### Our Blessed Mother's Messages

My Dear Brothers and Sisters in Christ,

It is with great pleasure and indeed great Joy and Humility, that I would like to both Reveal and Share the wonderful news of Our Blessed Mother's contact with me, and subsequent Invitation for me to become a Messenger for Her, to pass on Our Blessed Mother's Messages from Heaven.

This beautiful experience first manifested itself, following a very stressful period in my life, following my endeavour, to fulfill the final wish of a very Dear and Special Friend, relating to a Memoriam Mass, (which I initially, incorrectly titled as Requiem Mass ), that this Dear Lady, an immensely Dedicated Devotee of Our Blessed Mother, had requested of me. before she left us, to join Our Blessed Mother, and Our Blessed Lord, in Heaven.

Unfortunately, however, through a variety of circumstances, among them, most distressing to me, was the determination of the Priest who I first approached, relating to this Lady's wishes, in not allowing me to fulfill the wishes of this Dear friend, as she had requested, had led me, to build up a most unhealthy and totally out of character, for me, Bitterness and Resentment, towards this Priest.

As a result of these dreadful feelings of Bitterness, almost bordering onto Hatred, that had developed within me for this Priest, something so totally alien to me, I simply had to try and find help, for me to be able to both cope with and overcome this emotional pain.

Knowing of only one source, that I had always relied on in the past, whenever I was experiencing difficul-

ties, I once again, turned to this Beautiful comforting source, through my Prayers, namely Our Blessed Mother.

My Dear Brothers and Sister in Christ, I turned to Our Blessed Mother, because I have been so fortunate, to have been made aware of Our Blessed Mother and Her Love for all Her Children on earth, at an early stage in my childhood.

Even more fortunate still, I had been taught about the Rosary, which up until about Six years ago, I would, from time to time, use in Prayer to Our Blessed Mother, usually whenever I was experiencing particularly significant difficulties.

About six years ago. however, I became aware of a special Devotion to Our Blessed Mother, namely, the Cenacle of Prayers, and through this Devotion, I was then enlightened about Our Blessed Mother's request at Fatima, for all of us to pray the Rosary every Day.

It is only since that enlightenment, that I have been making every endeavour, to carry out Our Blessed Mother's request, although in all honesty, with varying levels of success and failure.

However, I am pleased to admit that over the past six years or so, with the help of the Holy Rosary of the Blessed Virgin Mary, I have, been able to develop a most Beautiful and Spiritually Intimate relationship with Our Blessed and Heavenly Mother, which has now culminated in this Heavenly and Blessed Manifestation, with Our Blessed Mother coming to me personally, through the Sacred Mystery, which I have since, learnt of, as being, Inner Locution.

For this Honour, I can never be thankful enough to Our Blessed Mother, as I still feel totally unworthy to have received Our Blessed Mother's Blessings, in this most Special and Beautiful of ways.

## Who is Zoltán Hardy?

### My Dear Brothers and Sisters in Christ,

By the way of a Personal Introduction, and as has been requested of me, I am submitting a *Brief History* and *Background* of myself, *Zoltán Hardy*, and to offer an explanation, as best as I can, of how it came about that "**Our Blesséd Mother**" came to me, and to what She is Requiring of me.

I was born in Hungary in 1953, the oldest of 4 Children to devout Catholic Parents, but then settled in the U.K., as a child with my Parents in January 1957 as Political Refugees, following the Hungarian *Uprising* in 1956, where I received my formal Education, through to Adulthood.

The Family lived in *Hardship*, during my growing up years, largely due to a Local unacceptance of "**Foreigners**", *Hindering* any Progress in my Fathers endeavours to Support the family, combined with long periods of Illnesses within the family, but mainly to my Father, and finally as a result of the Permanent and Serious Disability, inflicted on my youngest brother only a few weeks after his birth in 1960.

All in all, it meant that life for the entire family, was not easy in a country, where the family was not generally made to feel welcome.

But in spite of this, the '*Faith*' in "**Our Blesséd Lord**", but especially in "**Our Blesséd Mother**", shown particularly my Mother, kept the family's "**Spirits**" together.

The family were regular Church attendees, and once I reached my early *Teens*, I offered my Love for Music to the Church, and became the Junior "**Organist**" at the Local Parish Church.

Then, at the end of my Schooling I briefly entered into a Career in "**Accountancy**", but then soon after, joined my Father in a career in "**Sales and Marketing**", then only a few months before the *Premature* death of my Father, I met my Wife, who herself having been born in Germany, grew up in Australia, and who at the time of meeting her, was on a working holiday in the U.K., which in turn led to my Migrating to Australia, some 4 years after my Father's Death.

However, after arriving in Australia, I entered into what I have often described as the 15 "**Black**" years of my life, where I "**Strayed**" from the Church, following many, many *Problems*, within my now "**Australian**" family shortly after the very *Premature* birth of my Daughter, being my only Child.

Then about 15 years ago, my Wife began to experience some health problems, and around the same time, I also returned to the Church, on a more regular basis, shortly after which I resumed to offer my Love for Music to my local Parish Church, and soon after became the **“Organist”** at the Church.

It was during this Period, that I then Learnt of the **“Marian Cenacle of Prayers”**, through which I Began to offer up **“Daily Rosaries”**, which **“Our Blessed Mother”** had requested of us all at **“Fatima”**, and which I now began to offer up during my almost daily **“Bush Walks”**, which in turn I needed to do for my own Medical Problems.

Then after 5 years of Praying to **“Our Blessed Mother”** offering up many, many **“Rosaries”**, and following a very Upsetting event, as described in the Introduction of the Messages from **“Our Blessed Mother”**, I was **“Visited”** by **“Our Blessed Mother”** for the First time on 3<sup>rd</sup> December 2003, an event which was to change my life from that day onwards.

During the ensuing years to date, **“Our Blessed Mother”** has passed on to me, many, many Messages for the world at large, as well as many others for me personally, and has also **“Invited”** me to undertake many Personal *Endeavours* and *Sacrifices* for a variety of intentions.

However, **“Our Blessed Mother”**, had, in the first year outlined Her Main **“Mission”** for me, namely to **“Visit”** All of Her **“Belovéd Priests”** in Perth, W.A., to inform them of Her Messages for the World, and to **“Invite”** them, to receive Her Heavenly Messages for themselves and for their **“Congregations”**, namely, Her Children, throughout the World.

Among the Personal *Endeavours* and *Sacrifices*, that **“Our Blessed Mother”** has **“Invited”** me to undertake, has been to join Her in the **“Stations of the Cross”**, each and every Friday, and for each day during Lent, for the rest of my Life, and at the 12<sup>th</sup> Station, to lay Prostrate, wherever it is in the world that I am Carrying out the **“Stations”**, at which point **“Our Blessed Mother”** will **“Always”**, bring down upon me a **“Vision”**.

These **“Stations of the Cross”** have been requested of me to be offered up for the *Intentions* of **“All”** of Her Children throughout the world, that wish to be Prayed for, and so at **“Our Blessed Mothers”** request, I have put together a **“Folder”** of *Prayer Intentions*, for this very purpose.

Another (*most extraordinary*) Personal Request, from **“Our Blessed Mother”**, started at the beginning of Christmas 2006, when She **“Invited”** me, amongst other *Sacrifices*, to join Her in a **“Total”** Fast of **“All”** Foods and Alcoholic Drinks, originally for the 3 days of Christmas, again originally for Her Poor Suffering and Abandoned Children throughout the World.

However at the end of the 3 days **“Our Blessed Mother”** extended the *Fast* for another 7 days, and then systematically extended the *Fast*, by a variety of **“Blocks”** of days, at the end of each previous **“Block”**, until eventually, **“Our Blessed Mother”** ended this **“Long”** period of *Fasting* **5 Months** later, on Pentecost Sunday of 2007, a total of **155** days, but this time for the **“Reparation”** of the **“Sacrileges”** being committed by Her Belovéd Priests throughout the World.

Then in 2007, **“Our Blessed Mother”** **“Invited”** me to construct a Heavy Wooden Cross to be between 35 and 45 Kilograms in weight, and once completed, for me to carry this Cross on my back during each **“Stations”** from that day of completion onwards, in order for me to share in the *Weight* that Her Belovéd Son, Jesus, carries on His *Back*, for All of our **“Sins”**, today.

On completion of My Heavy Cross, it weighed 44 Kilos, and I can tell you is extremely heavy for me Personally, particularly as it usually takes me about 1 hour to reach the 12<sup>th</sup> Station, with the Cross on my back, before I can Remove the Cross from my back to receive my **“Promised Vision”**.

Finally, **“Our Blessed Mother”**, has again **“Invited”** me to join Her in another **“Long”** Fast of **“All”** Food and Alcoholic Drinks, which started on 3<sup>rd</sup> December 2007, but this *Fast* is, to date, an **“Indefinite”** *Fast*, again for the same intentions as was the case for the First **“Long”** *Fast*, and so now I am being **“Invited”** to carry my Heavy Cross, as well as *Fasting*, and this for each day of this coming Lent.

May God Bless you All **My Brothers and Sisters in Christ**, and please Pray for me, that I do not Let **“Our Blessed Mother”** down.

24<sup>th</sup> Jan. 2008, Zoltán Hardy

## The Sacred Heart Prayer

I Pray to You my Lord and King  
For You to Help me See,  
The Love within Your Sacred Heart”  
That You have Saved for me,  
A Love that You My Blessed Lord  
Have always had for me,  
From the Moment I was born,  
And will for ever be.

If I could only understand  
The Power of Heavenly Love'  
That Lives within Your Sacred Heart”  
Which comes from Heaven above.  
A Love from You my Dearest Lord,  
Not only meant for me,  
But which You so much want to give  
To All Humanity.

This Sacred Heart of Yours Dear Lord  
That Shed its Blood for me,  
That Shameful day when for my Sins  
You Died on Calvary.  
This Sacred Heart has now been filled  
With Love so Heavenly,  
A Love so Strong that it will last  
For all Eternity.
