

and Sisters on earth, because equally He will never stop Loving each and every one of you.

However, My Dear Son, it is also so important to each and every one My Children on earth to try and appreciate and eventually gain an understanding, of the consequences that your Sins have on My Beloved Son, Jesus, in terms of the Immense Pain and Suffering that He endures, as a result of your Sins.

This is why, My Dear Son, that I, your Heavenly Mother, together with My Beloved Son, Jesus, have asked of you to Endure with Him, His Suffering, during these Visual Images that you have been Witness to.

My Dear Son, once you have gained a full appreciation and understanding of these consequences, that you are now Beginning to gain, then you will truly be able to appreciate, understand and finally, Feel the Heavenly Power that comes from those Wonderful Graces that emanate from this Heavenly Forgiveness.

It is then, when you Begin to gain this most Wonderful and Beautiful of Graces, that you will also begin to See exactly how, through these Graces, that your own Soul receives Nourishment and farther begin to appreciate the importance of the Nurturing of both your Faith, as I had mentioned to you in My Message Gift of Faith, and also, of course, your Soul.

It is so important for All My Children on earth, including you, My Dear Son, to understand, that the Forgiveness that comes to you all, from My Beloved Son's Sacred Heart whilst being totally unconditional, is then Totally Devalued, and sometimes even Totally Annihilated, if and when you and any of My Children on earth, with almost Total Disregard, simply continue on with committing Sin.

In continuing to carry out committing Sin, you then also continue to, as you My Dear Son, have now throughout Lent so often both Witnessed and Felt, inflict such Pain and Suffering on My Beloved Son, Jesus, which in turn is becoming so evident to you, in the Visual Images, that you My Dear Son, have now been experiencing.

Please, My Dear Son, please impress upon your Fellow Brothers and Sisters in Christ, through your own experiences, exactly how much Pain and Suffering, My Beloved Son, Jesus endures as a result of the Sins of each and every one of My Children on earth.

For each and every one of My Children on earth to reach the stage of the Heavenly Forgiveness that I had earlier mentioned, you and they, all need to first of all Practice and indeed Grant one another Forgiveness for any wrongs and hurts that have been inflicted on any of you, from your Fellow Brothers and Sisters in Christ.

It is only when you yourselves are able to Truly Forgive your Fellow Brothers and Sisters in Christ, and very importantly, from the depth of your own Hearts and Souls, that you can Begin to understand My Beloved Sons Heavenly Forgiveness.

This level of Forgiveness is not easy for you or you're your fellow Brothers and Sisters in Christ to achieve, which once again, is another reason that I your Heavenly Mother have and will continue to call All My Dear Children on earth, to My Heart as I have already pointed out to you, in My Message, Come to My Heart.

I continue to remind you My Dear Son, and all My Children on earth, that the Path to Eternal Salvation is NOT an easy path to tread, and you CANNOT achieve this without Divine assistance.

It is for this Reason, that My arms will for ever be open awaiting you and All My Dear Children on earth, for My embrace, and for Me to give each and every one of you, all My Heavenly Love, and along with My Beloved Son, Jesus, I too, as your Heavenly Mother, continue to offer you My own Forgiveness for your Sins against My Beloved Son, Jesus.

But most of all, I your Heavenly Mother, so much want to help you to understand the importance of Forgiveness for one another, and so much want to help you to achieve this with Love in your Hearts for one another, in order that you and, each and every one of My Dear Children on earth, can obtain this most important Heavenly Forgiveness and the Graces that flow from it.

My Dear Son, please continue to Travel The Road to Calvary with My Beloved Son, during this Lent, in order that you can continue to be Witness to the Pain and Suffering that Sin continues to inflict on My Beloved Son, Jesus, which in turn will continue to help you along the road of understanding both the importance and significance of Forgiveness."

Then with this, Our Blessed Mother left me to continue on with my exercises, with once again, much to Ponder and Meditate on, and in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I am sharing this Personal Message with all of you, My Dear Brothers and Sisters in Christ.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out. Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

## No. 14 Theology, Scripture and Faith

My Dear Brothers and Sisters in Christ, Following Our Blessed Mother's, Message, Ego, Pride and Arrogance, given to me only yesterday, Our Blessed Mother, once again during my Bush exercises, Came to me, today, the 7<sup>th</sup> March 2004, with yet another Message.

This is what She said;

"In yesterdays Message Ego, Pride and Arrogance, I mentioned to you, My Dear Children on earth, about Rogue Priests, that can and sadly do Mislead and Misguide you.

This can manifest itself in many ways, but one of them in particular, involves Theology, and also Scripture.

Unfortunately, My Dear Children, many of you are not altogether familiar or greatly knowledgeable in either or both areas, which of course is why it is, that you look towards your Priests for Guidance, Education and Knowledge in these areas.

Unfortunately, should it be a Rogue Priest, that is the one that is Preaching to you, then sadly, you are in Mortal danger of being Misled, and if you are not aware of this, then it may be difficult for you to Discern the Good from Evil, in their Teachings.

If you, My Dear Children, do find yourself in this situation of Uncertainty, then try to seek out a Priest that through your own Heart and Soul, you can see, and sense is True to his Professed Faith, and at the same time, Pray to Me, your Heavenly Mother, or to My Beloved Son, Jesus, to help Guide you, towards a True understanding of the Scriptures.

Whilst My Beloved Son, Jesus, Emphasises the importance for you, My Dear Children, to gain a Better and True understanding of the Scriptures, as these comprise the very Words of God, which My Beloved Son, Jesus, spent 3 Years of His Life in His Ministry on Earth Preaching, please remember that, this Knowledge of the Scriptures alone, will not enable you to Get to Know, My Beloved Son, Jesus, Intimately.

Together with this Knowledge of the Scriptures, you, My Dear Children on earth Need to have both Faith, and a preparedness, to Live out The Words of God, again with Faith, where Faith is by far the most important Ingredient.

In fact, many, many of your fellow Brothers and Sisters in Christ, who have gone before you, and who are now enjoying Favour with your Heavenly Father in Heaven, managed to Reach, the end of the road to Salvation, by the Strength of their Faith and preparedness to Live out The Words Of God, in that Faith, alone.

Sadly, the opposite is the case, where some of My Children on earth, who in spite of ample Knowledge of both the Scriptures and Theology, much like The High Priests that My Beloved Son, Jesus, had to deal with constantly during His Mission on Earth, some 2000 years ago, but because of their Lack of Faith, have been successfully Snared by My Adversary, Satan.

Most tragically, in many instances, where Satan has Snared the Souls of those Children who were Knowledgeable, these very Children of Mine, allowed the Evil Affliction of Ego, Pride and Arrogance to Blind them, to the importance of Faith.

What good therefore, is that Knowledge, if through Lack of Faith, a person allows the Knowledge to Blind them?

What good is that Knowledge, if through Lack of Faith, this Knowledge convinces that person that he or she, is Above others?

What good is that Knowledge, if again, through Lack of Faith, this Knowledge convinces that person that he or she is above even the one who Gave him or her, the ability to gain that Knowledge, in the first place, namely God?

Is this not how the High Priests of 2000years ago conducted themselves, so much so, that when My Beloved Son, Jesus, The Son of God came into the world some 2000 years ago, that their Knowledge, clearly Lacking Faith, allowed themselves to be Blinded with their Arrogance and Hypocrisy, to the fact My Beloved Son was indeed The Messiah and Son of God?

It so saddens Me when I Witness so many Rogue Priests, who whilst, in Preaching The Word of God, are not Misleading their Flock in the interpretation of the Scriptures, but nevertheless, just as the High Priests of 2000 years ago, strongly urge, if not even expect, the people or Congregations to follow the Scripture teachings, but they themselves do not!

It is this level of Hypocrisy, whereby these Rogue Priests of this Modern era, through their own Arrogance in placing themselves above others, amongst them, you, My Faithful Children, that clearly demonstrates the Lack of Faith, which totally, renders The Words of God impotent.

It is with the support of Faith where the very Words of God in the Scriptures, become both meaningful, and Come to Life, which then enables you, My Dear Children, to Live out, these very Words of God, as My Beloved Son, Jesus, had done, some 2000 years ago, and Openly and by Example demonstrated to all of mankind, how to do.

This is why, My Dear Children on earth, that I, your Heavenly Mother say to you that, whilst Knowledge of the Scriptures and that of Theology is exactly what My Beloved Son, Jesus strongly encourages you to Gain, but without Faith to support this Knowledge, it is not sufficient for you to Get to Know My Beloved Son, Jesus, Intimately.

Faith on the other hand, that is of course, True Faith, in your Hearts and Souls will enable you to reach Intimacy with your Saviour, the very Son of God.

I do still, however, Strongly encourage you to gain as much Knowledge of the Scriptures as you can, but only in partnership with Faith, and wherever, possible seek out those, Priests, who by their own Example, clearly can and do demonstrate True Faith, thereby not Misleading you, or even Lay people who fit the same Criteria, to assist you in reaching a Better and Truer understanding of the Scriptures and The Words of God.

Do not be Misled in thinking or believing, that you can reach Eternal Salvation taking an Easy path, and especially in believing that you can attain this goal without Faith, and on your own, without Divine help.

Please remember, My Dear Children on earth I am ever ready with My arms open and outstretched, to Welcome you, so that if you feel confused, unsure or lost in some way, as you Journey through this life with so many Diversions confronting you, I, your Heavenly Mother am ever ready, waiting for you."

Following this Message, Our Blessed Mother once again gave me Her Beautiful Blessings, and left me, although as has always been the case each time She Visits me, I Can always feel Her Heavenly Presence around me as I continue on with My exercises.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Message, will receive them with Your Blessings and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

## No. 15 Forgiveness

My Dear Brothers and Sisters in Christ,  
In the afternoon of the 18<sup>th</sup> March 2004, whilst at the 12<sup>th</sup> Station, during my Daily Stations of the Cross for this Lent, and during the Visual Image of the Crucifixion, that Our Blessed Mother had promised that She would bring down on me, which She has been doing each day this Lent, something new and extraordinary happened, on this occasion. During these Daily Visual Images, I have, as I had previously explained, been seeing Our Blessed Mother at the Foot of the Cross with Her arms wrapped around the Wood of the Cross, looking up at Her Beloved Son, Jesus, with Him, in the most Gentle of voices, asking His Blessed Mother, to Forgive them.

At this point, during the Visual Image I have been, in my mind, saying to Our Blessed Mother in the Visual Image, that it is I who needs to be Forgiven, for it is MY Sins that are the Cause of what I am Witnessing in this Visual Image.

This I have been repeating every day to date, that I have been receiving this Visual Image.

However, today in a most extraordinary way, Our Blessed Mother, during this Visual Image, momentarily let go of the Wood of the Cross, turned away from the Cross with Her arms outstretched, and Beckoned me into Her arms, at which point I, in effect, entered into this Visual Image where I became a part of the Scene in this Visual Image, and where I could see myself being Embraced by Our Blessed Mother, and at which point She said to me;

"My Dear Son, please come to Me, your Heavenly Mother. I do Forgive you, as you are asking of Me."

Then at this point, I came out of this Meditative State, through which I receive these Visual Images, completely overcome with emotion, extremely tearful, and continued on to complete the Days Station's of the Cross.

What was also so extraordinary about this experience, was that unlike when Our Blessed Lord has been saying to Our Blessed Mother, Please Forgive Them, which I can Audibly Hear, and furthermore, in Our Blessed Lord's voice, but when Our Blessed Mother spoke to me during today's Visual Image, it was in exactly the same way as She has Spoken to me or Visited me, with all Her Messages to date, namely through My Heart and Mind, and not Audibly.

Then later on in the evening, during my regular Bush exercises, although this time accompanied by my 2 Pooches, for their exercises, Our Blessed Mother again Came to me saying;

"Today, My Dear Son, I came to you in response to your Daily request for you to be Forgiven, for Causing My Beloved Son, and your Heavenly Brother, Jesus, so much Suffering through your Sins, which through these Visual Images, I know that you have been both Witnessing and also Feeling.

I, your Heavenly Mother, Invited you into this Visual Image so that you could also Witness and Feel the Power of Heavenly Forgiveness and the Grace that comes with this Forgiveness.

It is only when you can Truly Feel the Pain and Suffering that Sin Causes to My Beloved Son, Jesus, as you have now been Witness To during this Lent, that you can Begin to understand the True meaning of Heavenly Forgiveness.

Please impress upon My Dear Children on earth, that My Beloved Son, Jesus, has the most intense Love within His Heart for each and every one of His Brothers and Sisters on earth, which is the very reason why it is, that His Most Sacred Heart is so Forgiving.

In spite of the Sins of All of My Dear Children on earth, My Beloved Son, Jesus, will never stop Forgiving, His Brothers
