

But My Dear Faithful Child, if you or any of My Children were to allow The Heavenly Father's Light to Shine in your Soul, the source of this Heavenly Light being the Heavenly Truth in the very Words of God, but As Given to Mankind by My Beloved Son, Jesus, some 2000 years ago, then you will be able to See very clearly, the Horror of the Pain and Suffering that my Beloved Son Endures as a result of Sin, All Sin, much like how you were able to See so clearly, the Extent of the Injuries and Wounds on My Beloved Son's Body on the Cross in today's Vision, when the Sky was Lit up by the Bolt of Lightening.

So Tragically, My Dear Faithful Child, however, the Will of Satan has become so strongly adopted by so many of My Children throughout the World, including, most sadly, many of My Beloved Priests throughout the World, as a result of his ever Tightening Grip on Mankind, that My Adversary, Satan, has become so Bold as to Bring his own Domain into the Presence of the World today, and at a time when least expected, can and will release it, as you were Witness to, in today's Vision, as he Unleashed the Diabolical Power of his Domain from the Bowels of the earth and Engulfed the Souls of those Children of Mine, who by their own Choice, allowed themselves to be totally Seduced by My Adversary, Satan, with his Litany of Lies and Deceit, but moreover when his Diabolical Truth is finally Realized, it is Oh so Horribly Painful, as you have, My Dear Faithful Child, today been a Witness to, a Pain that will endure for those Poor Souls, for All Eternity.

My Dear Faithful Child, I ask you and My Faithful Children throughout the World, to Pray, Pray and Pray, but Pray in particular for All My Beloved Priests throughout the World, and especially for those who have allowed themselves to be Blinded by My Adversary, Satan, that they may allow themselves to Open their Hearts and Souls to My Love for them, as I Reach My Arms out to each and every one of them, because, I their Heavenly Mother, and their Matriarch within Mother Church, so much wishes for them to Want with the entire Strength of their Hearts, Minds and their Souls to be True and Faithful Earthly Representatives of My Beloved Son, Jesus, their Lord and Saviour, by being True and Faithful to their Professed Faith in their Priesthood, and for them to Lead All of their Respective Flocks to My Beloved Son, in the Truth of that Professed Faith

I, their Heavenly Mother, am always, even until their very Last Dying Breath, ready to welcome All of My Beloved Priests throughout the World, each and every one of them, and at any time during their Priestly Lives, when they Choose to turn to Me, and will always stand by their sides to Guide them and to assist them to carry out their Pastoral Duties in True Faith in the Heavenly Truth, towards their Respective Flocks, who are also My Children.

My Dear Faithful Child, Pray that All My Beloved Priests throughout the World, in Union with each other, as One Body

in the One Church, will choose to carry out the Will of the Heavenly Father, in the Words of God that He gave to All of My Children throughout the World, when He sent His only Son, My Beloved Son, Jesus, with these very Words of God for All My Beloved Priests throughout the World, Past, Present and Future, to Preach them, and to Live them, by Living Example, because in this way the Will of Satan can be so easily overcome and his Diabolical Grip on Mankind so easily Loosened, when it is the Will of the Heavenly Father that not only Lives in the Hearts and Souls of My Children, but becomes a part of the very Lives of My Children in their Daily Living.

It is this Living Example that I so much wish for All of My Beloved Priests throughout the World, each and every one of them, to be carrying out, for All of their Flock to be Witness to, both in their Personal and Private Lives, as well as in their Priestly Lives, where they can be Seen not only in Leading the Holy Mass, but to be Seen Leading in Prayer, in All of the Devotions that Mother Church has made available to All of My Children throughout the World.

It is by actually Leading and Participating with My Faithful Children in Prayer, particularly in the Special Devotions of Prayer, such as Cenacles of Prayers, Benediction, Divine Mercy Devotions and Oh so importantly during Exposition and Adoration of The Blessed Sacrament, where My Beloved Son is Personally and Truly Present as The Risen Lord and waiting to Pour out His Love and Graces on each and every one of My Children present, that My Faithful Beloved Priests throughout the World, who have Chosen to Lead their Flocks in these Special Devotions of Prayer, when doing so, are Maximizing the Strength of not only their own Faiths, but also the Faiths of very Faithful Children of Mine, whom they are Leading, during these Special Devotions of Prayer.

It is when My Faithful Beloved Priests throughout the World, Openly Demonstrate their own Faith in this most Visible of ways, that My Children throughout the World will themselves be Encouraged to follow suit, which in turn enables them to Enrich their own Souls with more and more Heavenly Graces, and by so doing, be able to gain a greater Resolve and greater Strength of Faith to help both Loosen the Grip of Satan, as well as to Repel his Relentless Diabolical Advances.

My Dear Faithful Child I ask you to continue in Faith in the Mission that I have set out for you and ask you to remain in Faith and Obedience not only to Me your Heavenly Mother, but to the Will of the Heavenly Father.

Then at the conclusion of this most Intense Message, Our Blessed Mother gave me Her customary Blessings, leaving with so much to contemplate, though still very Disturbed by the Visual Image that I had received earlier in the day.

Irreverence and Disrespect Part 2

My Dear Faithful Brothers and Sisters in Christ, it is not my intention to unduly and unnecessarily shock anyone by revealing the details of what I had been Witness to, but instead to reveal to you what has been revealed to me, and to what I have been called to Witness, so that all of us can be Testimony to the Heavenly Truth that Our Blessed Mother through these Visual Images and through Her Heavenly sent Messages, clearly wishes for All of us to know.

After some time of Witnessing this Horrifying and Diabolical event, everything behind Our Blessed Lord, including the Wide Road suddenly descended into a Depressing Darkness, and into an almost Eerie and Deadly Silence.

I could See nothing but Darkness Behind, Above and Around Our Blessed Lord, and in this Darkness I could now barely See Our Blessed Lord's Sacred Face, but I was still able to See His Eyes as He Looked down at Our Blessed Mother and I, kneeling at the Foot of the Cross, Eyes that were Swelled up with Tears, but this time Tears of Immense Sadness, and as His Eyes caught sight of Our Blessed Mother's own Tear filled Eyes, that revealed Her own Deep Sadness, Our Blessed Lord slowly closed His Eyes, and slowly and almost seemingly Gently bowed His Head down, letting His Bearded Chin come to rest on His Excoriated Chest, as He let out one Final Breath as He gave up His Life.

Then Our Blessed Mother took one final look at Her Beloved Son, now totally Silent and Perfectly Calm and Still, and then turned to me and Embraced me, as She so often has done at the end of previous Visual Images, and then, as She has also done a countless number of times at the conclusion of previous Visual Images, gave me Her most Special and Loving Blessings.

My Dear Brothers and Sisters in Christ, at the conclusion of this day's Visual Image, I lay on the ground, completely Physically and Emotionally drained, unable for some time to even move, but moreover I was left immensely Disturbed, and even somewhat Confused by what I had just been Witness to, in this Day's Visual Image.

So deep was the impression that this most Disturbing Visual Image had left on me, that I could barely focus on completing this day's Stations of the Cross, but with the help of Our Blessed Mother I did indeed complete the Stations, but still extremely emotional and distraught.

Having finally completed the Stations of the Cross for the day, I simply could not bring myself to go straight home but instead felt both compelled and indeed a sense of strong desire to stay in the Bush, together with Our Blessed Mother, both for Her comfort for My now obviously Disturbed State, and also in Hope that Our Blessed Mother would Choose to Come to me, and more in this Hope, than in Expectation, and offer me some kind of Explanation and Clarification of what I had been called to Witness in today's Visual Image.

Then after several hours of walking in the Bush offering up one Rosary after another on the way, until eventually night began to fall, Our Blessed Mother did indeed Come to me, saying;

„My Dear Faithful Child, I, your Heavenly Mother, would firstly like to thank you for accompanying Me on My Beloved Son's Road to Calvary today.

I know full well, My Dear Faithful Child, how Disturbed and Distraught you are feeling, following your Vision today, but it

was Oh so necessary for you to Witness the Gravity of the situation that has now evolved, as My Adversary Satan, continues to Tighten his Diabolical Grip not only on My Children throughout the World, but also within My Church.

I have on a number of occasions, My Dear Faithful Child reminded My Children throughout the world, through you and through other Messengers of mine throughout the World, of the Diabolical Plan of My Adversary, Satan, and that he has been for some time now, implementing his Diabolical Plan, but now he has so Tragically and so Sadly Infiltrated so Deeply into, and so Severely Wounded, Mother Church, having so successfully and Oh so Insidiously won the Minds, Hearts and Souls of so many of My Beloved Priests throughout the World.

My Adversary, Satan, through his Insidious nature of Lies and Deceit, has so successfully Blinded so many of My Beloved Priests throughout the World, that they are now totally Unaware of their Ensnarement by him, and even less aware of the fact that they are carrying out the very Will of My Adversary, Satan, and this My Dear Faithful Child, in place of the Will of The Heavenly Father.

Today, My Dear Faithful Child, so many of My Beloved Priests throughout the World, because of their Spiritual Blindness, have lost all their Respect, Love and Faith in My Beloved Son, who is also Their Heavenly King, Lord and Savior, choosing instead to treat him with total Disrespect, Irreverence and even in so many cases with Disdain and moreover with immense Hatred in their hearts.

My Dear Faithful Child, it is this level of Hatred and Disrespect displayed by some of My very own Beloved Priests throughout the World, towards My Beloved Son, that you were called to Witness to, in today's Vision, but most importantly also called to Share in with Me, your Heavenly Mother, and My Beloved Son, Jesus, your Heavenly Saviour, the Pain and Emotional Suffering that this level of Hatred and Disrespect imposes on Our Hearts.

My Dear Faithful Child, I have reminded you on a number of occasions, that it is only My Adversary Satan, that wishes the maximum of Pain and Suffering on Me, your Heavenly Mother, and the best way for him to achieve this, is for My Children to carry out his Will over that of the Will of The Heavenly Father.

Sadly, My Dear Faithful Child, in this, the very Carrying out of his Will, My Adversary, Satan, has most Tragically had Resounding Success, very much Aided and Abetted by so many of My Beloved Priests throughout the World, who through their own Spiritual Blindness have led so many of My Children throughout the World, equally Blindly, along the Road to Eternal Damnation.

My Dear Faithful Child, I would like to once again remind you and All My Children throughout the World, that it is only Satan who wishes to Deny you and My Children throughout the world, Devotion in Prayer to My Beloved Son in the form of

the many Devotions that have been made available to My Children by Mother Church.

It is only Satan who wishes to Deny you or any of My Children throughout the world, showing the Utmost Respect and Reverence to My Beloved Son, Jesus, and instead to treat My Beloved Son, Jesus, with Disdain and total Disrespect.

It is only Satan who wishes to Deny you or any of My Children throughout the World, Devotion to Me Your Heavenly Mother as well as the Heavenly Mother of your Lord and Saviour, the very Son of God, and instead to Ridicule those of My Children who through their own Faith are prepared to show their Love and Respect for Me, their Heavenly Mother.

It is only Satan who wishes to Deny you or any of My Children throughout the World, the Graces and Love that My Beloved Son so much wishes to give to each and every Child of Mine throughout the World, from the Blessed Sacrament, particularly during the Adoration of that same Blessed Sacrament, by firstly not making My Beloved Son Readily and Easily available and Accessible throughout many of My Churches throughout the World, but instead downplaying the Utmost Importance of His very Presence as The Risen Lord in the Blessed Sacrament, and even worse in many instances even Denying His Very Presence as The Risen Lord in the Blessed Sacrament

It is only Satan who wishes to Deny the regular offering up of My Most Holy Rosary, that I have with so much Love given to My Children throughout the World, and the importance of and power of, that I have so often spoken about to my Children throughout the years and through many Messengers and Visionaries both past and present, and instead wishes to downplay the Significance, Power and even Relevance of My Most Holy Rosary, wishing instead, in many instances to diminish it into and down to, a level of Insignificance, and even Irrelevance to the Modern 21st Century World.

It is only Satan who wishes to Deny you or any of My Children throughout the World the Heavenly Truth that My Beloved Son, Jesus, came to Mankind with, sent By The Heavenly Father, as His only Son, as a Heavenly Messenger, and in Person, both as the Son of God as well as the Son of Man, with the very Words of God in the form of The Holy Scriptures, even showing Mankind how to Live the very Words of God, and instead wishes for you to Deny the Heavenly Truth, even to Changing the very Words of God to a more Palatable version to suit the modern Lifestyle of the 21st Century.

It is only Satan who wishes to Deny you and My Children throughout the World Messages from Heaven, themselves being The Heavenly Truth and being Reminders of the very Words of God given to Mankind, by My Beloved Son, some 2000 years ago, but Messages given to you today, in Your Lifetime, and given by Me your Heavenly Mother, and also by My Beloved Son, Jesus, through My Chosen Messengers throughout the world, and instead would wish to Ridicule, Marginalize and bring into Disrepute, those whom I have

Chosen and then Invited to carry out My Mission, and also those who through the strength of their own Faith choose to receive them in that Faith, both Faithful Clergy and Faithful Lay alike.

My Dear Faithful Child, all of My Adversaries' Denials such as those that I have just outlined, are indeed his Will which are being carried out by so many of My Beloved Priests throughout the World today, and this in place of the Will of The Heavenly Father, but MOST, MOST Tragically in most cases without any awareness on their part, whatsoever.

My Dear Faithful Child, it is so much My wish of all of My Beloved Priests, all of whom I Love so Dearly, Stray and Faithful alike, to Lead their Flock, who are also My Children throughout the World, along the Pathway of the Heavenly Truth in the form of The Words of God, but as I have so often emphasized, As, they were Given to Mankind, by My Beloved Son, some 2000 years ago, and also to Lead their Flock by the same Example as had been shown by My Beloved Son, Jesus, when He walked among My Children, some 2000 years ago.

Instead, My Dear Faithful Child, so many of My Beloved Priests throughout the World, have, through the Insidiousness of My Adversary, Satan, allowed themselves to be Blinded to the Heavenly Truth, and instead continue to carry out the Will of My Adversary, Satan and Oh so Tragically are Leading so many of My Children along the very Path of Eternal Damnation, that they themselves tread, equally Blinded and Seduced by the Insidiousness of My Adversary, Satan, thereby again so Tragically, placing the Souls of those Children of Mine, together with their own Souls, in Mortal Danger.

My Dear Faithful Child, so many of My Children throughout the World along with many of My Beloved Priests throughout the World, have Darkened their Souls with Sin, and it is this very Darkness of their Souls that prevents them from Seeing what it is that they are doing to their Souls, in the same way as the Darkness that you Witnessed Descending around My Beloved Son in today's Vision which, as you were able to observe, almost prevented you from being able to you See My Beloved Son on His Cross.

If you My Dear Faithful Child would not to have been able to See My Beloved Son in your Visions, then how would you have been able to Recognize the Pain and Suffering that My Beloved Son Endures as a result of Sin, All Sin, much less be able to Share, together with Me, your Heavenly Mother, in that same Suffering?

It is in this way that so many of My Children throughout the World who have allowed themselves to be Seduced by the Insidiousness of My Adversary, Satan, are through this Blackness of their Souls Blinded, and are unable to See the Pain and Suffering that their Sins Inflict on My Beloved Son, Jesus, and then the ultimate Destruction of their own Souls that their Sins can cause.
