance in the Night Sky, overlooking the City of Perth, as I Pondered upon and Meditated on the events at the 12th Station earlier on today, particularly as the Revelation of this Most Beautiful and Sacred Mystery of the Sacred Heart of Trinity took place within the Visual Image, at the very spot where I was right now sitting, namely the Rock of Hope and Sorrow, and also Meditated on the Subsequent Message that I had just Received.

My Dear Brothers and Sisters in Christ, to try and describe the Emotions that I was Feeling as I sat and Pondered and Meditated on the Rock is something, as I have so often inferred, something I simply feel so inadequate at describing, but one thing that hopefully I can adequately relay is the Feeling of Immense Honour, and may I say unreservedly, a Totally Undeserved Honour to have been Blessed with, in being Called upon to Witness such a Beautiful and Sacred Mystery and Manifestation.

I only hope, that in Sharing with you, My Dear Brothers and Sisters in Christ, this Most Magnificent Experience and Subsequent Message, as asked of me by Our Blessed Mother, that each and every one of you, Can and indeed Will be touched as I have been, and that each and every one you Do make the Choice to carry out All that was Requested of us by Our Blessed Mother, in this Message from Her.
May God Bless you All and One.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

again several times on both sides of Our Blessed Lord's Sacred Face, with the resultant Agony that followed but this time with the additional Agony of the Nails Audibly Tearing at His Wrists, that I was quite clearly able to Hear.

My Dear Brothers and Sisters in Christ, I cannot begin to describe in any words, in English or in any other Language for that matter, the depth of Horror or the depth of Emotional pain emanating from my Heart and Soul that I was feeling at that very moment, at the events that I was at this point Witnessing.

Then after what seemed an Eternity, I could See Our Blessed Lord, still in Immense Agony, regain His Breath from the Pain that He was so Cruelly subjected to, at which point I could Hear Our Blessed Lord speak, but in a most Gentle, Caring and Loving voice to this Priest, totally belying the Horrific scene that was unfolding before my very eyes and that of Our Blessed Mother's eyes, as we both knelt at the Foot of the Cross, saying to this Priest;

“My Dear Brother, Why do you Strike me so? What have I done to offend you?”

But in response to what could only be described as a demonstration of Heavenly and Divine Love, Compassion and Kindness towards the Barbaric and Hateful actions of this Priest, this Priest burst into a Tirade of Abuse and Rage, that left me even more Horrified and Shocked, as if what I had already Witnessed had not already been Horrifying enough. This Priest, My Dear Brothers and Sisters in Christ, launched into the most Foul Verbal abuse at Our Blessed Lord, Language so Foul, My Dear Brothers and Sisters in Christ, that out of Utmost Respect to both Our Blessed Lord and Our Blessed Mother, who Herself was Subject to this Foul Obscenity in Language, I simply cannot bring myself to reveal the exact words of Obscenity that were uttered by this Priest, in this Message.

However, I would very much like to Reveal both the Gist and Intent of the abuse that this Priest was leveling at Our Blessed Lord, and by Inference, to Our Blessed Mother.

At first the Priest started by saying that Our Blessed Lord should Sort Out His (expletive) of a Mother and to stop Her from Imagining that She is communicating with (expletive) mad and insane people and causing so much unrest among normal sane people.

The Priest then continued on with his personal Abuse of Our Blessed Lord in the most Foul of ways, in questioning Our Blessed Lord about His own Divinity, the purpose of His Crucifixion, and about His Actual Real Presence in The Blessed Sacrament, even to go so far as to question that Our Blessed Lord was even sent by The Heavenly Father Himself, but again in the most Hateful, Disrespectful and Insulting manner.

Then having finished with his Verbal Abuse of Our Blessed Lord, this Priest looked down at me kneeling next to Our Blessed Mother at the

Foot of the Cross, and then began to Verbally Abuse me, firstly by likening me to human waste and then inquiring, in not so polite terms, as to what I was looking at, what I was doing there at the Foot of the Cross with Our Blessed Mother, and questioning me about my parentage, my sanity, the veracity of my personal faith, my personal Delusions of Holiness, as this Priest so eloquently put it, my motives and finally, my ego. But all the while that this Tirade of Abuse was being carried out, I could Hear from behind Our Blessed Mother and myself, as we were kneeling at the Foot of the Cross, what sounded like Cheering, Whistling and Jeering such as would be heard by a Rabble Crowd, and as I turned around to see where this was coming from, I could See, although not very clearly, as it was dark at the time, a group of horses all of which were mounted by Priests, again fully Attired in their Robes and Vestments.

However, My Dear Brothers and Sisters in Christ, the personal abuse leveled at me did not concern me, as I quite openly accept that I am but a Miserable Sinner and therefore far from Perfect and even further away from Holiness, but the Abuse leveled at Our Blessed Lord, and through that Our Blessed Mother, was extremely painful for me to bear.

Then as soon as this Priest finished with his abuse leveled at me as I knelt at the Foot of the Cross next to Our Blessed Mother, I then saw him turn his attention to Our Blessed Mother looking down at Her, but again as with Our Blessed Lord, with such Hatred in his eyes for Our Blessed Mother, and all the while Our Blessed Mother had Her Arms stretched out to the Priest with an expression of such Love and Compassion in Her Beautiful eyes, a Love and Compassion for him and for him alone at that very moment, in such contrast to the expression of a deep Sadness on Her Face, again for him and for him alone, at that very moment.

Our Blessed Mother though not uttering a word, quite clearly was beckoning this Priest to dismount his horse and Come and Join Her, to welcome Her Embrace at the Foot of the Cross, totally Unconditionally, totally without Judgment, and this in spite of the Obscene and Hateful Tirade towards Her Beloved Son, that She had been Witness to.

But his response to this Loving gesture, My Dear Brothers and Sisters in Christ, was far from what I feel I was expecting, because all of a sudden, and to my absolute Horror I Saw this Priest pull at the Reins of his horse, forcing the horse to lift his front legs up into the air, whilst at the same time directing the horses Torso to stand on its hind legs and directly above Our Blessed Mother, and was clearly directing the horse to come down onto Our Blessed Mother, thereby Trampling Her underfoot.

My Dear Brothers and Sisters in Christ, I cannot begin to describe in words how the Horror upon Horror that I was Witnessing and which was unfolding before my very eyes in this Visual Image, was affecting my already drained emotions, but much to my Amazement and my absolute momentary Relief, I then saw the horse with its front legs still in the air,

ing this Most Important Devotion to My Beloved Son in those Churches, where My Dearly Beloved Priests do themselves take up My Invitation to them to make this Most Special Devotion to My Beloved Son available, in the first place.

It is in this way that All those Children of Mine who Choose to Visit My Beloved Son, Jesus, during this Most Important of Devotions of Adoration and Exposition of The Blessed Sacrament, that My Beloved Son, Jesus will then be able to enable them to Develop a much more Intimate Relationship with Him, a Relationship so much Wanted by My Beloved Son, for each and every one of My Children on earth, and most, most importantly so much Needed, for each and every one of My Children on earth, Clergy, Religious and Lay alike.

But further to this, My Dear Faithful Son, I ask of you and of All My Children on earth who Choose to Visit My Beloved Son during this Most Important Devotion, or indeed when you or they Visit My Beloved Son, Jesus, your Heavenly Brother, at the Tabernacle in your Churches, to Meditate upon the Wonder, the Power and the Mystery of the Sacred Heart of Trinity of My Beloved Son, Jesus.

Then in Meditating upon the Sacred Heart of Trinity of My Beloved Son, I ask of you to consider the Meaning of the Power and Mystery of this to you and to your own Salvation, and the extent of Love and Mercy that emanates from this Most Loving and Sacred Heart, not only for you, My Dear Faithful Son, but for All of My Children throughout the world.

Finally My Dear Faithful Son, I ask of you to Emulate, within your Humanness, All 3 Facets Present in the Sacred Heart of Trinity, in your own Prayerful Devotion to My Beloved Son, Jesus, by Open Display and Open Example in your own Faith in your Heart in Christ, in your own Hope in your Heart for your own Eternal Salvation, and in your own Love in your Heart for Christ.

However, My Dear Faithful Son, this then needs to be further Demonstrated by you, towards your Fellow Brothers and Sisters in Christ, but also to, and in Particular to those, who sadly do not Share in your Faith in either My Beloved Son, Jesus, and His very Presence as the Risen Lord in either the Tabernacles of the Churches throughout the world, or in the Blessed Sacrament itself, or to those who do not Share in your Faith in Me, Their Heavenly Mother, and this, once again to Clergy and Lay alike.

It is so important to each and every one of My Children on earth to be made aware of this Most Wonderful and Sacred Mystery of the Sacred Heart of Trinity of My Beloved Son, Jesus, and as soon as possible, in order that they too can begin Develop a more Intimate Relationship with My Beloved Son through this Most Beautiful and Sacred Mystery that has been so Lovingly made available to All Mankind by My Beloved Son, Jesus, and this again because of the Immense Love that He has for each and every one.

The Golden Rosary Crown, as you Saw My Dear Faithful Son, is made up of Four Bands of Gold, Representing the Four Mysteries of My Rosary, with Five Rubies and Ten Diamonds between the Five Rubies Representing the Five Decades of My Rosary, and Sits atop My Beloved Son, Jesus Sacred Heart of Trinity to show How it is that My own Immaculate Heart is One with My Beloved Son's Sacred Heart and Cannot be Separated.

It is for this Reason, My Dear Faithful Son, that I Feel as One with My Beloved Son both His Joy and His Sorrow, with All the Glory and Suffering that comes with the Joy or Sorrow.

My Dear Faithful Son, you were Called Today to Witness and Feel the Wonder of this Sacred Mystery of My Beloved Son's Sacred Heart of Trinity, in order to Testify to your Fellow Brothers and Sisters in Christ, and to as many of My Children on earth, of the Immense Depth of Love and Boundless Heavenly Forgiveness that Lives within My Beloved Son's Sacred Heart for All of Mankind.

It is because of this Immense Love that My Beloved Son has for All of Mankind, He so much wants All of My Children on earth to Develop an Intimate Relationship with Him, and why it is that He Welcomes each and every one of you that enter into a Church, with His very Presence as The Risen Lord in the Tabernacles of All the Churches throughout the world. In addition to this, My Dear Faithful Son, My Beloved Son, your Heavenly Brother, also awaits each and every one of My Children, with His very Presence as The Risen Lord in the Blessed Sacrament, during the Devotion of Adoration and Exposition of The Blessed Sacrament, therefore I ask of you to encourage as many of your Fellow Brothers and Sisters in Christ to not only Visit My Beloved Son at the Tabernacle in their Churches, but also to Visit Him during the Devotion of Adoration and Exposition of The Blessed Sacrament.

As this Devotion is Solely Dependant on My Dearly Beloved Priests making this available to My Children on earth, I would like to ask you, My Dear Faithful Son, to pass on the Following Invitation to as many of My Dearly Beloved Priests in Perth as you can:

My Dear Beloved Priests, I your Heavenly Mother Invite All My Beloved Priests throughout the world to carry out the Devotion of Adoration and Exposition of the Blessed Sacrament in your Churches, at least once a Week although Preferably, several times a Week, but Ideally on a Perpetual Basis.

This Invitation has been requested, in order to Draw more of My Children on earth, to The Sacred Heart of My Beloved Son, Jesus, and in order that All My Children on earth can Get to Know My Beloved Son and your Heavenly Saviour, more Intimately.

Further to this Invitation to My Dearly Beloved Priests, I your Heavenly Mother ask of you, My Dear Faithful Son to Invite as many of your Fellow Brothers and Sisters in Christ to Visit My Beloved Son, Jesus by attend-

about to come crashing down on Our Blessed Mother, look down at Our Blessed Mother with a look of Absolute Horror in its large dark brown eyes, and then quickly glance back at the Priest with equal Horror in its eyes, but of a Horror at what the Priest was directing the horse to do. Then I could See that as the horse started to come down with its front legs towards the ground, it began to strain with all the strength it could muster with its head, against the pressure of the Reins being applied by the Priest, whilst simultaneously twisting its whole Torso, while still balancing on its hind legs, almost to the point of snapping its hind legs in the process, resulting in the horse crashing down with its front legs Next to Our Blessed Mother, avoiding Crushing Her by a matter of millimeters, and almost dismounting the Priest at the same time.

My relief at Witnessing this Miraculous display of Heroism on the part of the horse was overwhelming, and the clear display of what can only be described as Love and Respect shown to Our Blessed Mother by an Animal, albeit a Creature of God, was truly Awesome, particularly when measured against the Hatred and Disrespect shown by a generally accepted superior and greatly more intelligent creation, also a Creation of God, namely a Human Being.

But then My Dear Brothers and Sisters in Christ, the Horror from within this Visual Image sadly continued on unabated, as once the Priest regained his balance on the horse, I could See him, no doubt out of Frustration and Anger at the horse Refusing to carry out its Riders orders, as much as out of Hatred for Our Blessed Mother, the Priest then, still mounted on his horse, looked down at Our Blessed Mother who was still stretching Her Arms out to the Priest, gesturing the Priest to dismount the horse and Come to Her, and yet in spite of Witnessing this most Beautiful and Heavenly display of Motherly Love, the Priest then kicked Our Blessed Mother in Her Face forcing her to fall towards the ground, but somehow I managed to break Her Fall with my arms as I reached out with my arms as Our Blessed Mother began to fall on the impact of the Priest's Brutal and Heartless actions.

Then I could See the Priest turning his horse around to ride away from the Cross and as he did so, he turned to Our Blessed Lord, and with one Final look of Hatred in his eyes, and with one Final act of Disrespect and Humiliation, the Priest Spat into the Sacred Face of Our Blessed Lord, with the Spittle dribbling down from just below His Right eye, now bulging and bruised from the earlier Beating that Our Blessed Lord was subjected to at the hands of this Priest, dribbling all the way down His Sacred Face until it finally reached His Beard where it mingled in with the Sacred Blood that had found its way down to His Beard from the multitude of Wounds on and about His Sacred Head and Face.

Then as the Priest joined the Posse of Priests that during this Horrifying demonstration of Hatred, Vitriol and Disrespect, were assembled a few meters behind Our Blessed Mother and I at the Foot of the Cross, I could

then Hear the entire Cohort, Whistling and Jeering at Our Blessed Lord as they all rode away behind Our Blessed Lord's Cross, and into the distance and towards, where I could now See the Wide Road leading to Eternal Damnation, that I had first Witnessed, as described in Message (No. 44) An Easy Road or Difficult Path.

Then as I could See the Posse of Priests join the Multitude on this Wide Road, but way into the distance behind Our Blessed Lord's Cross, and then I Saw Our Blessed Lord lift His Sacred Head skyward looking into the Darkness of the Sky with the most Heartbreaking look of Sadness and Abandonment in His Tear Filled eyes and with a voice that was choked with emotion, reflecting the emotions that were quite visible in His Eyes, Our Blessed Lord began saying;

„My Dear Heavenly Father, Why have they Abandoned Me?

Why have they Abandoned their Heavenly Mother?

Can they not See the Love that I have for them?

Can they not See how their Heavenly Mother reaches out with so much Love for them in Her Immaculate Heart?

If I should have Offended them, then how have I done so?

Can they not See that it is Your Love, Oh Heavenly Father, that I wish for them to receive?

Then having poured out His Soul to The Heavenly Father, Our Blessed Lord turned with immense Sadness to Our Blessed Mother who in turn looked at Our Blessed Lord, Her Beloved Son, with a totally Broken and Shattered Heart, but with a look of almost Helplessness as quite clearly Our Blessed Mother was Aching in Her Immaculate Heart to take away the Pain that Our Blessed Lord was feeling in His own Shattered Sacred Heart, whilst at the same time Our Blessed Lord was so desperately wanting to take away the Deep Pain from Our Blessed Mother's Oh so Wounded Immaculate Heart, a deeply Painful emotion that I have been Both Witness to and Shared in so often now, and yet am still unable to come to terms with, whenever I am called upon to Share and Witness in. Then after a short while I could See Our Blessed Lord again lift His Head Skyward, and as He did so I could all of a sudden See the Sky light up with a Huge Bolt of Lightning, so bright that the entire Hill on which Our Blessed Lord's Cross was Mounted and the entire Backdrop way into the Horizon was clearly visible, clearly showing up a number of Dirt Roads and Tracks that were winding their way into the distance from behind Our Blessed Lord's Cross, and with a scattering of Lime Block buildings also being made visible in the distance from the Light emanating from this Bolt of Lightning.

The Light was so Bright that I could now so clearly See the extent of the Horrific Wounds and Injuries inflicted on Our Blessed Lord from the Barbaric Brutality that Our Blessed Lord had been subjected to, where every wound, every puncture mark on His Sacred Body, and even the minutest marks of Excoriation was clearly Visible in a level of Horrifying and

shown True Contrition for their Sins, that this Most Beautiful Mystery can and does take place.

This Most Beautiful Mystery and Transformation that you have been Witness to today, was that of the Sacred Heart of Trinity, Representing the Full Glory of My Beloved Son, Jesus Sacred Heart as it so Lovingly Exists in the Heavenly Kingdom of God.

Through this Sacred Transformation you were Witness to My Beloved Sons Heavenly Forgiveness and Heavenly Love, Radiating from the very Scars left by the Sins of Mankind on My Beloved Son's Sacred Heart, but within the Mystery of the Sacred Heart of Trinity.

The Magnificence, Beauty and Mystery, were Illustrated, as you were Witness to, My Dear Faithful Son, by the Tri-Coloured Beams of Light.

Within this Mystery of The Sacred Heart of Trinity, the Rays of Light bordered by the Golden Yellow coloured border, Represents The Sacred Heart of Faith of My Beloved Son, Jesus.

The Rays of Light bordered by the Silver Grey coloured border, Represents The Sacred Heart of Hope of My Beloved Son Jesus.

Finally, the Rays of Light bordered by the Sky Blue coloured border, Represents The Sacred Heart of Love and Charity of My Beloved Son, Jesus.

Then to complete the Glory of the Mystery of My Beloved Son, Jesus Sacred Heart of Trinity, you were Witness to the 5 Balls of Light, with once again, the same Coloured borders as with the Tri-Coloured Beams of light, to Illustrate to you My Dear Faithful Son, how All 3 Sacred Hearts, that is The Sacred Heart of Faith, The Sacred Heart of Hope and The Sacred Heart of Love and Charity, are Combined within the One Sacred Heart of My beloved Son, Jesus, much like the Sacred Mystery of the Blessed Trinity of The Father, The Son and The Holy Spirit.

Then, My Dear Faithful Son, to Illustrate to you the True Power and Heavenly Glory of The Sacred Heart of Trinity of My Beloved Son, Jesus, He bestowed upon you the Graces that flow from His Sacred Heart of Trinity, as He Passes down into your Soul His Heavenly Forgiveness for your Demonstration of True Contrition for your Sins.

It is these very same Graces that My Beloved Son, Jesus, so much wants to Pass down into the Souls of All My Children on earth, from His Sacred Heart of Trinity, when they too Demonstrate True Contrition for their Sins.

Finally, My Dear Faithful Son, you were Witness to the Transformation of the Crown of Thorns atop My Beloved Son's Sacred Heart, being replaced with a Golden Rosary Crown Representing His Glorious Resurrection and His Crowning Victory over Death and Sin, thereby providing each and every one of My Children on earth with Heavenly Hope for their own Glorious Resurrection and Eternal Salvation at the end of their Journey of life on this earth.

ous Transformation, were being Engulfed by the Tri-Coloured Beams of Light emanating from the Eucharistic Host upon which, in turn, was Superimposed the Wonderful Image of Our Blessed Lord's Sacred Heart, as described above, which in turn Transferred the most Wonderful Feelings of what I could only describe as Heavenly Emotions, throughout my entire being.

My Dear Brothers and Sisters in Christ, as has been the case on Previous occasions, when I have been so Privileged and Blessed in Receiving these most Beautiful Feelings of Heavenly Emotions either from Our Blessed Mother or, as on this occasion, by Our Blessed Lord, I simply cannot find the words to adequately describe these Feelings in a way that can really do justice to the Magnificence or Beauty of them.

For this reason I ask you to forgive me for having failed once again, on this latest occasion, to adequately describe these most Wonderful of Feelings.

Then after what seemed like only a few short minutes, today's Visual Image came to its conclusion, whereupon I lifted myself up from the ground and proceeded to complete my Stations of the Cross for the day, but also leaving me in total Awe and Wonder over this Most Magnificent Experience.

Later on in the evening of the same day, whilst Praying to Our Blessed Mother and Meditating on the Visual Image from earlier on in the afternoon, this during My Bush exercises for the day, Our Blessed Mother Came to me with yet another Message just as I was approaching the Rock of Hope and Sorrow.

This is what Our Blessed Mother said to me;

„My Dear Faithful Son, today, during your Devotion to My Beloved Son, Jesus, as you accompanied Me, your Heavenly Mother along The Road to Calvary, you were Called to Witness two very Special Events.

Firstly, you were Witness to How My beloved Son's, Sacred Heart has been and still is being Pierced by the Thorns of Sin, the Sins of Mankind, My Children on earth, and how these Sins cause so much of My Beloved Son, Jesus Precious Blood to be Spilled for Mankind, just as He had to Endure on The Cross for the Salvation of Mankind, some 2000 years ago, and still Endures to this very day as Mankind continues to Sin against Him every day.

Then you were Witness to a Most Beautiful Mystery of the Transformation of My Beloved Son, Jesus Sacred Heart from the Pain and Suffering inflicted on Him through those Dreadful Sins Committed against Him by Mankind, to the Glorification of His Sacred Heart at the Point of His Glorious Resurrection.

It is because of, and through My Beloved Son, Jesus Love for Mankind, and that of His Heavenly Father's Love for My Beloved Son, Jesus, as well as for Mankind, and through My Beloved Son's Heavenly and Divine Mercy and Heavenly Forgiveness for those Children of Mine that have

Stomach Churning detail that had hitherto not been made so Graphically Visible to me in previous Visual Images, as the very nature of these Visual Images have on previous occasions, been shown to me in the Murkiness of the Darkness in which Our Blessed Lord had been Crucified, some 2000 Years ago.

Then hardly had I been able to take in the extent of the Graphic Horror of Our Blessed Lord's Physical Injuries, when I could See this same Bolt of Lightning crash down onto the Wide Road that was even more clearly Visible in the Light emanating from this Bolt of Lightning, and as it did so I could See the Wide Road being Split across the Width of the Road leaving a Deep Chasm at the point of impact, and with Multitudes of people on either side of this Chasm, including the Posse of Priests that had earlier been at the Cross of Our Blessed Lord, who by now had reached the Multitudes walking and dancing amongst them, along this Wide Road.

Then in almost an instant I could See Bubbling up from this Chasm a Fiery and Bubbling Fermentation which looked much like Volcanic Lava, but as it was slowly making its way up from the depths of this Chasm it was Bubbling much like Bubbling Mud does, in those parts of the world where Bubbling Mud Pools exist.

Then I could See this Bubbling Fermentation reach the top of the Chasm and spill out onto the Road on either side of the Chasm, and as it did so I could See it Engulfing and Consuming everyone and everything in its path including the Posse of Priests, and as it did so I could both See and Hear in Graphic detail the Horrific demise of these people being Consumed by this Bubbling Fermentation.

My Dear Brothers and Sisters in Christ, I could barely contain the Horror of my emotions at Witnessing even more Horror in this same Visual Image, as I was now Witnessing another Tragic Horror unfolding, as I could See in Graphic detail these people being Slowly and Torturously Consumed by this Bubbling Fermentation, and where I could See the Skin on their bodies slowly and Agonizingly Peeling off and then dissolving in the Heat of the Flames of the Fermentation followed by the underlying Flesh, with the Resultant Terrifying and Penetrating Screams of Pain as the Agonizing process of Consumption by this Fermentation continued on relentlessly, to its Diabolical conclusion.

As the Fermentation reached into the interior organs of these people I could See them Exploding, as the fluids contained within them finally gave in to the Heat of the Fermentation, and similarly I could See the eyes of some of the people Explode out of their sockets, for the same reasons.

My Dear Faithful Brothers and Sisters in Christ, it is not my intention to unduly and unnecessarily shock anyone by revealing the details of what I had been Witness to, but instead to reveal to you what has been revealed to me, and to what I have been called to Witness, so that all of us

can be Testimony to the Heavenly Truth that Our Blessed Mother through these Visual Images and through Her Heavenly sent Messages, clearly wishes for All of us to know.

After some time of Witnessing this Horrifying and Diabolical event, everything behind Our Blessed Lord, including the Wide Road suddenly descended into a Depressing Darkness, and into an almost Eerie and Deadly Silence.

I could See nothing but Darkness Behind, Above and Around Our Blessed Lord, and in this Darkness I could now barely See Our Blessed Lord's Sacred Face, but I was still able to See His Eyes as He Looked down at Our Blessed Mother and I, kneeling at the Foot of the Cross, Eyes that were Swelled up with Tears, but this time Tears of Immense Sadness, and as His Eyes caught sight of Our Blessed Mother's own Tear filled Eyes, that revealed Her own Deep Sadness, Our Blessed Lord slowly closed His Eyes, and slowly and almost seemingly Gently bowed His Head down, letting His Bearded Chin come to rest on His Excoriated Chest, as He let out one Final Breath as He gave up His Life. Then Our Blessed Mother took one final look at Her Beloved Son, now totally Silent and Perfectly Calm and Still, and then turned to me and Embraced me, as She so often has done at the end of previous Visual Images, and then, as She has also done a countless number of times at the conclusion of previous Visual Images, gave me Her most Special and Loving Blessings.

My Dear Brothers and Sisters in Christ, at the conclusion of this day's Visual Image, I lay on the ground, completely Physically and Emotionally drained, unable for some time to even move, but moreover I was left immensely Disturbed, and even somewhat Confused by what I had just been Witness to, in this Day's Visual Image.

So deep was the impression that this most Disturbing Visual Image had left on me, that I could barely focus on completing this day's Stations of the Cross, but with the help of Our Blessed Mother I did indeed complete the Stations, but still extremely emotional and distraught.

Having finally completed the Stations of the Cross for the day, I simply could not bring myself to go straight home but instead felt both compelled and indeed a sense of strong desire to stay in the Bush, together with Our Blessed Mother, both for Her comfort for My now obviously Disturbed State, and also in Hope that Our Blessed Mother would Choose to Come to me, and more in this Hope, than in Expectation, and offer me some kind of Explanation and Clarification of what I had been called to Witness in today's Visual Image.

Then after several hours of walking in the Bush offering up one Rosary after another on the way, until eventually night began to fall, Our Blessed Mother did indeed Come to me, saying;

Replaced by, what I could See looked like Large Oval shaped and Crimson in colour Ruby's, about 6 inches or 150 millimetres in length, and about 2 inches or 50 millimetres in width, which in turn appeared to be holding the 4 Bands of Gold together, with each Band being spaced about one inch or about 25 millimetres apart.

However, as I was observing this Magnificent Golden Crown I was now getting Closer to the Image of Our Blessed Lord's Sacred Heart as if somehow I was Zooming in on the Image, and from this Closer Zoomed in view, it enabled me to See the top of the Heart, which in turn also allowed me to See the total Circumference of the top Band of the Crown. It was from this vantage point that I could see that there were a total of 5 Large Ruby's equidistant from each other, covering the Circumference of the Golden Crown which in turn was holding the Bands together to make the Crown complete.

Then from the front view of Our Blessed Lord's Sacred Heart I could also See that along each of the 4 Bands, and between each Ruby holding the Bands together, there was a row of 10 Small Diamonds each Glittering like small Stars in the Sky.

Then as I was taking in the Magnificence and Awe of this Beautiful Transformation as just described, the Image of Our Blessed Lord's Sacred Heart, again as just described, I could now See that the entire Image had become Superimposed on a Large Eucharistic Host which in turn covered the entire Chest of Our Blessed Lord, where the top of the Host was positioned just below Our Blessed Lord's Bearded Chin, and the bottom of the Host about level with His Navel, all the while with Our Blessed Lord still Hanging on the Cross.

However around the entire Perimeter of this Eucharistic Host there were the same Trio of Beams of Light Beaming outwards, just as from the Holes in the Heart, with the same colour scheme and sequence as in the Heart itself, giving the Host the same Appearance as the Host in the Monstrance when the Blessed Sacrament is being Exposed during the Adoration of the Blessed Sacrament.

Then I could See the Trio of Beams of Light with its Tri-Coloured Format, becoming Brighter and Brighter to such an extent that the Brightness of the Beams of Light totally obscured Our Blessed Lord's entire Body. However, from behind the Brightness of these Beams of Light I could See a Silhouette of the top of the Cross on which Our Blessed Lord was Hanging, together with the end of the Arms of the Cross, as well as the Foot of the Cross, but I could also See behind the Silhouette the Lights of the City of Perth, as if the Cross was positioned atop the Rock of Hope and Sorrow, where I have received many Messages from Our Blessed Mother.

Then, as I was trying to take in the Magnificence of this Most Glorious of Scenes, I could See that both Our Blessed Mother and I, who at this point were both kneeling at the Foot of the Cross looking up at this Glori-

The Thorns in the Crown were very long, rather like nails, about 4 inches or 100 millimetres in length, and with every Heartbeat, I could See the Thorns Digging Deeper and Deeper into the Walls of the Heart, causing even more Blood to Seep out from the Holes being Agonisingly Bored out by these Dreadful Thorns.

Then after what seemed like only a short period of time, I Saw the most Wonderful Transformation of this Agonising Scene, where Our Blessed Lord's Sacred Heart had now changed Totally and Completely, from a Heart of Immense Suffering, to that of a Heart of Wonderment and Glory. No longer was the Heart covered in His Sacred Blood, and no longer was there a Crown of Thorns sitting atop the Heart inflicting the Most Horrific Torture on Our Blessed Lord.

His Sacred Heart, had now changed in colour to a Pleasant and almost Soothing Light Cherry Red colour, and I could See that the Crown of Thorns had now been Replaced with a Magnificent Golden Crown, which unlike with the Crown of Thorns, was positioned Straight on top of the Heart, much like a Crown Positioned upon a Monarch's Head.

No longer was there Blood Seeping from the Holes Bored out by the Thorns, that were, however, still visible on this Transformed Image of Our Blessed Lord's Sacred Heart, but instead Emanating from the resultant Holes, were Beams of Light, but in a form that I have never before in my life witnessed.

From each Hole, there was a Trio of Beams, namely a group of Three Beams of Light, with each Ray of light in this Trio, being a Magnificent White in Brightness, but with each Ray having a different colour on the Outline or Perimeter of each Ray, with one Ray having a Golden Yellow Outline, then with the second Ray having a Silver Grey Outline, and with the third Ray to complete the Trio, having a Sky Blue coloured Outline. I can not even begin to adequately describe to you My Dear Brothers and Sisters in Christ, the True Magnificence of this Beautiful Scene that I was Witnessing, with Dozens of these Trios of Beams of Light, emanating from the Dozens of Holes made by the Crown of Thorns, all of which were positioned in the top half of Our Blessed Lord's Sacred Heart, and with all of these Beams of Light Spraying outwards and away from Our Blessed Lord's Sacred Heart.

Then I could also See at the Bottom of His Sacred Heart, 3 Balls of Light, shaped like a Candle Flame, which were sitting on the Surface of Our Blessed Lord's Sacred Heart, and which, just like with the Trio of Beams Emanating from the Holes in the top half of the Heart, also had the three individually coloured Outlines, with, from left to right, the first Ball of Light having the Golden Yellow Outline, the second having the Silver Grey Outline, and finally the third Ball of Light having the Sky Blue Outline. Then to add to the Beauty of this Transformation, the Crown of Thorns that had now been Replaced by a Magnificent Golden Crown, I could See, was itself made up of 4 Bands of Gold, but where the Thorns were

„My Dear Faithful Child, I, your Heavenly Mother, would firstly like to thank you for accompanying Me on My Beloved Son's Road to Calvary today.

I know full well, My Dear Faithful Child, how Disturbed and Distraught you are feeling, following your Vision today, but it was Oh so necessary for you to Witness the Gravity of the situation that has now evolved, as My Adversary Satan, continues to Tighten his Diabolical Grip not only on My Children throughout the World, but also within My Church.

I have on a number of occasions, My Dear Faithful Child reminded My Children throughout the world, through you and through other Messengers of mine throughout the World, of the Diabolical Plan of My Adversary, Satan, and that he has been for some time now, implementing his Diabolical Plan, but now he has so Tragically and so Sadly Infiltrated so Deeply into, and so Severely Wounded, Mother Church, having so successfully and Oh so Insidiously won the Minds, Hearts and Souls of so many of My Beloved Priests throughout the World.

My Adversary, Satan, through his Insidious nature of Lies and Deceit, has so successfully Blinded so many of My Beloved Priests throughout the World, that they are now totally Unaware of their Ensnarement by him, and even less aware of the fact that they are carrying out the very Will of My Adversary, Satan, and this My Dear Faithful Child, in place of the Will of The Heavenly Father.

Today, My Dear Faithful Child, so many of My Beloved Priests throughout the World, because of their Spiritual Blindness, have lost all their Respect, Love and Faith in My Beloved Son, who is also Their Heavenly King, Lord and Savior, choosing instead to treat him with total Disrespect, Irreverence and even in so many cases with Disdain and moreover with immense Hatred in their hearts.

My Dear Faithful Child, it is this level of Hatred and Disrespect displayed by some of My very own Beloved Priests throughout the World, towards My Beloved Son, that you were called to Witness to, in today's Vision, but most importantly also called to Share in with Me, your Heavenly Mother, and My Beloved Son, Jesus, your Heavenly Saviour, the Pain and Emotional Suffering that this level of Hatred and Disrespect imposes on Our Hearts.

My Dear Faithful Child, I have reminded you on a number of occasions, that it is only My Adversary Satan, that wishes the maximum of Pain and Suffering on Me, your Heavenly Mother, and the best way for him to achieve this, is for My Children to carry out his Will over that of the Will of The Heavenly Father.

Sadly, My Dear Faithful Child, in this, the very Carrying out of his Will, My Adversary, Satan, has most Tragically had Resounding Success, very much Aided and Abetted by so many of My Beloved Priests throughout the World, who through their own Spiritual Blindness have led

so many of My Children throughout the World, equally Blindly, along the Road to Eternal Damnation.

My Dear Faithful Child, I would like to once again remind you and All My Children throughout the World, that it is only Satan who wishes to Deny you and My Children throughout the world, Devotion in Prayer to My Beloved Son in the form of the many Devotions that have been made available to My Children by Mother Church.

It is only Satan who wishes to Deny you or any of My Children throughout the world, showing the Utmost Respect and Reverence to My Beloved Son, Jesus, and instead to treat My Beloved Son, Jesus, with Disdain and total Disrespect.

It is only Satan who wishes to Deny you or any of My Children throughout the World, Devotion to Me Your Heavenly Mother as well as the Heavenly Mother of your Lord and Saviour, the very Son of God, and instead to Ridicule those of My Children who through their own Faith are prepared to show their Love and Respect for Me, their Heavenly Mother. It is only Satan who wishes to Deny you or any of My Children throughout the World, the Graces and Love that My Beloved Son so much wishes to give to each and every Child of Mine throughout the World, from the Blessed Sacrament, particularly during the Adoration of that same Blessed Sacrament, by firstly not making My Beloved Son Readily and Easily available and Accessible throughout many of My Churches throughout the World, but instead downplaying the Utmost Importance of His very Presence as The Risen Lord in the Blessed Sacrament, and even worse in many instances even Denying His Very Presence as The Risen Lord in the Blessed Sacrament

It is only Satan who wishes to Deny the regular offering up of My Most Holy Rosary, that I have with so much Love given to My Children throughout the World, and the importance of and power of, that I have so often spoken about to my Children throughout the years and through many Messengers and Visionaries both past and present, and instead wishes to downplay the Significance, Power and even Relevance of My Most Holy Rosary, wishing instead, in many instances to diminish it into and down to, a level of Insignificance, and even Irrelevance to the Modern 21st Century World.

It is only Satan who wishes to Deny you or any of My Children throughout the World the Heavenly Truth that My Beloved Son, Jesus, came to Mankind with, sent By The Heavenly Father, as His only Son, as a Heavenly Messenger, and in Person, both as the Son of God as well as the Son of Man, with the very Words of God in the form of The Holy Scriptures, even showing Mankind how to Live the very Words of God, and instead wishes for you to Deny the Heavenly Truth, even to Changing the very Words of God to a more Palatable version to suit the modern Lifestyle of the 21st Century.

Then with this Our Blessed Mother concluded this Message, leaving me almost in Horror at the task ahead of me, as it was now so Clear to me, as I further Gazed over the City Lights and where it now became so obvious, how few in numbers were the Bright Lights and how Great was the Combined Areas of Darkness, compared with Combined Area of all the Areas of Light, being probably 90% of Darkness from my Visual Vantage point, as opposed to about 10% of the Areas of Light !

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 43 Sacred Heart of Trinity

My Dear Brothers and Sisters in Christ,

In the afternoon of the 18th June 2004, and during my Friday Stations of The Cross as requested of me by Our Blessed Mother, which I carried out, once again at the outdoor location at the Schönstatt Shrine in Armadale W.A., another extraordinary event took place, during the promised Visual Image at the 12th Station.

So once again, in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share this Beautiful experience with all of you, My Dear Brothers and Sisters in Christ.

It was towards the start of what has now become the Standard Image, as described in the Message The Agony of Christ (Message No. 17), at which point I was Witnessing and sharing with Our Blessed Lord in His Pain, as He Struggled in Absolute Agony with His Back being so Horrifically Excoriated by the Rough Surface of the Wood of the Cross, that all of a sudden, I Saw Our Blessed Lord's Sacred Chest Opened Up, thereby exposing His Most Sacred Heart.

His Heart, in the Shape and Form of a Genuine Human Heart, was at this point during the Visual Image a Dark Red in colour from the Blood that was covering the surface of the Heart, but had sitting on the Top of the Heart a Crown of Thorns, positioned at an angle of about 45°, much like one would wear a Sash over the Shoulder crossing a persons chest and flowing down to the waist.

In this Visual Image however, the Crown of Thorns was positioned in such a manner that it was at the top of the Heart from the Right of the Heart covering the Heart at the 45° angle, to approximately midway down the length of the Heart on the Left hand side.

„These Lights that you are now looking at, Represent, as I have just told you, the Lights of Faith of your Fellow Brothers and Sisters in Christ, but where the Bright Lights Represent those with much Strength in their Faith, of which, as you can See, there are but Few in numbers.

Those Lights that are less Bright and Diminishing in Brightness, Represent those whose Faith is Weaker, and Weakening still further for those, Represented by the Lights that are Diminishing even more in Brightness, which in turn are surrounded by Areas of Darkness, Representing those who most sadly have either Lost their Faith altogether, or those who have chosen to Reject the Sacred Offer of the Gift of Faith, continually being Offered to them, by The Heavenly Father.

But, there are many Lights that are Wavering among these Lights of Lesser Brightness, which Represent those whose Faith in turn is not only Weakening, but is also on the brink of being Extinguished, as a Candle Flame is Extinguished in the Breeze.

As you can See from this Visual Representation there are so Few Bright Lights and that so many of the Less Brighter Lights are Wavering, and to add to this, the Areas of Darkness far outstretch the Combined Area or Number of Lights, that is Bright Lights and Dimmer Lights Combined.

My Dear Son, it is through this Visual Representation, that I, your Heavenly Mother, am showing you just how much work is ahead of you and All My Messengers on earth, in your Mission in notifying those My Children of Mine, who do not yet have either My Beloved Son's Love in their hearts or that of My own Love, of both the existence of this Heavenly Love and the Urgent Need for this Love for their own Eternal Salvation. There is an Urgent Need to firstly Strengthen the Faith of those whose Faiths are Wavering and then, to further Strengthen their Faiths together with those whose Faiths while Weak but not Wavering, in order that they too can become as Strong in their Faith as those Represented by the Brighter Lights, because as with the Bright Lights where the Light that shines over the surrounding Darkness will Ignite or Light up the Darkness, a person with Strong Faith in turn, can help Influence or Ignite the Light of Faith on those who do not have Faith, at this point in time.

The reality of what you can now See, My Dear Son, saddens Me, your Heavenly Mother so much, because it is a True Representation of the Grip that Satan has on Mankind today, as described in My Message, Satan's Control Over Mankind, a Grip which Satan is not only Intent on Strengthening, but in fact also Widening, as described in My Message, Satan's Diabolical Campaign.

Please remain Faithful in Me, your Heavenly Mother, and in My Beloved Son, Jesus, your Heavenly Brother, as you carry out your Mission on My behalf, and be mindful of the Urgency to so many of My Children on earth, but particularly to those who sadly Lack or are Lacking in Faith both in Me their Heavenly Mother and in My Beloved Son, Jesus, their Heavenly Brother, who Loves them so, so Dearly.”

It is only Satan who wishes to Deny you and My Children throughout the World Messages from Heaven, themselves being The Heavenly Truth and being Reminders of the very Words of God given to Mankind, by My Beloved Son, some 2000 years ago, but Messages given to you today, in Your Lifetime, and given by Me your Heavenly Mother, and also by My Beloved Son, Jesus, through My Chosen Messengers throughout the world, and instead would wish to Ridicule, Marginalize and bring into Disrepute, those whom I have Chosen and then Invited to carry out My Mission, and also those who through the strength of their own Faith choose to receive them in that Faith, both Faithful Clergy and Faithful Lay alike. My Dear Faithful Child, all of My Adversaries' Denials such as those that I have just outlined, are indeed his Will which are being carried out by so many of My Beloved Priests throughout the World today, and this in place of the Will of The Heavenly Father, but MOST, MOST Tragically in most cases without any awareness on their part, whatsoever.

My Dear Faithful Child, it is so much My wish of all of My Beloved Priests, all of whom I Love so Dearly, Stray and Faithful alike, to Lead their Flock, who are also My Children throughout the World, along the Pathway of the Heavenly Truth in the form of The Words of God, but as I have so often emphasized, As, they were Given to Mankind, by My Beloved Son, some 2000 years ago, and also to Lead their Flock by the same Example as had been shown by My Beloved Son, Jesus, when He walked among My Children, some 2000 years ago.

Instead, My Dear Faithful Child, so many of My Beloved Priests throughout the World, have, through the Insidiousness of My Adversary, Satan, allowed themselves to be Blinded to the Heavenly Truth, and instead continue to carry out the Will of My Adversary, Satan and Oh so Tragically are Leading so many of My Children along the very Path of Eternal Damnation, that they themselves tread, equally Blinded and Seduced by the Insidiousness of My Adversary, Satan, thereby again so Tragically, placing the Souls of those Children of Mine, together with their own Souls, in Mortal Danger.

My Dear Faithful Child, so many of My Children throughout the World along with many of My Beloved Priests throughout the World, have Darkened their Souls with Sin, and it is this very Darkness of their Souls that prevents them from Seeing what it is that they are doing to their Souls, in the same way as the Darkness that you Witnessed Descending around My Beloved Son in today's Vision which, as you were able to observe, almost prevented you from being able to you See My Beloved Son on His Cross.

If you My Dear Faithful Child would not to have been able to See My Beloved Son in your Visions, then how would you have been able to Recognize the Pain and Suffering that My Beloved Son Endures as a result of Sin, All Sin, much less be able to Share, together with Me, your Heavenly Mother, in that same Suffering?

It is in this way that so many of My Children throughout the World who have allowed themselves to be Seduced by the Insidiousness of My Adversary, Satan, are through this Blackness of their Souls Blinded, and are unable to See the Pain and Suffering that their Sins Inflict on My Beloved Son, Jesus, and then the ultimate Destruction of their own Souls that their Sins can cause.

But My Dear Faithful Child, if you or any of My Children were to allow The Heavenly Father's Light to Shine in your Soul, the source of this Heavenly Light being the Heavenly Truth in the very Words of God, but As Given to Mankind by My Beloved Son, Jesus, some 2000 years ago, then you will be able to See very clearly, the Horror of the Pain and Suffering that my Beloved Son Endures as a result of Sin, All Sin, much like how you were able to See so clearly, the Extent of the Injuries and Wounds on My Beloved Son's Body on the Cross in today's Vision, when the Sky was Lit up by the Bolt of Lightening.

So Tragically, My Dear Faithful Child, however, the Will of Satan has become so strongly adopted by so many of My Children throughout the World, including, most sadly, many of My Beloved Priests throughout the World, as a result of his ever Tightening Grip on Mankind, that My Adversary, Satan, has become so Bold as to Bring his own Domain into the Presence of the World today, and at a time when least expected, can and will release it, as you were Witness to, in today's Vision, as he Unleashed the Diabolical Power of his Domain from the Bowels of the earth and Engulfed the Souls of those Children of Mine, who by their own Choice, allowed themselves to be totally Seduced by My Adversary, Satan, with his Litany of Lies and Deceit, but moreover when his Diabolical Truth is finally Realized, it is Oh so Horribly Painful, as you have, My Dear Faithful Child, today been a Witness to, a Pain that will endure for those Poor Souls, for All Eternity.

My Dear Faithful Child, I ask you and My Faithful Children throughout the World, to Pray, Pray and Pray, but Pray in particular for All My Beloved Priests throughout the World, and especially for those who have allowed themselves to be Blinded by My Adversary, Satan, that they may allow themselves to Open their Hearts and Souls to My Love for them, as I Reach My Arms out to each and every one of them, because, I their Heavenly Mother, and their Matriarch within Mother Church, so much wishes for them to Want with the entire Strength of their Hearts, Minds and their Souls to be True and Faithful Earthly Representatives of My Beloved Son, Jesus, their Lord and Saviour, by being True and Faithful to their Professed Faith in their Priesthood, and for them to Lead All of their Respective Flocks to My Beloved Son, in the Truth of that Professed Faith

I, their Heavenly Mother, am always, even until their very Last Dying Breath, ready to welcome All of My Beloved Priests throughout the World, each and every one of them, and at any time during their Priestly

„My Dear Son, I have been waiting for you tonight at this Rock, in order that I can show you the extent of the Mission that you and All My Messengers throughout the world, have before them.

In recent months you have often stopped at night, to rest at this Rock and Pray to Me, your Heavenly Mother, during which I have sat down next to you in Prayer, and as you Prayed you would often Gaze at the Night Sky and look at the Lights in the distance overlooking your City of Perth.

Tonight, My Dear Son, I am Inviting you to Look at these Lights again, but this time with your Heart and Soul, because these Lights, will Reveal to you The Lights of Faith of you're your Fellow Brothers and Sisters in Christ, but together with this it will Reveal to you the Darkness of those who most sadly are Lacking in this most beautiful Gift of Faith that your Heavenly Father is continuously Offering All of My Children on earth. As you Look at the Lights tonight, take notice of the Brightness of these Lights, and how much Area of Darkness there is in between the Lights, but also take notice of how so many of the Lights are Wavering in the Dark of the Night, as if they were Candle Flames Wavering in the Breeze.”

So, as requested by Our Blessed Mother, I did at that point look more Closely at, or perhaps better described, more Intently, at something which I have observed many times over the past few months during my evening Bush exercises, namely the Lights of the City and nearby Suburbs at Night, whilst resting and Praying at this Rock of Hope and Sorrows.

However on this occasion, I could most definitely See the Lights in a completely different Prospective than before, and could quite Clearly See many of the Lights, particularly those in the Distance, Wavering as Our Blessed Mother described, almost as if they were Candle Flames that were on the Brink of being Extinguished in the Breeze of a Wind.

Of course this Visual effect of the Wavering Lights was in reality due to the Heat Haze from the Surface of the ground rising Skywards, but nonetheless, it was something that I had not Consciously observed before tonight, until Our Blessed Mother had pointed it out to me.

In addition, as pointed out to me by Our Blessed Mother, there were Lights of different Luminosity or Brightness, where some of the Lights were very Bright, such as the Floodlights in the Commercial areas of the City, but where most of the Lights were very much Dimmer such as the Street Lights of the Suburbs, which as Our Blessed Mother pointed out had Areas of Darkness around them, almost as if each individual Street Light was located in its own individual Area of Darkness.

Then as I was taking in this New Prospective of what really for me has been in past months a relatively regular Scene, Our Blessed Mother continued on with Her Message saying;

Then with the conclusion of this Message from Our Blessed Lord, the Visual Image continued on to its conclusion in the same way as the now Standard Visual Image, at the end of which I eventually lifted myself up from the ground, in order to complete today's Stations of the Cross, but feeling extremely Distraught and totally overcome with Emotion, in Hearing and Witnessing Our Blessed Lord Himself, in such a Distressful state. Today's Experience left me most Saddened and indeed most Ashamed of myself because of my own Sins, and because I Truly Love Our Blessed Lord and Truly do not wish to Offend Him and Hurt Him, as quite obviously I have and still do with my Sins.

The Shame that I feel within my Heart is so strong, because through this Message it is so clear to me how much Love Our Blessed Lord has not only for me, but for All of Mankind, which makes the Offence that Our Blessed Lord feels as a Result of my Sins so much Deeper and Intense.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 42 Light of Faith

My Dear Brothers and Sisters in Christ, In the evening of the 15th June 2004, and towards the end of my Bush exercises for the day, I took a rest, as I very often do during my Bush exercises, at the Rock which I have described in previous Messages as the Rock of Sorrows.

However, in light of the Wonderful and Enlightening Message from Our Blessed Lord during the Visual Image that I received on the 4th June 2004 as described in the Message Divine Mercy, I have now decided to rename this Location to what I now feel to be more a appropriate title of, The Rock of Hope and Sorrows.

It was here, at The Rock of Hope and Sorrows, where as I was resting and taking in the View of the night Skyline overlooking the City of Perth, that Our Blessed Mother once again Came to me with a Personal Message, which in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share with all of you My Dear Brothers and Sisters in Christ.

This is what Our Blessed Mother said to me;

Lives, when they Choose to turn to Me, and will always stand by their sides to Guide them and to assist them to carry out their Pastoral Duties in True Faith in the Heavenly Truth, towards their Respective Flocks, who are also My Children.

My Dear Faithful Child, Pray that All My Beloved Priests throughout the World, in Union with each other, as One Body in the One Church, will choose to carry out the Will of the Heavenly Father, in the Words of God that He gave to All of My Children throughout the World, when He sent His only Son, My Beloved Son, Jesus, with these very Words of God for All My Beloved Priests throughout the World, Past, Present and Future, to Preach them, and to Live them, by Living Example, because in this way the Will of Satan can be so easily overcome and his Diabolical Grip on Mankind so easily Loosened, when it is the Will of the Heavenly Father that not only Lives in the Hearts and Souls of My Children, but becomes a part of the very Lives of My Children in their Daily Living.

It is this Living Example that I so much wish for All of My Beloved Priests throughout the World, each and every one of them, to be carrying out, for All of their Flock to be Witness to, both in their Personal and Private Lives, as well as in their Priestly Lives, where they can be Seen not only in Leading the Holy Mass, but to be Seen Leading in Prayer, in All of the Devotions that Mother Church has made available to All of My Children throughout the World.

It is by actually Leading and Participating with My Faithful Children in Prayer, particularly in the Special Devotions of Prayer, such as Cenacles of Prayers, Benediction, Divine Mercy Devotions and Oh so importantly during Exposition and Adoration of The Blessed Sacrament, where My Beloved Son is Personally and Truly Present as The Risen Lord and waiting to Pour out His Love and Graces on each and everyone of My Children present, that My Faithful Beloved Priests throughout the World, who have Chosen to Lead their Flocks in these Special Devotions of Prayer, when doing so, are Maximizing the Strength of not only their own Faiths, but also the Faiths of very Faithful Children of Mine, whom they are Leading, during these Special Devotions of Prayer.

It is when My Faithful Beloved Priests throughout the World, Openly Demonstrate their own Faith in this most Visible of ways, that My Children throughout the World will themselves be Encouraged to follow suit, which in turn enables them to Enrich their own Souls with more and more Heavenly Graces, and by so doing, be able to gain a greater Resolve and greater Strength of Faith to help both Loosen the Grip of Satan, as well as to Repel his Relentless Diabolical Advances.

My Dear Faithful Child I ask you to continue in Faith in the Mission that I have set out for you and ask you to remain in Faith and Obedience not only to Me your Heavenly Mother, but to the Will of the Heavenly Father. Then at the conclusion of this most Intense Message, Our Blessed Mother gave me Her customary Blessings, leaving with so much to con-

template, though still very Disturbed by the Visual Image that I had received earlier in the day.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

Christmas Sorrow

My Dear Brothers and Sisters in Christ,
During the afternoon of the 3rd of December 2007, Our Blesséd Mother came to me Interiorly and invited me to meet Her at the Rock of Hope and Sorrow as She wished to pass onto me another very important message.

As today was the 4th Anniversary date of Our Blesséd Mother's first Visit to me, I Naturally assumed, and in all honesty and truth, more in expectation than in hope, that this Visit would be a Joyous occasion, so very much desired by myself, as it has been such a long time since I have been Blesséd with a Joyful occasion with Our Blesséd Mother.

On my arrival at the Rock of Hope and Sorrow that evening, I sat down on the Rock overlooking the City of Perth as Dusk was setting in, and waited for the arrival of Our Blesséd Mother.

After only a few moments, and as I was surveying the scene over the City and the lights that were by now beginning to get brighter as the darkness of night began to take hold, Our Blesséd Mother arrived, as She Appeared on the Rock Of Hope and Sorrow to the right of me, resplendent as usual in Her Apricot Coloured Gown and Canary coloured Sash around Her Waist, and the Sky Blue Coloured Veil, so clearly visible to me, in spite of the closing-in darkness of the evening.

Then as She always does when Our Blesséd Mother first arrives, She engulfed me with Her most Beautiful Heavenly Love, that as always, totally sets my Heart and whole being alight with a gentle and yet captivating warmth that seems to enter into every fibre of my body.

Then after a few overwhelmingly Beautiful moments of this Heavenly Love and Warmth, I could feel the most deep and intense Sorrow take over my entire body as well as my Heart, as the Beautiful Smile on Our Blesséd Mother's Heavenly Face was replaced by a Sadness deeper than I have ever Witnessed before.

It was absolutely clear to me that Our Blesséd Mother was in Deep Deep Anguish, as Her Beautiful Eyes began to moisten with tears, and as I too was beginning to be overcome with emotion, Our Blesséd Mother then

into the Church, both in Person as well as in Spirit, and then from these reducing numbers, so few Visiting Me at My Tabernacle, this feeling of Loneliness from this Abandonment, is tearing at My Heart causing it to Shed more and more Blood for All of Mankind, as it Renews all the Suffering that each Sin, each and every Sin inflicts on My Heart.

How many more Tears do I also have to Shed for My Beloved Mother's Children, as I in turn See My Beloved Mother Weeping at the Foot of My Cross, Weeping tears of Sorrow for Her Children on earth as She also Witnesses this Abandonment of Me.

My Dear Brother, please relay to as many of your Fellow Brothers and Sisters in Faith in Me, to follow the Example of My Beloved Mother, your Heavenly Mother, who all throughout My Passion did not for one Single Second Abandon Me, staying with Me, each and every Agonising step of the way along The Road to My Calvary, and Staying with Me at the Foot of My Cross to My very last Breath and beyond, never to Abandon Me, and has been doing so each and every day since, to the present day. It is only out of Love for each and every one of My Beloved Mother's Children, that My Soul so much Yearns for their company, and this in order that through this Love I have for them, I so much wish for them to Get to Know Me their Heavenly Brother more Intimately, and this in turn in order to Help them along the most Difficult Road that they Need to travel, during this Journey through life, to Reach their Eternal Salvation. I ask you in particular, My Dear Brother, to continue to be the Example that My Beloved Mother has been Showing in the past, continues to Show today, and will for all Eternity be Showing, in Staying Faithful to Me, and thereby enabling Me to Stay by your side, in order that your Fellow Brothers and Sisters in Faith in Me, too can enjoy My Heavenly company, as I Stay by their Sides, when in place of Abandonment of Me, they Accept Me and Welcome Me into their Lives and into their Hearts as you, My Dear Brother have been doing.

I, your Heavenly Brother, so much want to thank you for having kept My Beloved Mother company since Lent, while you have been carrying out your own Devotions to Me, as you have been Travelling The Road to Calvary.

It is this very Example of Non-Abandonment, but instead, Loving Devotion, that My Beloved Mother has been Showing, and which you are now Emulating, that so much pleases Me, and which I ask of you to remain Inviting others to follow.

Please continue with Love and Faith to accompany My Beloved Mother, every Friday and any other time during the week when you can, along The Road to My Calvary in order for Her not to be left to Travel the Road on Her own, and I ask of you to Pass on My Blessings in Gratitude to your Faithful Guests, who today and in weeks gone by have Chosen to accompany My Beloved Mother together with you, My Dear Brother, along The Road to My Calvary.”

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 41 Abandoning Christ

My Dear Brothers and Sisters in Christ,
In the afternoon of the 13th June 2004, during my Stations of the Cross for the day, again at the Outdoor Location at The Schönstatt Shrine in Armadale W.A., and during the Promised Visual Image at the 12th Station that Our Blessed Mother had brought down on me, Our Blessed Lord, once again from His Cross Spoke to me, but this time in an extremely Emotional and most Heartbroken voice.

Therefore in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone I would like to share this Message with you, My Dear Brothers and Sisters in Christ.

Today's Visual Image started off in the same way as what has now become the Standard Image as described in the Message The Agony of Christ (Message No. 17), where once again today I was Witness to the Most Horrific Pain and Suffering, as Our Blessed Lord Struggled in Total Agony on the Cross.

Then, at the point where Our Blessed Lord, from total Exhaustion, allowed His Blood Soaked and Wound Scarred Sacred Head to Drop to His Sacred Chest, Our Blessed Lord looked Down at Our Blessed Mother and I, as we were both kneeling at the Foot of the Cross, and began to Speak to me, and addressing me Our Blessed Lord said to me; „My Dear Brother, how much Blood do I have to Spill for Mankind and their Sins?

So many of My Beloved Mother's Children throughout the world, today and day by day are Abandoning Me, in much the same way as My Apostles did on the eve of My Crucifixion some 2000 years ago.

My Heart so much Aches for them, as I See them turning their backs on Me and the Love that I so much want them to Receive from Me, their Heavenly Brother.

I do not and will not Abandon them, as so many of them today are doing with Me, and I will never stop waiting for their arrival in Visiting Me at My Tabernacle, in their Churches throughout the world, in order to Talk to Me.

The Loneliness that I feel at My Tabernacle, as day by day and week by week I See fewer and fewer of My Beloved Mother's Children entering

began to speak with tears beginning to gently roll down Her most Beautiful Face and with a voice that seemed to me to have a gentle tremble in it, saying;

"My Dear Faithful Child, I Your Heavenly Mother thank you for accepting My Invitation to meet Me, at this very Special place today.

Today, My Immaculate Heart has so much joy for you, My Dear faithful Child, but is also filled with so much Sorrow and Sadness for the many Lost Children of Mine throughout Australia and many other parts of the World, who have not only Lost their way from My Beloved Son, Jesus, their Lord and Saviour, but have also Lost all Prospective of the very meaning of the Birth of My Beloved Son, Jesus for this coming Christmas.

My Dear Faithful Child, Oh so sadly and Oh so Tragically, Christmas has been reduced to a Gluttony of Personal Pleasure, Worldly Goods and Self Gratifying Entertainment by Oh so many of My Children throughout Australia and many other parts of the World, whilst many others will be Forgotten, Abandoned and left to Suffer through the Selfishness, Ingratitude and Total Indifference displayed and shown by many others.

Oh My Dear Faithful Child, it grieves Me, Your Heavenly Mother so much that so many of My Children throughout Australia and many other parts of the World, have forgotten the very words of My Beloved Son Jesus, 'What you do to the Least of My Brothers, that is what you do unto Me.' And this Ill-treatment of these Poor Children-of Mine cause Oh so much Anguish and Suffering to My Beloved Son, Jesus.

My Dear Faithful Child, your most Sorrowful and Heavenly Mother Invites you from today onwards, to share in My Sorrow and Suffering by joining Me, your Heavenly Mother in the most important of Sacrifices or Fasting of an food and Alcoholic Drinks, to help the Suffering Children of Mine during this Christmas Period.

During this period of Fasting, as in the past, My Beloved Son, Jesus, will Sustain you in Body and in Soul when you receive Him in The Blesséd Sacrament at Holy Communion, but you can partake in all non-alcoholic fluids, and I Your Heavenly Mother, as I have done in the past, will Tend to your Health.

Again, as in the past you may ask others to pray for you to give you Strength to repel the Many Temptations that My Adversary Satan will place before you to break this Most Important of Fasts, Prayers, My Dear Faithful Child that I, your Heavenly Mother, will, as always, answer and respond to.

Starting from today and over the next 7 days, I Your Heavenly Mother Invite you to Meditate on My Seven Sorrows as you offer up your Sacrifice for My Suffering Children for and during this coming Christmas.

Today My Dear Faithful Child, you have entered into the Advent of the Period of Childhood of your Personal Faith, and as you enter into this Period, as from Today, I, Your Heavenly Mother implore you to never

Evict Me, Your Heavenly Mother, from your Heart as My Adversary, Satan is about to Unleash a most Diabolical attack on you where he will attempt to turn you away from Me, your Heavenly Mother, and from My Beloved Son, Jesus.

Your Faith, My Dear Faithful Child, will undergo its most Severest test, and you, My Dear Faithful Child will be subject to immense Suffering, which as long as you remain in Faith in Me, your Heavenly Mother, and remain in Total Faith in My Beloved Son, Jesus, your Heavenly Brother and Saviour, you will, My Dear Faithful Child be able to overcome and endure.

Please remain Vigilant, Courageous and most importantly Strong in your Faith, even when you inevitably will feel weak and under attack.

I, your Heavenly Mother Love you Oh so Dearly and just as with all of My Chosen Faithful Messengers throughout the World, I ask you to remain Close to Me your Heavenly Mother and to My Most Holy Rosary."

Upon receiving this most Sorrowful and Heartfelt Message, my own Heart sunk to a low and deep sense of Grief, and as I was experiencing this deep sense of Sorrow I suddenly began to feel a gentle Warmth emanating from Our Blesséd Mother's Immaculate Heart belying the Teary and Sorrowful expression in Her Loving Eyes and on Her Beautiful Face, as she again began to speak to me, this Time to pass on a most Beautiful Message for one of Her Beloved Priests here in Perth.

As this Message is very Personal, out of respect to the this most wonderful and Faithful Priest of Our Blesséd Mother's, I feel it would be inappropriate for me to share this Message with you My Dear Brothers and Sisters in Christ, unless and until the Priest concerned would give his consent.

Suffice it to say that it was most appropriately Heavenly Blesséd and Beautiful, and in my humble opinion so much deserved.

May God Bless You all, My Dear Faithful Brothers and Sisters in Christ, and may Our Blesséd Mother's Blessings touch or have touched your Hearts during this most Wonderful and Sacred of Feasts "The Birth Of Our Lord and Saviour, Jesus Christ".

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me O Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blesséd Son, Jesus Christ.

My Dear Brothers and Sisters in Christ, Seeing this Elderly Lady, this one Solitary Soul among the hundreds present in the Mall, struggling as she did, to reach the Cross to Pay her Respects to Our Blessed Lord, simply caused me to break down and Cry.

Then as I was trying to absorb this Beautiful Scene, with this Elderly Lady, together with Our Blessed Mother, paying Homage to Our Blessed Lord, the Sacred Scene, that is the Blood Soaked Cross with Our Blessed Lord hanging on it and Our Blessed Mother kneeling at the foot of the Cross looking up at Our Blessed Lord, but once again on Her own, was now suddenly Transferred, or more accurately Located, in the Centre of the Driveway of the Grounds of St. Mary's Cathedral in Perth WA, at the Back end of the Cathedral Building, Midway between the Building itself and the Wrought Iron Gate Entrance.

Once again as with the two previous Locations in the Display Window in the Mall, and the Mall itself, many, many scores of People both from those entering into the Cathedral Grounds from the Wrought Iron Gates, some of whom were even entering into the Cathedral itself, and those who were either coming out of the Cathedral or simply walking through the Grounds, but out towards the Wrought Iron Gates, walked right passed or around the Sacred Scene totally Ignoring Our Blessed Lord with Indignant Indifference, and some, like in the Mall, Scowling angrily, with a sense of annoyance from the Inconvenience of having to walk around, what clearly they felt was an unnecessary Obstacle so Inconveniently and Thoughtlessly placed in their path.

But this time, unlike in the Mall, where there was only one Solitary Soul that made the effort to Acknowledge Our Blessed Lord, here in the Cathedral Grounds I Witnessed a total of 5 People, from the many, many scores of People that entered into or passed through, the Cathedral Grounds, that were prepared to Acknowledge the presence of Our Blessed Lord, and kneel down at the Foot of the Cross with Our Blessed Mother, and Pay Homage to Our Heavenly Saviour.

Among this pitifully small number of 5 people, were an elderly couple who came together, a young Mother with a toddler in a pram, and the fifth and last Person to Acknowledge Our Blessed Lord, was a middle aged man that may have been a business man, as he wearing a Suite and carrying a brief case, who on coming out from the Cathedral, saw the Sacred Scene and immediately headed straight towards it.

Then at this point the Visual Image concluded, leaving me most, most Saddened and Disturbed in Witnessing what clearly showed me, was exactly how few of us not only do not or could not be bothered to Pay Homage to Our Blessed Lord, choosing instead to Ignore Christ, but far more Tragic even than that, how few of us even Recognise His very Presence.

of Frustration, a sense of Shame and dare I say it, a sense of Disgust at those people that walked passed the Display Window with a manner of what seemed like total Indifference towards Our Blessed Lord, but most definitely an attitude of total Disrespect towards Our Blessed Lord as they all and one Ignored His very Presence.

Then, hardly having taken in what I had just Seen and Witnessed, the entire Sacred Scene, namely the Blood Soaked Cross with Our Blessed Lord still Hanging on it, and with Our Blessed Mother kneeling at the Foot of the Cross looking up at Him, was now all of sudden Located in the Centre of a Mall, which very much looked like the Hay Street Mall in Central Perth, W. A.

Once again I could See many, many scores of People walk by passed the Cross, many even walking around the Cross as it was located in their Path, but with each and every one totally Ignoring the Sacred Scene as if it wasn't even there.

But then as if that wasn't bad enough or Disrespectful enough, I even Witnessed a few People who were walking in the direction of the Sacred Scene, where it was clearly in their Path, and as they hurriedly walked around the Cross, they Scowled and Whinged as they Glanced in Anger at the Cross, whilst they were hurriedly walking around it, muttering out aloud;

„What Idiot put that Obstacle in our way?“

I cannot tell you My Dear Brothers and Sisters in Christ, how much this Blatant and Blasphemous display of Total and Complete Disrespect towards Our Blessed Lord had Offended me and Hurt me.

Eventually after what seemed like many long minutes of Witnessing what in turn seemed like hundreds of People, some carrying shopping bags and parcels, others carrying Brief cases, and yet others carrying Files under their arms, but all of them one by one, either walking past or walking around the Sacred Scene, but with not one of them, not a single Person stopping even for an instant to look at or observe the Sacred Scene, eventually I Saw one Elderly Lady, struggling along the Mall with a walking stick, trying desperately to avoid being knocked down by this Thoughtless and Uncaring Throng of People simply knocking and bumping into her and her walking stick, as they were hurriedly Bustling by, slowly but Determinedly this Elderly Lady headed in the direction of the Sacred Scene.

Then, having finally arrived at the Cross, through this Uncaring Crowd, I could See this Elderly Lady, struggle down onto her knees with the aid of her walking stick, and with a set of Rosary Beads in hand, knelt next to Our Blessed Mother, who upon Seeing her, helped to Prop up the Elderly Lady, offering her support for her quite obviously Frail body, as they both knelt and Prayed together to Our Blessed Lord, while at the same time, both together, looking up at Our Blessed Lord, as He Hung on the Blood Soaked Cross.

World Youth Day Message

My Dear Brothers and Sisters in Christ,

In the early hours of Saturday 12th July 2008, **“Our Blessed Mother”** came to me in my sleep and **“Invited”** me to meet Her at the **“Rock of Hope and Sorrow”** in the Bush that afternoon, as She wished to pass onto me a very important message.

So as requested of me by **“Our Blessed Mother”**, I made my way to the **“Rock of Hope and Sorrow”**, and as soon as I arrived, I sat down on the **“Rock”**, and as I did so, **“Our Blessed Mother”** Appeared to me, Resplendent as usual in Her *Apricot* coloured gown, with the *Canary* coloured Sash around Her *Waist*, and wearing the *Sky Blue* coloured Veil over Her *Head*, covering up most of Her *Hair*.

As I stood up to receive Her Heavenly *Embrace*, I could, as always, feel the Joy in Her Immaculate Heart for me, but at the same time could sense a Deep, Deep Sadness in Her Immaculate Heart that so Starkly matched the Sadness in Her Tear Filled *Eyes*.

After we *Embraced*, **“Our Blessed Mother”** invited me to sit down on the **“Rock”** next to Her facing towards the City of Perth, then turning to me, still very Tearful, **“Our Blessed Mother”** began speaking to me, saying;

“My Dear Faithful Child, I Your Heavenly Mother, thank you for responding to My ‘Invitation’ this morning, for you to meet Me here today.

I have ‘Invited’ you here today, for I have a very important Message for All of My Dearly Belovéd Priests and Young Children of Mine from Australia and those gathering from many parts of the world, together My Belovéd Priest, the German Successor to Peter, in the City of Sydney (in Australia) over the next week.

My Dearly Belovéd Priests and Young Children of Mine, My Heart, the Immaculate Heart of your Heavenly Mother, is Oh so heavy with sadness, as I ‘Witness’, even at this the preparation stages of the planned coming events, how so many of you, Clergy and Lay alike, have lost all focus on the ‘Heavenly Willed’ meaning and purpose of this most ‘Sacred Gift’ of ‘Pilgrimage and Meditation’, on My Belovéd Son, your Heavenly Saviour and King, Jesus, who will, out of the immense love that He has in His ‘Sacred Heart’, for each and every one of you, will be ‘Personally’ Present, together with Me, Your Heavenly Mother, as I have already revealed to, My Faithful Child through whom I have chosen to send this Message.

My Belovéd Son, Jesus, will be Present on the very Cross, The World Youth Cross, that has journeyed across the World and across your country of Australia, and for the entire Six days of the planned events, and I your Heavenly Mother will be beside this same Cross, keeping your Heavenly Saviour and King, company, and in the Presence of each and every one you, again as I have already revealed to My Faithful Child through whom I have chosen to send this Message to All of you, who choose to Receive it.

*My Belovéd Son, Jesus, will continue to offer up His **'Suffering'** on this very Cross, The World Youth Cross, and this again out of the Immense Love, Compassion and Mercy that resides in His Most **'Sacred Heart'** for each and every one of you, My Dearly Belovéd Priests and Young Children that will be present over those six days in Sydney.*

*My Belovéd Son, Jesus, will, by this very **'Sacred'** act be showing, his own **'Example'**, an **'Example'** for each and every one of you Present in Sydney to be able to follow, should you choose to do so, how it is that you can, each and every one you, Clergy and Lay alike, reach your own **'Eternal Salvation'**, at which point, and **only** at which point, you will enjoy **'Eternal Joy and Happiness'**, a **'Joy and Happiness'** which is also **'Divine'** by its Heavenly Nature.*

*My Dearly Belovéd Priests and Youth of Australia and the world, whilst I am very pleased that there will be those among you that will be present, solely in Spirit, Heart and Soul, together with My Belovéd Son, Jesus, and I your Heavenly Mother, over the six days in Sydney, it nevertheless breaks My Immaculate Heart, that so many of you, and in such large numbers, will be gathering not for the purpose of **'Heavenly Spirit and Joy'**, but for the purpose of **'Earthy'** Joy and Happiness in an atmosphere of **'Temporal Partying'**.*

*My Dear Children, Clergy and Lay alike, this **'Temporal Partying'** is designed **solely** to give pleasure to the **'Bodily and Earthly'** Senses, and thereby is detached from the **'Spiritual'** Senses and the very Soul itself, and which because of its **'Earthy'** nature, unlike that of **'Heavenly Joy and Happiness'** which by contrast is **'Divine'** by nature, can only ever be **'Temporary'**.*

*It Saddens Me, your Heavenly Mother that the Instructions that I had left with My Faithful Priest and Past Successor to Peter, My Belovéd Polish Shepherd, are being **'Altered'** and will be **'Largely Ignored'** by so many of you, My Dearly Belovéd Priests, over the coming six days, as you gather in Sydney, with so many of the Youth, My young Children, from all over the world.*

*My Dearly Belovéd Priests and Youth of the world, it breaks My Immaculate Heart when I **'See'** this **'Gift'** of the Gathering of the Youth of the World, which had been given as a **'Heavenly Invitation'** to the Youth of*

Pray for me, o Holy Mother of God, that I, your Humble Servant, will come out v requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 40 Ignoring Christ

My Dear Brothers and Sisters in Christ,

In the afternoon of 11th June 2004, and at the 12th Station of The Stations of the Cross at the Schönstatt's Outdoor Stations in Armadale, W.A., for this Friday, a Devotion that I have been Invited by Our Blessed Mother to carry out for each Friday, Our Blessed Mother Revealed to me during the Promised Visual Image, some additional Images, that I found most Upsetting, if not even Disturbing to me.

The Visual Image started out with what I have previously described as what has now become the Standard Image, as described in the Message The Agony Of Christ, to the point where at the end of the Visual Image at which point Our Blessed Mother had released the Foot of the Cross, I could See Her kneeling at the Foot of the Cross on Her own, still totally covered in Blood from the Blood Soaked Cross itself, looking up at Her Beloved Son, Jesus Christ, Our Heavenly Saviour.

Then as I was focusing on Our Blessed Mother looking up at Her Beloved Son, all of a sudden I noticed that the entire Scene, namely Jesus Christ hanging on the Blood Soaked Cross with Our Blessed Mother kneeling at the Foot of the Cross, was no longer on Calvary, but was in fact at this moment in time, behind a Shop Window in fact a Display Window of what appeared to be from a Large Department Store, such as one would see in a Large City Mall, such as the Mall in the Centre of the City of Perth.

Momentarily, I was utterly Confused, if not even Bemused, because it all seemed to be so Surreal, but then I could See many People, mainly shoppers carrying shopping bags packed with various items of shopping, walking past this Display Window which was Displaying Our Blessed Lord on the Cross, with Our Blessed Mother kneeling at the Foot of the Cross looking up at Our Blessed Lord.

I would have Seen many Scores of People walking by, as there were what seemed like hundreds of People in the general vicinity.

However, even with such a large number of People about, many of whom were walking by past the Display Window, most of them totally Ignored this Sacred and Holy Display, as if it wasn't even there, with no more than 5 or 6 People even bothering to Glance in the Display Window as they walked by, but not even stopping for a Single Moment to take in the Sacred and Holy Display, as they were walking by.

Then as I was Witnessing everyone, one by one walking by passed this Display Window, I began to develop a sense of total Abandonment on behalf of Our Blessed Lord and Our Blessed Mother, and even a sense

I just cannot describe with any amount of accuracy, My Dear Brothers and Sisters in Christ, exactly what I was Feeling, but I can Most Definitely and with Total Accuracy say that I did not want that Moment to cease.

I can say with Total Accuracy that I did not want this Visual Image to ever cease, because I am absolutely Certain in My mind, that this Feeling, this Moment, was a Snippet of Divinity, in fact I would Venture, even Dare to say, it was a Snippet of Heaven itself, and I simply did not want to leave it, not for a Single Instant.

I could See that we were Embracing for what seemed like only a short time, although in reality, as I have mentioned before, I cannot really sense any reality of time itself, as I do in Realtime, during the course of any Visual Images, after which Our Blessed Mother and Our Blessed Lord without saying a word, released me from this, what I can only describe as Heavenly Embrace, and then They Both looked into my eyes with the Most Gentle, Caring and Loving expression on their Faces leaving me standing in front of Them, with my eyes swelled up with tears and choking up with emotion, at which point the Visual Image came to its conclusion.

Then with the completion of this Most Beautiful and Emotional Visual Image, and still laying Prostrate on the Floor, I was momentarily in a state of confusion, not actually being aware of where I was, because of the Powerful impact that this Visual Image had on me.

Then with my eyes streaming with Tears, I lifted Myself up from the Floor, and made my way to a Pew in the Church located close to the Tabernacle, and still in an extremely emotional state, proceeded to offer up a Rosary in Thanksgiving to Our Blessed Lord for having Honoured me with His Divine Presence in such a Wonderful way, Honouring me someone so Sinful and so, so Unworthy of such a Divine Honour.

Needless to say My Dear Brothers and Sisters in Christ, this experience and the Message that Our Blessed Lord gave me, had left me very much to Ponder and Meditate on, and has left such a Wonderful and indeed Beautiful impact on me that I know I shall carry with me for the rest of my life, and which in sharing with you My Dear Brothers and Sisters in Christ, I truly hope will also leave with each and every one you, who choose to Read this particular Message.

May God Bless you all.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

*the World, is being allowed to be so **'Distorted'** by Commercialism and further Pierces My Heart, when I **'See'** that this **'Distortion'** will be so freely reached by and to so many of My children throughout the world through all the forms of Media, thereby giving this **'Distortion'** a very real sense of **'Endorsement'** and **'Legitimacy'** in the minds and hearts of so many of My Children throughout the World, but more particularly the Youth of the World.*

*My Immaculate Heart is Oh so Heavy to be **'Witnessing'**, that both the **'Instructions'** and the **'Meaning'** of this **'Heavenly Invitation'**, namely that this was to be a **'Pilgrimage'** of total **'Prayer, Devotion and Spiritual Meditation'** for 24 Hours for each day of the duration of the gathering of My Dearly Belovéd Priests and Youth of the World, **'Meditating'** upon the **'Meaning'** of My Belovéd Sons **'Sacrifice'** to all of Humanity, Past, Present and Future, and the depth of **'Pain and Suffering'** that My Belovéd Son had to, and still endures, as a result of **'Sin'**, will be totally **'By-Passed'**, and go **'Totally Unnoticed'**, by most that will be present.*

*In Addition, the **'Meditation'** on the purpose and importance of **'Atonement'** of Sin itself, and how to make this all so important **'Atonement'**, and how with this **'Atonement'** for Sin combined with the **'Divine Mercy'** that My Belovéd Son has and does bestow on each and every one of My **'Repentant'** Children, how this will eventually lead each and every **'Repentant'** Child of Mine, Clergy and Lay, Youth and more Mature alike, to their Personal **'Eternal Salvation'**, at which point they will reach Eternal **'Heavenly Joy and Happiness'**, in the Heavenly Fathers Kingdom, this will also, most sadly go **'Totally Unnoticed'**, by most that will be present.*

*My Dearly Belovéd Priests and Youth of the World, I your Heavenly Mother am fully aware that there will be those among you who **Will** embrace this **'Heavenly Gift and Invitation'** so Lovingly presented to the whole of Mankind by My Belovéd Son through My Polish Pastor, as it was given to him, through Me, your Heavenly Mother and in the Spirit of total **'Selflessness'** and acknowledgement of your own individual **'Imperfections'**, which will enable you to experience, by your openness in Heart and Soul, and in your Heart and Soul, that very same **'Heavenly Joy and Happiness'** reserved for those already in the Heavenly Fathers Kingdom, and for all **'Eternity'**.*

*However, there will be so many of you who **Will Instead** be embracing the **'Worldly'** changed version where the **'Joy and Happiness'** that you will be searching for and experiencing, will be of an **'Earthly'** and **'Worldly'** nature, which can only manifest itself in your minds and your bodies and **not** your Hearts and Souls, thereby highlighting the Pleasure of the **'Self'**, and for the **'Self'**, and in so doing, deflecting you from the Focus, indeed total Focus, on My Belovéd Son, Jesus, who will be left*

'Abandoned' on the Cross, the World Youth Cross, in your very Presence, as I have also revealed to My Child through whom I am sending this very message.

*Oh My Dearly Belovéd Priests, can you not see that the Youth of the World look up to you for Spiritual Guidance and **'Example'** for them to follow?*

*My Dearly Belovéd Priests gathered in Sydney, I your Heavenly Mother ask each and every one of you, individually and personally, including My Dearly Belovéd High Priests, what **'Example'** are you showing My Youth gathered in Sydney?*

*My Dearly Belovéd Priests, I ask all of you, whom I Love so Dearly, each and every one of you to follow the **'Example'** of My Belovéd Son, Jesus, and the Heavenly Fathers **'Sacred Words'** in the **'Holy Scriptures'**, and to follow the **'Example'** of My Good and Faithful Belovéd Priests among you, who are already following My Belovéd Sons **'Example'**, so that you too, like My Faithful Belovéd Priests, can in turn, be the **'True Heavenly Example'** for My Children, more especially the Youth of the World, to follow.*

*Remember, My Dearly Belovéd Priests, the Vows of your Priesthood, and with the help of Me, your Heavenly Mother, be Courageous enough to be Faithful to and to Live by those **'Sacred'** Vows each and every day of your Priestly lives.*

*My Dear Youth of the World gathered in Sydney, I your Heavenly Mother, in turn ask you to seek out the **'Example'** of My Good Faithful Belovéd Priests, and make a resolve in your Hearts, to follow their **'Good Example'** which is the **'True Example'** of My Belovéd Son, Jesus, your Heavenly Brother and Saviour.*

*It is not an **'Easy Example'** to follow, but My Dear Children, it is that **'Example'**, indeed **'Heavenly Example'**, which the Heavenly Father sent My Belovéd Son, Jesus, to All of Mankind, Past, Present and Future with, some 2000 years ago along with the **'Words of God'**, and which if you make the choice to follow, will fill your Hearts and Souls with the Love and Graces so much needed for your Souls as Spiritual Nourishment, Love and Graces, which in turn, can only come from Heaven.*

*I, your Heavenly Mother, have already reminded you, My Dear Children, through previous Messages, that your lives, as young as they are for you the Youth of the World gathering in Sydney, is but a Journey towards your **'Eternal Salvation'**, but that this Oh so important Journey is not an **'Easy'** one, for any of you to undertake.*

For many of you, My Young Children of the World, your Personal Journeys have only just recently started and your Journeys will be particularly Arduous, largely because of the present times that you are living in, with

Her Black, though slightly Greying Hair, visible from beneath the Veil from the Sides and the Top.

Our Blessed Mother's Face was so Radiant with Her Olive coloured Skin so smooth, totally belying Her Middle years in age, without any wrinkles of note visible, and with Her Eyes, oh so youthful, as if She were in Her Late Teens, which made Her Appear, in terms of age, not much older than Her Beloved Son, Our Blessed Lord and Saviour, Jesus Christ. Then I could See Our Blessed Mother place Her Left Arm behind Her Beloved Son's Back and around His Waist and in so doing I could then See on the front of Her Gown and over Her Chest, an Image of Her Immaculate Heart with, just as was the case with Our Blessed Lord's Sacred Heart, a Crown of Thorns sitting on the Top of Our Blessed Mother's Immaculate Heart, and also a Long Scar covering the Length of Her Heart from the Top of the Heart to the Bottom of the Heart, and again as with Our Blessed Lord, a Single Drop of Blood sitting at the foot of the Scar. The Scars on the Images of Our Blessed Mother's Immaculate Heart, and on Our Blessed Lord's Sacred Heart were the Legacy of the Stabings that They both received as described in the Message The Hatred of Satan, both Images now visible to me as They stood side by side, Heavenly Mother and Heavenly Son on the Rock, which up until today I had referred to as the Rock of Sorrow.

Then, as I was trying to take in this most Magnificent Scene that I have tried to Describe, I could then See Our Blessed Lord still with His Right Arm around Our Blessed Mother's Shoulders, stretch out His Left Arm to me, and at the same time Our Blessed Mother still with Her Left Arm around the back of Our Blessed Lord's Waist, stretch out Her Right Arm to me, to beckon me to come to Them.

Then I could See myself responding to their Heavenly Invitation, and as I approached Them, with Them both still standing on the Rock, and with the City of Perth visible behind them in the background, both Our Blessed Mother and Our Blessed Lord were surrounded by the most Wonderful and Penetratingly White Aura which shone so Brightly around Them.

My Dear Brothers and Sisters in Christ, it was truly the Most Magnificent Sight one could ever imagine to lay eyes on, so Captivating, so Awe inspiring, so Magnetic in the sense of wanting so much to be Drawn to it, and here I was, almost beyond Belief, actually experiencing it, and then as I reached Them, both Our Blessed Mother and Our Blessed Lord placed their outstretched Arm around me, and I in turn placed one arm around Our Blessed Mother's Waist, and my other arm around Our Blessed Lord's Waist, Embracing Them both at the same time.

Then as we all three were Embraced, the Most Magnificent Feeling of Contentment, of Peace, of Tranquillity, of Calmness, of Joy, of Happiness, of Glory, of Love and of Emotions I simply cannot find words to describe, totally Engulfed me.

My Dear Brother you will often be called upon to carry out these Graces in the future, as you continue on with your Mission, and this as a result the Opposition that you will be facing, so therefore it is important for you to be aware of what to do in the face of Adversity.

Sadly you will be facing much Adversity, which is so strongly present as you can so clearly See from My Sacred Heart which Bears the Scar from the Wound inflicted on Me by My Shepherds that have and those that still do, Stray from Me and from the Words of God in the Holy Scriptures, that I gave to All of Mankind some 2000 years ago.

However, in spite of the obvious Hurt that this causes Me, your Heavenly Brother, My Scarred Sacred Heart still has so much Divine Mercy for those very same Shepherds that have inflicted that Dreadful Wound on My Sacred Heart, if they turn to Me, their Heavenly Brother, with True Contrition in their own hearts, as indeed it has for any of My Beloved Mother's Children on earth, and this whoever they may be, be they Lay or Clergy, and wherever they may be in the world.

I realise, My Dear Brother, that this is very hard for you to understand or comprehend, but this is a Heavenly Mystery which requires from you and All of Mankind Strong Faith to accept, and even Stronger Faith to adopt and carry out in Practice.

I ask of you My Dear Brother, to remain Strong in your own Faith, staying close to Me, your Heavenly Brother, and staying close to My Beloved Mother, in order that your Faith can remain Strong, and in fact in order that it may Strengthen even more."

Then at the completion of this Remarkable and Enlightening Message, I Saw Our Blessed Lord and I both get up from the Rock, with me stepping off the Rock, with Our Blessed Lord still standing on the Rock, but with me facing Him.

Then I Saw Our Blessed Lord stretch out His Right Arm away from His Side, as if to point out to someone to the Right of Him, and as He was doing so I could suddenly See that standing on the Rock next to Him, to the Right of Him, was Our Blessed Mother, and putting His Right Arm around the back of Our Blessed Mother's Shoulders, He turned and looked at me and said;

„My Dear Brother, this is your Heavenly Mother."

And then I could See Our Blessed Mother with the most Gentle and Loving smile, looking into my eyes with Her most Beautiful Blue Eyes, Radiating with so much Affection and Love for me.

My Dear Brothers and Sisters in Christ, once again I am lost for words feeling so inadequate and inept in trying to describe just how Beautiful Our Blessed Mother Appeared to me.

She was simply put, Radiant, wearing a Snow White Gown with a Canary coloured Sash style Belt around Her slim Waist, with a Sky Blue coloured Veil with a Gold coloured edging or trim about 15 millimetres or just a little over A inch in width, covering Her Head, with just a little bit of

the so many 'Diabolical Temptations' and Hurdles presented before you, both through 'Peer Pressure' and the Media, and so you will with utmost urgency need 'Divine' help with your personal Journeys, so it is Oh so important for you to gain a 'Spiritual Intimacy' with My Belovéd Son, Jesus.

It is for this reason, My Dear Youth of the World, that the Heavenly Father, through Me your Heavenly Mother, had instructed My Belovéd Polish Pastor, to make available this 'Heavenly Gift and Invitation' to you, and All My Young Children of the World, this very 'Pilgrimage', through which you have been given the opportunity to 'Collectively' gather and 'Congregate' in Faithful Prayer and Adoration, in the Presence of My Belovéd Son, Jesus, this in order for you to develop the all important 'Spiritual Intimacy' with My Belovéd Son, your Heavenly Brother, and thereby obtain a fulfilment of 'Graces' in your Souls which in turn enables you to experience the 'Heavenly Joy and Happiness', that awaits all of My Children that reach The Heavenly Fathers Kingdom, and that which can only be manifested in your Hearts and Souls, both here on earth 'Today', and in the Heavenly Fathers Kingdom, for all 'Eternity'.

My Dear Youth of the World gathering in Sydney, I your Heavenly Mother, ask each and every one of you to turn your backs on the 'Easy' option of 'Joy and Happiness' which is of a 'Worldly' nature, with its 'Worldly and Earthly' Pleasures, which in turn is but an 'Illusion', and which itself can only be manifested in your Minds and Bodies, as I have already reminded you of, and which is why it is but 'Temporary' and therefore why it is not from Heaven.

It is for this reason, My Dear Youth of the World, that there is no room in the Heavenly Fathers Kingdom for this 'Easy, Worldly and Illusionary' 'Joy and Happiness', it belongs to this world and this world alone.

My Dear Youth of the World continue to Nourish your Souls with Heavenly Graces, which you 'Can' take with you to the Heavenly Fathers Kingdom, and therefore remains 'Eternal', and I, your Heavenly Mother, ask you to continue to avoid 'Worldly' Pleasures which is not only but 'Temporary', but is also most 'Destructive' to your Souls.

Above all, My Dear Youth of the World, continue, for the rest of your lives, and the duration of your personal Journeys, to develop and grow in the 'Spiritual Intimacy' together with and in My Belovéd Son, Jesus, your Heavenly Brother and Saviour.

I, your Heavenly Mother, Bless each and every one of you, My Dear Youth of the World and each and every one of you, My Dearly Belovéd Priests, gathered in Sydney, and will continue to do so every day that you are gathered in Sydney, and will continue to reach out with My Loving Arms outstretched to each and every one of you for the rest of your lives during your individual Journeys towards your 'Eternal Salvation',

and will willingly and Lovingly Embrace each and every one of you, if you but **'Choose'** to receive My Loving Embrace."

Then **"Our Blesséd Mother"** paused for a moment and looking into my eyes, **"Our Blesséd Mother"**, with Such Sadness and Tears gently streaming down Her Cheeks, stood up and Embraced me, and as She did so I could **"Feel"** Her Immaculate Heart beating, but it seemed in a way, which I simply cannot explain in words, where I could feel a Heaviness in the heartbeats, and after a few deeply sad moments, **"Our Blesséd Mother"** released Her Embrace and sat down on the **"Rock"** again, and once again began to speak to me, saying;

*"My Dear Faithful Child, once again, I your Heavenly Mother thank you for responding to My **'Invitation'** to receive this Message and thank you once again for accepting My **'Invitation'** to join Me in My Rosary in the Church on the day of the arrival of the World Youth Cross, to your city of Perth.*

*It is because of your willingness to accept the Suffering that you endured on that day during that Mass, that My Belovéd Son, Jesus, will be **'Perpetually'** present on the World Youth Cross, during its stay in Sydney, as you have now been **'Witness'** to, this in order for My Belovéd Son, Jesus, to offer up even more Suffering and Sacrifice on the very same World Youth Cross, that you will also be **'Witness'** to over the coming days."*

Then **"Our Blesséd Mother"** again paused momentarily, and again stood up, and once again with Tears gently running down Her Cheeks, again Embraced Me, and after a short while, again sat down on the **"Rock"** and began, once again, to speak to me, saying;

*"My Dear Faithful Child, I am now going to **'Invite'** you to join Me, your Heavenly Mother, on the **'Road to My Belovéd Son's Calvary'** with your Cross, for each of the six days that My Dearly Belovéd Priests and My Dear Youth of the World are gathered in Sydney, in order for you to share in My Belovéd Son, Jesus's, Personal Suffering and Sacrifice for the **'Conversion'** of Heart and Soul of all of those of Youth of the World present in Sydney, that are in need of **'Conversion'**.*

*In addition to this **'Invitation'**, I your Heavenly Mother further **'Invite'** you to Fast from All Food, allowing yourself only non Alcoholic Fluids, and the sustenance of My Belovéd Son, Jesus, in the Blesséd Sacrament, for the period of the six days that My Dearly Belovéd Priests and My Dear Youth of the World are gathered in Sydney, this extra Sacrifice for the **'Conversion'** of Heart and Soul of all of those of the Dearly Belovéd Priests of Mine present in Sydney, that are in need of **'Conversion'**.*

cruited by Satan, and this, particularly when I was called upon to correct their Numerous and often Extremely Serious Errors.

I ask you My Dear Brother to follow My Example, as My Beloved Mother has Herself already asked you to do, when called upon to do so, and please remember that for as long as you remain Faithful to My Beloved Mother, She will Always Protect you against Satan, as she has been doing over these past few months.

My Beloved Mother's protection is so Strong because as you already know that Satan never has, never will, but moreover, never can Defeat or Win Her over, always being Crushed by My Beloved Mother, so please remain Strong in your Faith in YOUR Heavenly Mother, continually allowing Her to Shield you against His Evil Assaults and repel Satan's Artillery with the Heavenly Love from within Her Immaculate Heart.

It is so important, My Dear Brother, for you to always allow My Beloved Mother's Love to Reside in your Heart, because your Suffering, which in turn will become a Legacy of your Mission, is only just starting, as you will be facing much Opposition, much of which in turn will come from some of My Shepherds, but remain Strong in your Conviction, your Resolve, your Focus and your Faith, always remembering that you are not alone, even if at times it might feel as though you are, bringing to mind the Example that I had shown to you and All of Mankind some 2000 Years ago.

Continue to carry out your Devotions to My Beloved Mother and to Me, your Heavenly Brother, and remain to show by Example for others to follow, but most importantly of all remain Faithful to Prayer, especially to that most Beautiful of Gifts that My Beloved Mother gave you and All Her Children on earth - Her Most Holy Rosary.

Grow to Love this Beautiful Gift, making it a part of your Life, in fact apart of your being, and let its Power Embrace your Heart and Soul, as this is the Greatest Weapon of all, that is Always readily available to you, for use against Satan and His Evil Works and Evil Influence, being the one single thing that He Fears and Detests the most.

In conjunction with My Beloved Mother's Heavenly Love, make use of The Holy Rosary as an Impenetrable Divine Shield against the Diabolical Weaponry of Satan.

It is with this Heavenly Love and Protection in your Heart and Soul, that you will be best prepared to face the Challenges that you will be confronting in your Mission, and be best prepared to carry it out with the Graces of Mercy, Compassion and Forgiveness in your Heart.

It is for this reason, My Dear Brother, that I have chosen today to Reveal to you and to allow you to Experience The Divine Mercy that Flows from My Sacred Heart, so that you can better understand why it is that I ask of you to Emulate this Mercy as you carry out your Mission, but also so that you can both Reveal and Relay your Experience to your Fellow Brothers and Sisters in Faith in Me.

more Intimately, in order that I, along with My Beloved Mother can give them the Divine assistance so much needed for All of Mankind to reach their Eternal Salvation.

Unfortunately, My Dear Brother, Satan's Focus on Destroying all that is Good is so Strong, while at the same time Mankind's Focus on Maintaining Good is so Weak.

The Strength of Satan's Focus, is Driven solely by His Immense Hatred towards My Heavenly Father, therefore anything that My Heavenly Father Deems as Good, but especially anything that My Heavenly Father has Great Love for, is most Strongly targeted by Satan for Destruction. It is for this reason therefore, My Dear Brother, that He Specifically targets Mankind and Mankind's Soul, for The Taking, and Directs particular Focus on Mankind's Weaknesses, of which there are so many, and Converts them into His Strengths, because He is fully aware of the Immense Love that My Heavenly Father has for Mankind, having Created Mankind in His own Image.

Sadly, Satan has been so successful with His Diabolical Pursuits, and has managed to Recruit many, many of My Beloved Mother's Children through His Evil Influence, including, most sadly many of My Shepherds, who are carrying out His Evil Works, in order to Maximize the Destruction of Souls, and thereby Maximize the Hurt to My Heavenly Father.

As both My Heavenly Mother and I have so much Love for The Heavenly Father, we Suffer so much when we Witness you or any of My Beloved Mother's Children on earth Stray under the Evil Influence of Satan, and even more so when We Witness any of you Losing your Faith or not even Accepting the Gift of Faith being offered to All of Mankind by My Heavenly Father, and thereby carrying out Satan's Evil Works.

My Dear Brother, it for this reason, namely that Satan has been so successful in His Diabolical Recruitment Drive, that you will be facing much Opposition in your Mission as My Beloved Mother's Messenger, as indeed do All of Her Visionaries and Messengers throughout the world, but I ask you not to be Afraid to Confront those who will inevitably try to Stand in your way, both in your Mission and in the Example that you have been Showing, and will be Showing in the future, as requested of you by both My Beloved Mother and I, your Heavenly Brother.

Please remember, My Dear Brother, I continually had to confront Opposition during My own Mission, when I was carrying out My Heavenly Father's Wishes in Passing onto Mankind His Heavenly Words, in the form of The Holy Scriptures.

This Opposition that I had to face, took the form of the most Vehement and Vitriolic Persecution and Retribution, finally leading to My Crucifixion and this predominantly from the Religious Hierarchy, from the Chief Priests, the High Priests and from the Pharisees, many of whom just like today with some of My Shepherds, were successfully Snared and Re-

This most important 'Sacrifice' will be most 'Painful' for you and will not be easy for you, My Dear Faithful Child, but I, your Heavenly Mother will be with you to help you each and every step of the way, as you 'Carry' My Beloved son, Jesus, as He 'Binds' Himself to your Cross, and will be offering additional Nourishment for your Body with My Blessings and Graces, each and every day of your Fast.

I Love you Dearly and will be with you always and will be with you and My Suffering Daughter, your wife, as you both join Me on 'The Road to My Beloved Son's Calvary' at My 'Bush Grotto' tomorrow."

Then at the conclusion of today's most "**Heart Wrenching**" Messages for the Youth of the World and The Priests and all Clergy that will be present in Sydney, and then "**Our Blessed Mother's**" personal "**Invitation**" to me, "**Our Blessed Mother**" gave me Her Customary Blessing and as I looked up after the Blessing, I noticed that "**Our Blessed Mother**" had Departed, leaving me most *Saddened* by the Message and most *Apprehensive* for my forthcoming Sacrifice.

I pray, O Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me O Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

Wake Up! My Children

My Dear Brothers and Sisters in Christ,

In the afternoon of Tuesday 19th August 2008, I made my way to the "**Bush Grotto**" for my exercises for the day, and on arrival at the "**Bush Grotto**", I "**Saw**" "**Our Blessed Mother**" sitting down on the Rock, in front of Her "**Grotto**".

"**Our Blessed Mother**", although *Resplendent* as ever, and particularly so as the mid- afternoon Sun shone on Her through the forest of trees that surround the "**Bush Grotto**" location, She was nevertheless, extremely *Sad*, as was evident by the *Tears* that were moistening Her Beautiful Blue Eyes.

However, as I approached "**Our Blessed Mother**" to *Greet* Her and to *Embrace* Her, "**Our Blessed Mother**", did indeed *Smile* as she *Em-*

braced me, and again filled me with Her Heavenly Joy that She Always unfaithfully does, whenever **“Our Blesséd Mother” “Comes”** to me.

Then after we Embraced **“Our Blesséd Mother”** invited me to sit down with Her, which I did, and then She began speaking to me, saying;

*“My Dear Children of the World, I your Heavenly Mother am Oh so Saddened at **‘Seeing’** so many of you in such a Deep **‘Spiritual Sleep’**, where you have allowed your Hearts and Souls to be **‘Tranquilised’** by My Adversary, Satan’s, Mesmerising and Hypnotic Desires.*

*My Dear Children, My Sorrowful Heart Weeps so much for so many of you who have so Ardently embraced the Pleasures of the World, choosing to enjoy to the fullest the Seductions of the **‘Worldly’** and **‘Earthly’** Pleasures that are being offered in the form of Worldly Goods and Entertainment, even though these can, as I have already reminded you, only be enjoyed for a limited time, and are ultimately but an **‘Illusion’**, as they are not Heavenly by nature, and are Oh so importantly so, so **‘Destructive’** to your Souls.*

*It Saddens My Heavily Laden Immaculate Heart even more when I, your Heavenly Mother, **‘See’** so many of you abandoning in your Hearts and Souls, My Belovéd Son, Jesus, your Heavenly King and Saviour, and His Heavenly Promise, **‘Truthful’** Promise, of **‘Eternal Joy and Happiness’**, which is not an **‘Illusion’**, as this is both **‘Heavenly’** and **‘Divine’** by nature.*

*My Dear Children, how sad it is for Me to **‘Witness’** so many of you around the World being so Mesmerised by the Entertainment being offered to you through so many Media sources throughout the World, of the Global event of the Olympic Games, where so many of those who are competing, are being Lauded and Worshiped as **‘Gods’***

*It Saddens Me, your Heavenly Mother so much when I **‘Witness’** so many of My Children in total **‘Awe’** and **‘Adulation’** of many of these Competitors and in the **‘Sacrifices’** that they have made in order to be able to Compete and Gain their Personal Sporting Goals, and that many of these Athletes are being **‘Idolised’** and even Promoted as **‘Roll Models’** for others to emulate, as Models of **‘Greatness’**, in order to be Seen in the Light of this **‘Greatness’** by others, and most disturbingly to be Lauded with immense **‘Pride’**, where **‘Pride’** is Adorned as a **‘Fine’** and almost **‘Glorious’** and **‘Regal’** quality.*

*Oh My Dear **‘Misled’** Children, can you not See that these **‘Sacrifices’** that have been made, have been Largely for Personal **‘Ego and Pride’** and that so many of you are being and have been **‘Entrapped’** by My Adversary, Satan, into giving Praise, Worship and Adulation to the great Sins of **‘Pride and Ego’**, the very embodiment of My Adversary, Satan?*

ness, and so to distinguish Man from all the other Creations that My Heavenly Father Created, He also gave Man the Power of Free-Will, a Power that placed Man Above all of The Heavenly Father’s Creations, but by so doing also gave Man the Power to make Choices, even the Choice between Good, being Man’s Reflection of His Creator, namely My Heavenly Father, or indeed that of Evil, being the Reflection of Satan, but with this, The Heavenly Father Himself, chose not to Force Man to make any Specific Choice, as this would have cancelled out the very Power of Free-Will itself.

In the Infant stage, Man remains Good, as Man is not Mature enough to Recognise or Exercise the Power of Free-Will, so therefore at the Infant stage, Man cannot make the Choice of Evil.

However, when Man Matures out of Infancy, then a recognition of Free-Will is reached, at which point Man can then through the Power of Free-Will make Choices, which of course includes the Choice between Good and Evil.

It is at this point in the Life of Man that Satan begins to Wield His Evil influence, by attempting to convert that which My Heavenly Father had Created as Good, to become His possessions.

But furthermore, that Good which My Heavenly Father Created, He did so in His Own Image of Goodness, in other words the very Creation closest to Him, being the Creator, and it is this very Creation of Goodness, namely Man, in fact the very Soul of Man, that Satan is so determined to take possession of.

Therefore, My Dear Brother, you and all of Mankind are the most Precious of all of My Heavenly Father’s Creations, all of whom were Created and Born as Good Creations, being Created and Born in His Image, and therefore any Man that Extols and carries out Evil and Evil Works, is doing so through the influence of Evil itself, that is through Satan, albeit by Choice, a Choice made through the Power of Free-Will.

It is for this reason that My Heavenly Father, My Beloved Mother and I your Heavenly Brother have so much Love for All of Mankind, and so much want to help those of your Brothers and Sisters who have Strayed and allowed the Evil influence of Satan to Control their Lives and thereby there Souls, to find their way into Our Heavenly Hearts, and Return or Re-Convert to the Good that they were Created into at Birth, the Good which is the very Image of their Creator, My Heavenly Father.

As My Beloved Mother has already pointed out to you, it is only Satan who wishes to Deny you My Love and that of your Heavenly Mother, by being Denied Devotions to Me or Devotions to My Beloved Mother, therefore it is only Satan who would wish to Deny you from carrying out My Beloved Mother’s request as Her Messenger, a task, through which more of Her Children on Earth can get to Recognise Her and Receive the Immense Love that She has for All Her Children on earth in Her Immaculate Heart, and also to Get to Know Me, their Heavenly Brother

Conviction to point out their Errors to them, this in spite of any Criticism, Retribution or Persecution, that your Preparedness to do so may engender, but do so in the Spirit of Love that I had shown Myself during My own confrontations with the High Priests and Pharisees during My own Mission set out for Me by My Heavenly Father some 2000 Years ago. Be prepared also, My Dear Brother, to Openly express Compassion to them and to tell them that you will Pray for them whenever they Reveal Errors or Lack of Faith in My Beloved Mother or in Me.

Be Prepared to tell them that you will Pray for them if they Reveal Lack of Faith in you or your Mission requested of you From My Beloved Mother, or in the Messages that My Beloved Mother has Given to you to pass onto them, and this in order that they may Learn to Recognise My Beloved Mother as you have now done, and by so doing Share in the Immensely Beautiful Motherly Love that She has in Her Immaculate Heart for All Her Children on earth, as you are now experiencing and Sharing in.

Please be reminded, My Dear Brother, that Satan has Severely Wounded Mother Church, with many of its Shepherds throughout the world carrying out Satan's Works when in their Ministry, many Errors in direction are being perpetrated when the Words of God from The Heavenly Father, which I passed onto Mankind some 2000 Years ago in the form of the Holy Scriptures are NOT being followed AS given by Me some 2000 years ago but are being Misinterpreted or Reinterpreted, more often than not to make them seem more Acceptable to, and to Fit into the Modern world and its Modern Lifestyle.

These Errant Shepherds very much need your Prayers, My Dear Brother, and the Prayers of as many of your Fellow Brothers and Sisters in Faith in Me, but also very much need to be Informed, if not Reminded, of the Power of My Divine Mercy, which I am always Ready to give to any of My Beloved Children on earth whoever they may be, Lay or Clergy, or wherever they may be, and this up to the very Hour of their death.

My Dear Brother, I know that this is so Difficult for you to Comprehend with a Human understanding of the world and Life as it exists and is Lived out, and therefore so Difficult for you to Comprehend Heavenly Love, which unlike Human Love, has NO Boundaries, NO Limits and NO Conditions attached to it, and carries with it seemingly Endless Forgiveness.

My Dear Brother, try and understand that everything that My Heavenly Father Created was Good, that is everything that to your understanding is Nature, things of Nature such as Plants and Animals, the world itself and the Universe within which the world exists, and this quite simply because My Heavenly Father is the Personification of Good itself.

Therefore, when He Created Man, he created the ultimate in Good, as he created Man in His Own Image, in other words the Image of Good-

My Dear 'Misled' Children, can you not See that this Embodiment of Satan of 'Ego and Pride', if adopted by you, will only serve to distance you from My Belovéd Son, Jesus, and only Serve to Blind you and Shield you from the 'Heavenly Truth' that My Belovéd Son, Jesus, so much wishes for you all to know and to live by?

My Dear Children, the only 'True Sacrifice', the only 'Spiritually Authentic Sacrifice', the only 'Heavenly based Sacrifice' that you My Dear Children should ever be in Awe of, is the 'Sacrifice' that is offered up for the 'Redemption' of Souls, and for the 'Atonement' of Sins, All Sins, including the very Sins of 'Pride and Ego', a 'Heavenly and Spiritual Sacrifice' that is available and achievable for every one of My Children throughout the World, unlike the 'Sacrifice' that is being Lauded for the ultimate purpose of personal 'Pride and Ego', that is attainable by only a limited number of Children of Mine such as the Competing Athletes, albeit, 'Gifted Athletes'.

But, My Dear Children, unlike the personal 'Pride and Ego' based 'Sacrifice', which is Highlighted and Promoted for Others to See, the only 'True and Spiritually Authentic Sacrifice' which is for the benefit of your Souls, is only seen by Heaven, where again unlike the Fruits of the 'Sacrifices' made by the Athletes which can result in the Receiving of a Medallion, standing with 'Pride' atop a podium for others to See, Congratulate and Adorn, and all for but a short limited time, the 'True Heavenly Sacrifice' does and will result in the receiving of 'Eternal' Recognition, 'Eternal' Glory in the presence of and by the Heavenly Father and in the presence of All of the Angels and Saints, where you will stand before All, in the Glory of Heaven bathed not in 'Pride', but in place of it, with 'Heavenly Love, Joy and Happiness'.

My Dear Children, if each and every one of you were to accept and offer up just a fraction of One Percent of the amount of personal 'Sacrifice' that those who have been making for their personal 'Pride and Ego', but in 'True Heavenly and Spiritual Sacrifice', then the 'Total Sum' of this 'True Heavenly Sacrifice' would be Sufficiently 'Powerful' to release the Tightening Grip of My Adversary, Satan on Mankind, 'Totally and Instantly'!

My Dear Children, without the Oh so necessary 'True Heavenly and Spiritual Sacrifices', so urgently and so importantly needed for the 'Atonement' of Sins, and the 'Redemption' of Souls, My Adversary, Satan's, 'Sleeping Tonic' of Earthly Pleasures and Entertainment, which has now even led so many of you into the breaking of one of the 'Sacred Commandments' of The Heavenly Father, that of the 'Worshipping of False Gods', this 'Sleeping Tonic' will continue to place your Souls in Mortal danger of 'Ensnarement' by My Adversary, where, if He is al-

lowed to succeed, then tragically your **'Ensnared'** Soul will be awakened only by the **'Eternal Suffering'** in the Damnation of Hell.

'Wake Up'! My Dear Children, **'Wake Up!**

Wake up **NOW**, before it is too late, for time, your time, for each and every one of you is running short.

My Dear Children, I your Heavenly Mother plead with each and every one of you, please do not let My Adversary, Satan, engage your already shortening time with His **'Diabolical Deceits and Lies'**.

Come My Dear Children, let Me your Heavenly Mother lead you to My Belovéd Son, Jesus, your Heavenly Brother, who out of the Deepest possible Heavenly Love for each and every one of you, so much wishes to share with you the **'Heavenly Truth'**, and to show you, each and every one of you, how to obtain **'Eternal Happiness'**, and to Steer you away from the **'Lies and Deceits'** of My Adversary, Satan.

Let My Belovéd Son, Jesus awaken you from this **'Diabolical Slumber'** that My Adversary, Satan, has placed you in, and lead you to the Soothing and Gentle **'Awakening Light'**, that only He can give you, and let your Souls be rid of the Dangers that lie ahead of you in your short time on Earth.

Please My Dear Children, please Listen to Me your Heavenly Mother, while there is still time.

I, your Heavenly Mother, Love each and every one of you, and I am going to continue to call each and every one of you through to your dying breath, in the hope that you will **'Hear'** My call, and in the hope that you will **'Respond'** to My call, and if you make that Choice to **'Hear'** and **'Respond'** to My call, My Arms will be ever open to receive you, whenever and wherever that may.

I, your Heavenly Mother now send you, through this Message, each and every one of you, My Children throughout the World, My Blessings and Love from My Immaculate Heart."

Then at this point **"Our Blesséd Mother"**, still with Tears in Her Eyes stood up and as She always does whenever She **"Visits"** me, gave me Her Blessings after which **"Our Blesséd Mother"** Departed, leaving me most Sad, both at the Message that She had given, and at again **"Seeing"** Her so deeply Sad and Tearful.

I then stayed for a while to offer up some Prayers in thanksgiving to **"Our Blesséd Mother"** for once again Gracing me, someone who, absolutely and totally unarguably, from my personal perspective, **My Dear Brothers and Sisters In Christ**, is unquestionably the **"Least Deserving"** of all human beings, with Her Heavenly Presence, and Heavenly Blessings.

every one of them throughout the entire world, when any of them turn to Me their Heavenly Brother with True Contrition for their Sins.

You, My Dear Brother, are also called to show Mercy and Compassion to your Fellow Brothers and Sisters, as My Beloved Mother and I, have been doing in the past, and still continue to do today and will be continuing to do in the Future.

But as My Beloved Mother pointed out to you only yesterday, you are called in particular to do so, towards those who will make the Choice to Persecute you as you continue to carry out My Beloved Mother's requests with total Obedience to Her, whilst Openly Displaying your own Faith in Her, as your Heavenly Mother, and indeed your Faith in Me, as your Heavenly Brother.

I know, My Dear Brother that this will not be easy for you to carry out, and this because of your Humanness, but in spite of the Challenge that it will present to you, I your Heavenly Brother, along with My Heavenly Mother strongly urge you through the Strength of the Faith and Love that you have for My Beloved Mother, your Heavenly Mother, I too ask you to Carry this out with all the Love in your Heart that you can draw upon.

In particular and in conjunction with this task, as My Beloved Mother pointed out to you yesterday, it is most important that you do not either Condemn or Pass down Judgement on those who will Persecute you and who themselves will Pass down their own Judgement on you for your Openness in your Faith and for the Example that you are prepared to Demonstrate of your Faith and indeed your Obedience to your Heavenly Mother, as you carry out Her Requests.

This, My Dear Brother, is because if you yourself are Passing down Judgement on those who Persecute you, then indeed you are also meting out Punishment, a Right which has NOT been granted to you from My Heavenly Father.

As My Beloved Mother again pointed out to you yesterday, indeed it is only My Heavenly Father that has the Right to Pass Judgement on any individual person on earth, as only He can know what is in the Heart and Soul of any individual person anywhere in the world, and that itself, at any given time in the present or in the future.

By you Passing down Judgement on others, you are by this very action assuming yourself to be on equal footing with My Heavenly Father and therefore assuming yourself to be Divine, which of course as you know My Dear Brother, you are not and cannot be.

Therefore it is very important that you remain Strong in your Faith, with Forgiveness, Mercy and Compassion in your Heart when Facing Criticism and Persecution, particularly when this is directed at you from My Shepherds within the Church.

Whenever you are called to talk to My Shepherds within the Church, and when in so doing you can clearly See, Discern or Detect any Errors in their Doctrine or Teachings, then be both Prepared and Strong in your

Then as I approached Our Blessed Lord I could See a Beautiful Golden White coloured Aura that shone out around His entire Body, which in turn seemed to be Radiating a Wonderful Sense or Feeling of total Calmness, Tranquillity, Peace and Heavenly Serenity which as we embraced, seemed to completely Engulf my entire being.

Then after we had Embraced I could See both Our Blessed Lord and I sitting down on the Rock, and with a most Gentle Smile which seemed to light up His entire Face, that looked so Calm and Serene, sporting an almost Ginger Brown in colour and short in length Beard, neatly trimmed all round, which was partly covered at the Sides by his equally neatly groomed Shoulder Length and Lightly Waved Hair of the same colour, and Parted at the Centre and covering about a half of His Forehead, such a wildly contrasting picture compared with His appearance on the Cross as I have Seen Him so regularly in the, Visual Images during the Stations of the Cross.

Then I could See Our Blessed Lord looking directly into my eyes with His relatively Large Eyes Hazel Brown in Colour, but seemingly Beaming and Radiating with what I could only describe as Heavenly Love, at which point Our Blessed Lord and Saviour began to Speak to me in a most Gentle and Calming voice, which has also been the case on the Previous occasions that Our Blessed Lord has so Graciously chosen to Speak to me.

In keeping with Our Blessed Mother's request to be prepared to open my Heart and Soul to everyone, I would like to share this experience and subsequent Message from Our Blessed Lord with all of you, My Dear Brothers and Sisters in Christ.

On this Magnificent occasion, this is what Our Blessed Lord said to me; „I know how troubled so many of your Fellow Brothers and Sisters are feeling right now at this point in time.

My Dear Brother, all throughout the world so many people are extremely troubled and are in so much need of Comforting today, which is why Both My Beloved Mother and I are continuously Inviting all of Her Children throughout the World into Our Hearts.

As My Beloved Mother has so often mentioned to you, My Dear Brother, I am Always waiting to Welcome each and every one of you at My Tabernacle, in Churches throughout the world, in order that I can give all of you the opportunity to Get to Know Me more Closely and Intimately.

Please continue to assure all of your Fellow Brothers and Sisters that I keenly await their company at the Tabernacle, where I can help to ease their Anxieties, if only they make the Choice to Talk to Me.

My Dear Brother, what you are Feeling right now as I am Talking to you, is the Heavenly Power of My Divine Mercy, that My Beloved Mother, your Heavenly Mother, spoke to you about last night.

It is this very same Divine Mercy that I have to offer together with Heavenly Forgiveness, to All of your Fellow Brothers and Sisters, each and

I pray, O Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me O Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

Awaken! Mother Church

My Dear Brothers and Sisters in Christ,

In the afternoon of Thursday 21st August 2008, I again went to visit the **“Bush Grotto”** of **“Our Blesséd Mother”** as a part of my exercises for the day, and to spend some time in Prayer and Meditation on the Message from two days ago.

Then as I completed my *Rosary* in front of the little Statue of **“Our Blesséd Mother”** in the Hollow at the foot of the tree, **“Our Blesséd Mother”** *Appeared* on the right of, and next to the tree, again *Resplendent* as ever, but once again with a most Sad expression on Her *Face* and even deeper Sadness in Her Beautiful still so Youthful looking Blue Eyes.

I was, as usual, whenever **“Our Blesséd Mother”** chooses to **“Visit”** me, extremely overwhelmed with Joy at **“Seeing”** Her, but extremely Saddened to **“See”** Her looking so Sad and almost Mournful.

Then **“Our Blesséd Mother”** stepped in front of Her **“Bush Grotto”** and beckoned me forward and *Embraced* me, Gently *Weeping* as She did so, and then invited me to sit down in front of Her **“Bush Grotto”** as She had done only two days ago and began speaking to me, saying;

“My Dearly Belovéd Priests of Mother Church, I your Heavenly Mother and Matriarch, reach out My Loving Arms to each and every one of you, in every part of the World, including each and every one of you, My Belovéd High Priests in the Heart of Mother Church in Rome, reaching out to ‘Awaken’ the Church from its ‘Deep Slumber’.

My Immaculate Heart, the Immaculate Heart of your Matriarch that has Suffered so much, out of Love, Deep, Deep Heavenly Love, and for many years now for the Church that My Belovéd Son, Jesus, gave to Mankind, some 2000 years ago, built on the Rock, Peter, and entrusted to each and every one of you My Dearly Belovéd Priests today, My Immaculate Heart is now so ‘Devastated’ on ‘Seeing’ so many of you My

*Dearly Belovéd Priests of today, from all parts of the World, Faithful, Stray and High Priests alike, having fallen into such a **'Deep, Deep Sleep'** and allowing so many of My Children, your Flocks, throughout the World to do the same.*

*My Dearly Belovéd Priests of Mother Church, I your Heavenly Mother and Matriarch, Deeply, Deeply Love each and every one of you, Faithful, Stray and High Priest alike, and long so much for your Love in return, a Love that can so Tenderly reach My Immaculate Heart through your Love and Faith, and through your Willingness through the same Spirit of Love and Faith to Live the very **'Words of God'**, both **'Unchanged and Unaltered'** as given to Mankind, by My Belovéd Son, Jesus, some 2000 years ago, and be **'Seen'** to Live them in the Presence of all of My Children, your Flocks, as the **'True Heavenly Example'** for them to follow, just as My Belovéd Son, Jesus, had shown each and every one of you, My Dearly Belovéd Priests, by His own **'Divine and Heavenly Example'**, when He came to the Earth to deliver the **'Holy Scriptures'**.*

*It is the very **'Abandonment'** of the **'Heavenly Truth'**, by the many **'Alterations'** and **'Changes'** that have and are continually being made in Practice, in Word, in Propagation, and most **'Devastatingly'** by **'Example'**, both from the Pulpits within the Churches, and from Personal **'Example'** outside of the Churches, by so many of you, My Dearly Belovéd Priests throughout the World, that **'Pierces'** My Immaculate Heart, the Immaculate Heart of your Heavenly Mother, and further **'Devastates'** My already Severely Wounded Immaculate Heart, when I **'Witness'** so many of My Children throughout the World, your Flocks, following this Oh so **'Misleading Example'**, so Damaging and so **'Diabolically Devastating'** to the Souls of My Children.*

*Oh My Dearly Belovéd Priest of Mother Church, Faithful, Stray and High Priests alike, can you not **'See'**, that it is only My Adversary, Satan, that would wish any of My Children throughout the World, including, but even more especially you, My Dearly Belovéd Priests of Mother Church, **NOT** to accept the **'Words Of God'**, **'As'** they were Given to Mankind by My Belovéd Son, Jesus, some 2000 Years ago, **'Totally Intact, Unchanged and Unaltered'**?*

*Oh My Dearly Belovéd Priests of Mother Church, can you not **'See'** that it is the very **'Will'** of My Adversary, Satan, for all of My Children of the World, each and every one of them, including all of you, each and every one of you, My Dearly Belovéd Priests of Mother Church, Faithful, Stray and High Priest alike, to **'Reject'** that which the Heavenly Father sent My Belovéd Son, His only Son, Jesus with, to all of Mankind some 2000 years ago, namely the **'Heavenly Truth'**?*

*Oh My Dearly Belovéd Priests of Mother Church, can you not **'See'** that it is the very **'Will'** of My Adversary, Satan, to destroy the very **'Words of***

Ponder and Meditate upon, and on this occasion, much to look forward to for tomorrows Meeting with Our Blessed Lord.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 39 Divine Mercy

My Dear Brothers and Sisters in Christ,
On the morning of 4th June 2004, I attended Holy Mass at My Parish Church, Sacred Heart in Thornlie W.A., as requested of me by Our Blessed Mother last night, and as mentioned in the Message Immaculate Heart, and after the Devotion of the Divine Mercy, and during the Adoration of The Blessed Sacrament, I lay Prostrate on the Floor in the Presence of Our Blessed Lord in the Eucharistic Host in the Monstrance positioned on the Altar, in order to prepare for Our Blessed Lord's Arrival from within another expected Visual Image.

Almost immediately I lay down on the floor, Our Blessed Lord did indeed Arrive, as Our Blessed Mother had indicated that He would, only last night, and once again as described in the Message Path of Eternal Salvation, Our Blessed Lord Appeared to me standing atop the Rock of Sorrows, clothed in a Bright White One Piece Gown, collared at the Neck, with the Gown reaching down to His Feet, but this time with a White Cord around His Waist, much like those worn By Acolytes in Church, together with a White Cloak draped over His Back and again covering His Arms, but on this occasion with His Arms outstretched to Welcome me in a Heavenly Brotherly Embrace.

Then as I Saw myself, within this Visual Image approaching Our Blessed Lord in order to eagerly accept His Heavenly Embrace, there Appeared on His Sacred Chest a Large Eucharistic Host, covering His entire Chest and Abdomen with a Life-Sized image of His Sacred Heart superimposed in the Centre of The Eucharistic Host with a Crown of Thorns as worn By Him at The Crucifixion, atop the image of the Heart.

Again as was the case in the Visual Image as described in the Message Path of Eternal Salvation, His Sacred Heart bore a Long Scar along the entire Length of the Heart from the Top of the Heart to the Bottom of the Heart, and once again there was visible a Single Drop Of His Sacred Blood at the foot of the Scar.

in the same Spirit as shown by My Beloved Son, Jesus, when He pointed out the Errors of the ways of the Pharisees and High Priests, some 2000 Years ago.

It is by this Example that you yourself show in My name and in My Beloved Son's name, that your Persecutors can themselves be Led to an understanding of the Error of their ways, and in turn themselves find a way to open their Hearts and Souls to Me, their Heavenly Mother, as I await them with My Arms open to Give them, as I have already done with all My Faithful Children on earth, The Heavenly Love from My Immaculate Heart.

Please remember, My Dear Son, as I had pointed out to you in My Message I Am The Way, that it is only Satan who wants to Deny My Children on earth My Love, by Playing Down the Importance of My Roll as The Mother of God, and by Denying you Devotions to Me, your Heavenly Mother, and in the same way by Denying Devotions to My Beloved Son, Jesus, in turn Denying My Beloved Son's Love for you.

It is only Satan as a result of His Diabolical Hatred of My Beloved Son, Jesus, and I, that wishes to maximize His Hatred, by wanting to Deny you and My Faithful Children on earth, My Beloved Son's and My Heavenly Love, by exploiting the Weaknesses of many of My Children, who through this Diabolical exploitation, then carry out His Diabolical wishes, by Persecuting those Faithful Children of Mine, like you My Dear Son, who are prepared to Openly display your Love and Faith in Me, your Heavenly Mother, and your Faith and Devotion to My Beloved Son, Jesus.

For this reason I your Heavenly Mother ask of you NOT to show Anger, Condemnation or pass Judgement on your Persecutors, as they have been Blinded by My Adversary's Diabolical Insidiousness.

It is for this very reason, that your Prayers for them are so vital, in order for them to be, Cured of this Blindness of Heart and Soul.

Just as you quite rightly Pray for your Fellow Brothers and Sisters in Christ who are Inflicted by Illness of mind or body, through Infirmity or Medical Ailment in order that they can be Cured of their Infliction, and this, again quite rightly, in place of Condemnation, so it is that your Prayers, and NOT Condemnation itself, are much needed for a Cure for those who are Suffering from this Ailment of Blindness of Heart and Soul. Finally, My Dear Son, I, your Heavenly Mother would like to ask of you for you to attend, Holy Mass at your Church tomorrow, and for you to stay on and Participate in the Devotion of the Divine Mercy and Adoration of The Blessed Sacrament during which My Beloved Son, Jesus, your Heavenly Brother wishes to Talk to you."

With this Our Blessed Mother left me with Her now Customary Blessings as She always does whenever She Comes to me with Her Heavenly Messages, and once again as is always the case, with much for me to

God by **'Altering'** and **'Changing'**, these **'Divine and Sacred Words'**, thereby changing the very **'Meaning, Integrity'** and even the very **'Sacred Purpose'** of these most **'Holy'** and **'Loving Sacred Scriptures'** given By the Heavenly Father as **'Heavenly Instructions'** to all of Mankind, Past, Present and Future to live by, and to be guided by, for the Salvation of their Souls?

*My Dearly Beloved Priests of Mother Church, just as My Beloved Son, Jesus, had both explained and demonstrated by His own **'Example'** some 2000 years ago, when He went out in Search for the **'Lost Sheep'**, I too now, as your Heavenly Mother and Matriarch, am going out in Search for My own **'Lost Sheep'**, My **'Stray'** Beloved Priests in, this in order to **'Invite'** those of you My Dearly Beloved Priests that have now **'Strayed'**, back into the **'Sanctity'** of Mother Church, and back into the **'Sanctuary'** of its Heart, and will at the same time continue to Blanket the **'Sanctity'** of the Church under the Protection of My Mantle, if by the Strength of your Faith and your Prayers, My Dearly Faithful Beloved Priests, you will allow Me, your Heavenly Mother, to do so, and this in order to offer it further protection against the attacks against it, by My Adversary, Satan.*

*My Dearly Beloved Priests of Mother Church, My Beloved Son, Jesus, has **'Graced'** and **'Blessed'** each and every one of you with the Precious and Unique Sacrament of **'Ordination'**, made available only to you, and to those like you, who had both Received and Responded to the **'Sacred Call'** to Priesthood, and thereby you have been Blessed, each and every one of you, wherever in the World you may be, with being the Earthly Representative of His, your Heavenly Brother and Saviour.*

*But My Dearly Beloved Priests of Mother Church, My Beloved Son, Jesus, has most, most significantly, through the immensely Deep Heavenly Love that He has for each and every one of you, has even shown you, each and every one of you, by His own **'Example'**, how to carry out your own individual Vocations!*

*However, My Dearly Beloved Priests of Mother Church, Faithful, Stray and High Priest alike, please remember that with this most Precious of Sacraments, My Beloved son has with it **'Entrusted'** each and every one of you with a **'Great'** but nevertheless Extremely **'Sacred Responsibility'**, that of the Salvation of Souls – The Souls of My Children, all of whom I love so Dearly and who make up your Flocks.*

*But My Dearly Beloved Priests, each and every one of you have been **'Entrusted'** with this **'Sacred Responsibility'** in the Measure that your **'Position'** within Mother Church Dictates and Directs you, but regardless of the Measure of that **'Responsibility'**, indeed a very **'Sacred Respon-***

sibility', Directly from the Heavenly Father, has been **'Entrusted'** to you, each and every one of you.

My Dearly Belovéd Priests of Mother Church, My Belovéd Son, Jesus, has already in the **'Holy Scriptures'**, reminded all of My Children in the World, including all of you My Dearly Belovéd Priest, of the fact that the more that is **'Given'** to you by the Heavenly Father, then it is in that Measure that the more is **'Expected'** of you in return, and so it is My Dearly Belovéd Priest of Mother Church, so it is with each and every one of you and more especially to you, My Dearly Belovéd High Priests, and more particularly by the way of the **'Example'** shown by you, towards your Fellow Priests under your charge, who in turn look to you for **'Spiritual Guidance'**.

It is therefore, My Dearly Belovéd High Priests, all around the World including those of you in the Heart of Mother Church in Rome, that it is both through and in the Measure of your Personal **'Sacred Responsibility'**, that has been **'Entrusted'** to you individually, in line with the **'Position'** held by you in Mother Church, that you need to show and give **'Spiritual Guidance'**, to your Fellow Priests under your charge, just as My Belovéd Son, Jesus had shown to His Apostles, some 2000 years ago.

My Dearly Belovéd Priests of Mother Church, as is the case with My Children throughout the World, My Adversary, Satan's, Grip on Mother Church has been ever tightening, and never more so than now, right now, on this very day, and the **'Urgency'** to release his **'Diabolical Grip'**, has never been more **'Urgent'**, than it is today.

My Dearly Belovéd Priests of Mother Church, when My Belovéd Son Jesus, came to the Earth some 2000 years ago with the **'Words of God'** for all of Mankind, Past, Present and Future, it was **'With'** those most **'Sacred Words'** and **'Within'** those most **'Sacred Words'** that He came and brought the **'Heavenly Means'** to Rebuff, Deflect and Protect each and every one of My Children throughout the world, including each and every one of you, My Dearly Belovéd Priests, Faithful, Stray and High Priest alike, against the **'Evil Lies and Deceit'**, of My Adversary, Satan.

This **'Heavenly Means'** that My Belovéd Son, Jesus, brought **'Within'** the **'Words of God'** was the **'Heavenly Truth'** itself, which is to be found in the **'Words of God'**, and it is this **'Heavenly Truth'** that can and does act as a form of **'Heavenly Antidote'** against the **'Diabolical Lies and Deceit'** of My Adversary, Satan, which if applied regularly enough, will eventually destroy My Adversary's **'Diabolical Infection'** of the Heart and Soul, much like an **'Antibiotic'** can destroy an **'Infection'** in the human body, but can also be used as a **'Tonic'** to **'Awaken'** those of you, My Dearly Belovéd Priests, and those of My Children throughout the World, that have been **'Tranquilised'** by My Adversary, Satan, today.

I ask you My Dear Son not to be like the Servant in the Parable My Belovéd Son gave in the Holy Scriptures about the Master and the Servant, where upon being shown Mercy by the Master in not paying back his debt owed to his Master, the Servant in turn would not show Mercy to a fellow Servant in a non payment of a debt owed to him by his fellow Servant, even having the fellow Servant thrown into Gaol.

Instead, be like My Belovéd Son, Jesus, who showed Mercy to all who Persecuted Him and to those who Denied Him.

Be like My Belovéd Son who showed Mercy to His Persecutors such as the Pharisees, the Rabbis, the High Priests, the Soldiers who carried out His Cruel and Torturous Crucifixion and even the Robber who was Crucified with Him, as well as to all those who Denied Him, this even including His very own Apostle Peter.

My Dear Son, as well as being Merciful to those who will Persecute you, please remain Strong in your Faith and Conviction against All Adversity, again Strength of Faith and Conviction as shown so often by My Belovéd Son when He was continually faced with Adversity each and every time that He was confronted by the Pharisees and High Priests, during His Mission on earth, when passing on the Heavenly Words of God. Continue to show by Example your Faith in Me your Heavenly Mother, and My Belovéd Son, Jesus, to all those that you come in contact with, Faithful and Unfaithful alike, Clergy and Lay alike.

Be Strong, Willing and Ready to point out the Errors being said by, shown by or demonstrated by those whom you come in contact with, and again Clergy or Lay alike, and once again with the Strength of Faith and Conviction as shown By My Belovéd Son, Jesus, as He was continually called upon to do, with the Pharisees and High Priests.

Remain Courageous in the face of Adversity, but ALWAYS be ready to Show and Demonstrate Compassion, Mercy and Forgiveness for those who will Persecute you in the face of this Adversity, just as My Belovéd Son, Jesus, ALWAYS did.

Never make Judgements on those who will Persecute you, My Dear Son, but instead Pray for them, and be prepared to let your Persecutors know that you are going to Pray for them and why, namely that it is My request of you to do so, as this is exactly what My Belovéd Son, Jesus did for those who Persecuted Him.

Do not Condemn your Persecutors whoever they may be, but especially if they are Clergy, because as I have already pointed out to you in previous Messages, only your Heavenly Father has the right to do so, but also because I, your Heavenly Mother, and My Belovéd Son Jesus, Loves every single one of My Children whoever they may be and where ever they may be, and this includes even your Persecutors.

Instead, follow the Example of My Belovéd Son, Jesus, and show your Persecutors Love, a Love combined with Compassion, Forgiveness and Mercy, and have the Courage to point out to them the Error of their ways

late Conception the very Sacred Heart of My Beloved Son, Jesus, became one, with My Immaculate Heart, totally and completely Inseparable, not only for the duration of My Beloved Son's life on earth, but for all of Eternity in Heaven.

From the very moment of the Birth of My Beloved Son, My Immaculate Heart has shared as one, together with My Beloved Son's Sacred Heart, all Manifestations and Emotions, both Earthly and Heavenly, and Human and Divine alike.

As a result of the Will of The Heavenly Father and through His Heavenly Power, My Immaculate Heart together with My Beloved Son's Sacred Heart were able to be filled with Divine Love, Divine Compassion and Divine Mercy, as well as Heavenly Joy and Sorrow.

It was on the occasion when Simeon, on seeing The Infant Jesus, at the time My Beloved Son, as an Infant, was being Presented in The Temple, on seeing the Baby Jesus, and on acknowledging that the Infant Jesus, My Beloved Son, Jesus, was indeed the awaited Messiah, and at which point Simeon, upon seeing that My Heart, My Immaculate Heart, was going to be severely Pierced, that My Immaculate Heart was for the first time filled with Heavenly Sorrow.

My Dear Son it was from this Heavenly Sorrow that through a Sacred Mystery from the Heavenly Father, that Divine Mercy and Compassion was born both within My Immaculate Heart, and the Sacred Heart of My Beloved Son, Jesus.

As a result of the Immaculate nature of My Heart, and the Sacred nature of My Beloved Son's Heart, both natures being Inseparable from each other, the Love that emanates from My Immaculate Heart and from My Beloved Son's Sacred Heart is by this very Heavenly Nature Boundless, Limitless and Endless.

Therefore, My Dear Son, the very Divine Mercy that My Beloved Son, can and does show to all those who Demonstrate and Show True Contrition for their Sins, is totally Boundless and Limitless, this in spite of the Suffering that He endures as a result of those very Sins.

It is in this way that through My Immaculate Heart I too, as your Heavenly Mother, have Boundless and Limitless Mercy for those who show True Contrition for their Sins and this in spite of the Suffering and Deep Sorrow that My Immaculate Heart endures in both the Witnessing and Sharing of the Grief that My Beloved Son, Jesus in turn endures.

My Dear Son, it is by this example of Divine Mercy and Compassion being shown by My Beloved Son, Jesus, and by Me your Heavenly Mother, towards you and your Fellow Brothers and Sisters in Christ, that you in turn need to show both Compassion and Mercy towards others, but especially to those who do and will Persecute you in My name and in the name of My Beloved Son, Jesus, as you carry out your Mission as My Messenger.

*Indeed My Dearly Belovéd Priests of Mother Church, it is **ONLY** the **'Heavenly Truth'** that My Belovéd Son, Jesus, gave to Mankind some 2000 Years ago, the very **'Words of God'** but **'Unchanged and Unaltered'**, that has the **'Divine Power'** to **'Awaken'** all of those Dearly Belovéd Priests of Mine, and those of My Children around the world, that have Fallen asleep under the Mesmerising Spell of My Adversary, Satan.*

*My Dearly Belovéd Priests of Mother Church, please remember, as My Belovéd Son, Jesus, Himself had reminded you in the **'Holy Scriptures'**, that even His closest Apostles, they themselves had fallen asleep in the **'Garden at Gethsemane'** on the eve of His Passion and Crucifixion, and that My Belovéd Son, Jesus, Himself had to **'Awaken'** His Apostles from their Slumber, but did so with the **'Heavenly Truth'**, and so it is today, My Dearly Belovéd Priests, Faithful Stray and High Priest alike, that the very same **'Heavenly Truth'** can be used to **'Awaken'** those of you who have **'Fallen Asleep'** today, now some 2000 years later.*

*My Dearly Belovéd Priests of Mother Church, I your Heavenly Mother am informing you with such a Weight of Heaviness in My Immaculate Heart, that time is now short for each and every one of you, and for each and every one of My Children throughout the World, and so it is Oh so important for each and every one of you, My Dearly Belovéd Priests, Faithful, Stray and High Priest alike, to Fervently and with Deep Love, Courage and Conviction, Adopt and Preach the **'Heavenly Truth'**, in its **'Entirety'**, both **'Unchanged and Unaltered'**, **'As'** it was given to Mankind by My Belovéd Son, Jesus, some 2000 years ago.*

*But moreover, My Dearly Belovéd Priests of Mother Church, I, your Heavenly Mother and Matriarch, ask of you to also **'Live'** by this same **'Heavenly Truth'** and be **'Seen'** doing so by all of My Children throughout the World, your Flocks, so that it can be Seen as a **'True Heavenly Example'** for them to follow, for the sole purpose of the Salvation of the Souls of All My Children throughout the World, and for the Salvation of your own Souls each and every one of your Souls, My Dearly Belovéd Priests of Mother Church.*

*My Dearly Belovéd Priests of Mother Church, I your Heavenly Mother and Matriarch, plead with all of you not to Stray, or for those of you have already Strayed, not to continue to Stray from the **'Heavenly Truth'** and to do so with a deep sense of **'Urgency'**, before it is too late.*

*My Dearly Belovéd Priests of Mother Church, even at this late hour, I your Heavenly Mother and Matriarch ask you to avoid the **'Altered'** and **'Changed Truth'**, that My Adversary, Satan, has so successfully instilled in the Hearts, Minds and Souls of so many of you My Dearly Belovéd Priests and High Priests alike, and help prevent these **'Untruths'** and **'Grave Errors'** introduced through the Will of My Adversary, Satan, to assist him to take an even Stronger Grip on Mother Church and to*

help prevent those of My Dearly Belovéd Priests who have already allowed themselves to succumb to his **'Diabolical Lies and Deceit'**, to lapse into a **'Spiritual Coma'**, which could be **'Awakened'** only by the Deafening Cacophony of the **'Diabolical Alarm Clock'**, of My Adversary, and only by him, in the confines of Eternal Damnation.

Instead, My Dearly Belovéd Priests of Mother Church, I ask of you to avoid My Adversaries **'Diabolical Lies and Deceit'**, and **'Invite'** each and every one of you, through the Guidance and Heavenly Love from Your Heavenly Brother, Jesus', **'Sacred Heart'**, and through the Love and Blessings from My Immaculate Heart, and allow yourselves to be My **'Heavenly Alarm Clock'** to be used to **'Awaken'** those of you, My Dearly Beloved Priests and those of My Children throughout the World, that have **'Fallen Asleep'** today, but instead with the Sweet Tone of the **'Heavenly Truth'**.

My Dearly Belovéd Priests of Mother Church, I your Heavenly Mother and Matriarch, Love each and every one of you, Faithful, Stray and High Priest alike, and I **'Invite'** each and every one of you to **'Listen'** to My Message to you, but to **'Listen'** with your Hearts, and to have your Souls open to receive the words of this Message, and let these words be like **'Heavenly Seeds'**, and to let them Germinate and Grow with My Heavenly Love for food, and then as they do so, I will be waiting with My Loving Arms open to Receive your Love in return together with some of the fruits from these **'Heavenly Seeds'**.

My Love for you, My Dearly Belovéd Priests of Mother Church, will never die, but will remain intact for all eternity, as will My Love for Mother Church itself, but will your Love for Me, your Heavenly Mother and Matriarch remain intact, and if so, will it remain so, for the duration of your Priestly Lives?

My Dearly Belovéd Priests of Mother Church, the answer to that questions lies in the depths of your own Faith, for each and every one of you, and in your own **'Willingness'** or otherwise, to **'Accept'** and **'Live'** by the **'Words of God'** in its **'Entirety'**, both **'Unchanged and Unaltered'** **'As'** Given to you and all of Mankind, by My Belovéd Son, Jesus, some 2000 years ago.

I, your Heavenly Mother and Matriarch, send each and every one you My Dearly Belovéd Priests of Mother Church, Faithful, Stray and High Priest alike, My Blessings through this Message, and will further Bless and continue to Bless each and every one of you who make the **'Choice'** to Receive this Message with the same Love with which it has been given to each and every one you, My Dearly Belovéd Priests of Mother Church."

Then at the end of this most **"Revealing"** and **"Heartfelt"** as well as **"Heart Wrenching"** Message, **"Our Blesséd Mother"** stood up and be-

I will never allow you or any of My Children to Travel along The Road to Calvary on their own, as I am always present on this Road each and every Friday, and will be so until the Day of Reckoning.

Please continue to accompany Me each and every Friday, and continue to Invite others to join you in accompanying Me, yours and their Heavenly Mother."

With this Our Blessed Mother left me to continue on with my exercises with a wonderful sense of Security and Assurance in the knowledge that Her Heavenly Presence will always be with me during all Future Stations of The Cross, and immensely Humbled but also filled with Joy with the New Found knowledge that it is I along with anyone who should choose to Journey with me, who will be keeping Our Blessed Mother company, during all of my Future Devotions to Our Blessed Lord.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, ami that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ Christ.

No. 38 Immaculate Heart

My Dear Brothers and Sisters in Christ,

In the evening of 3rd June 2004, during my Bush exercises for the day, Our Blessed Mother again Blessed me with Her Presence as She totally Engulfed me with Her most Beautiful Heavenly and Motherly Love, as She has so often done during most of my Bush exercises, Coming to me with another Personal Message, which once again in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share with you, My Dear Brothers and Sisters in Christ. This is what Our Blessed Mother had to say;

„Today My Dear Son, I again Came to you to give you My Love, as I am always, each and every day offering to you and to all of My Children on earth, a Love that Resides and Grows from within My Immaculate Heart. My Heart, My Dear Son, was made Immaculate by The Heavenly Father from the moment when I had accepted the Invitation from The Heavenly Father through the Message of an Angel from Heaven, to be the Mother of God by bringing His Only Son, and in turn My Beloved Son, Jesus Christ, into the world.

It is as a result of this Heavenly Manifestation and Miracle from The Heavenly Father that the very Conception of My Beloved Son, Jesus, also became Immaculate, and in turn from the moment of the Immacu-

Later in the evening of the same day, and during my Bush exercises, Our Blessed Mother once again Came to me with a Personal Message, which again in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share with you, My Dear Brothers and Sisters in Christ.

This is what Our Blessed Mother said to me;

"Today My Dear Son, as you Walked along The Road to Calvary, you once again had a Challenge placed before you by My Adversary Satan, this time in the form of a Feeling of Loneliness.

In much the same way as it was during your Devotions to My Beloved Son, Jesus, just before the start of this month of May, as described in My Message Satan's Diabolical Campaign, My Adversary was attempting to Deflect you from your Focus on your Devotions to My Beloved Son.

As I had mentioned in that Message, Satan was at the beginning of this month, and still is right now, targeting All My Messengers and Visionaries, as a part of His Diabolical Campaign, which is what He was doing with You today.

However, as was the case on the Previous occasion that He targeted you, your Love and Faith in Me, your Heavenly Mother, and My Beloved Son, Jesus, helped you to reach the 12th Station, at which point I offered you My Protection against Him.

My Dear Faithful Child, please continue in this Faith to carry out your Devotions to My Beloved Son, and continue to Invite others to join you, in order that they too can keep Me, your Heavenly Mother, company during this Journey along The Road to Calvary.

Each and every time that you have travelled this Road since the start of this Lent, you have been feeling My Presence because indeed I have been Present with you.

In fact My Dear Faithful Child, it is You have been keeping Me company during your Devotions to My Beloved Son over these past weeks since Lent, because it is I, your Heavenly Mother that Travels this Road every Friday, which is also why you have been Invited to Travel along The Road to Calvary every Friday for the rest of your life, this in order that You can keep Me, your Heavenly Mother company.

My Dear Faithful Child, I have been Journeying along this Road to Calvary for each and every Friday since the day of the Passion of My Beloved Son, Jesus on that first Good Friday some 2000 years ago, and oh so many, many times totally on My own.

It is I your, Heavenly Mother who so often has had to endure The Lonely Walk, along this Road, completely on My own, with not a single Child of Mine on earth for company, and this unlike with you, where you have never been left to carry out your Devotions to My Beloved Son, Jesus, on your own without My Presence.

beckoned me forward to receive Her most Beautiful and now Customary, Blessing.

But before "**Our Blesséd Mother**" Blessed me, She stretched Her Arms out to Embrace me, and as we Embraced I could "**Hear**" a Gentle Cry and could "**Feel**" the top of my right Shoulder on which "**Our Blesséd Mother's**" Head was resting, becoming moist with Her Tears, and then as "**Our Blesséd Mother**" released Her Embrace, I could "**See**" that Her oh so, so Sad Eyes were filled with Tears, which in turn swelled my own eyes with tears, as I in turn Shared in Her Deep, Deep sadness.

Then "**Our Blesséd Mother**" finally gave me Her Blessings, and as I opened my eyes after the Blessing, I could "**See**" that "**Our Blesséd Mother**" had departed, leaving me with a sense of Abandonment, even though I know that She had not Abandoned me as I would be "**Seeing**" Her again at tomorrow's "**Stations of The Cross**".

Then after a short time in Prayer of thanksgiving to "**Our Blesséd Mother**" for today's Message, a Message for all of Her Church and all of Her Clergy within the Church, I set off on my trek through the "**Bush**" and in the darkness of the night, back to my car, all the while Meditating and Pondering on this most significant and important Message that "**Our Blesséd Mother**" had given today

I pray, O Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

No. 37 The Lonely Walk

My Dear Brothers and Sisters in Christ,
During the afternoon of 28th May 2004 whilst carrying out my Friday Stations of The Cross, as requested of me by Our Blessed Mother, and once again at the Schönstatt's Outdoor Stations in Armadale, W.A., for some as yet unexplained reason, I felt extremely Lonely, as I meditated from Station to Station, until I reached the 12th Station, after which this feeling of Loneliness subsided.
At this point, and then for the rest of the Day's Stations, I could once again feel Our Blessed Mother's Heavenly Presence, as has been the case with all of the Previous Stations of The Cross since the first Monday of Lent of this year.
For me it felt somewhat Disconcerting if not even Disturbing, as this feeling had not been present in any of the other Stations of The Cross that I have been conducting on any of the Previous occasions during my Friday Devotions, and that in spite of the fact that, with the exception of Good Friday's Devotions this year, I have undertaken all my previous Devotions on the Fridays to date, on my own, without any Human company.

The Sacred Heart Prayer

I Pray to You my Lord and King
For You to Help me See,
The Love within Your Sacred Heart"
That You have Saved for me,
A Love that You My Blessed Lord
Have always had for me,
From the Moment I was born,
And will for ever be.

If I could only understand
The Power of Heavenly Love'
That Lives within Your Sacred Heart"
Which comes from Heaven above.
A Love from You my Dearest Lord,
Not only meant for me,
But which You so much want to give
To All Humanity.

This Sacred Heart of Yours Dear Lord
That Shed its Blood for me,
That Shameful day when for my Sins
You Died on Calvary.
This Sacred Heart has now been filled
With Love so Heavenly,
A Love so Strong that it will last
For all Eternity.
