

your behalf, but can also be obtained through Prayer to the Holy Saints in Heaven, who themselves are already enjoying Favour with The Heavenly Father, in Heaven.

The Holy Saints in Heaven, just like Me, your Heavenly Mother, Can, are Willing, and are Able to Intercede on your behalf, because, through their own Sanctity, they are right now, enjoying Favour with The Heavenly Father, and therefore, have been granted the Power and Graces to help you, My Dear Children, to gain a deeper Intimacy with My Beloved Son, through your Prayers of Intercession to them.

Even though the Holy Saints just like you, My Dear Children on earth, are also My Children, they, just like you My Dear Children, were also Human with the same Human Weaknesses that all of you have.

However, through their own Holiness, throughout their own lives, as they Journeyed through their lives towards Eternal Salvation, they managed to achieve the Ultimate Intimacy with My Beloved Son, Jesus, and Close and Bolt the Final Door of Weakness, as with the Doors of Weakness that I had pointed out to you in My Message Satan's Control Over Mankind, and this they achieved, at the very Moment of their Death.

It is for this reason, that these Children of Mine have attained their own Sainthood, some of whom are Recognised and have been Canonised by the Church on Earth, but many, many more, that have not been so Recognised.

The Holy Saints in Heaven, should be Recognised by all of you, My Dear Children, because, they are True Examples, of the very Example that My Beloved Son, Jesus, has been, and still is, continually asking all of you, My Dear Children, to follow, in order to further help you to reach this all important Intimacy with Him.

My Dear Children, in order for you to gain a better understanding of not only how these Brothers and Sisters of yours gained their Sainthood, but also for you to gain an insight of what Example you should follow, I Invite you to read and study information about their lives, and learn about the particular attributes in their lives, that led them to Sainthood.

In this way you will be able to Discern for yourselves, what it is that each individual Saint had to do Personally, in order to Shut Out Satan from their own Soul, then this in turn, can serve as an Example for you to follow, for your own Salvation.

Each and every one you, My Dear Children, should aspire to aim towards Sainthood, even though it is very difficult to achieve, because in this way you will be able to learn with greater Confidence and Personal Assuredness, how to Close and Bolt those Doors of Weaknesses, as I had mentioned to you in My Message Satan's Control Over Mankind.

I therefore Invite you, My Dear Children, to Pray also to the Holy Saints in Heaven, who can truly be regarded by you, as Human Mentors, to Intercede for you, and to help you to reach a more Intimate relationship with My Beloved Son, Jesus, during your own Personal Journey's through your Lives on this earth."

With this Our Blessed Mother again gave me Her now customary Blessings, and left me once again, to continue with my exercises, even though, as I have mentioned in previous Messages, I still feel Her presence with me throughout my Bush walks.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

## No. 18 Doubt and Faith

My Dear Brothers and Sisters in Christ, In the afternoon of the 28<sup>th</sup> March 2004, during my Daily Stations of the Cross at the Schönstatts Outdoor location, and again at the 12<sup>th</sup> Station during the Visual Image that Our Blessed Mother has, all throughout Lent, brought down upon me, something additional happened over and above what I had revealed in the Message The Agony of Christ.

Once again in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share this additional experience with you.

This addition to the Visual Image began at the start of the Visual Image with me Witnessing the Roman Soldiers Mocking and Jeering Our Blessed Mother and three others, two women and a man, all of whom were at this point at the Foot of the Cross, and with the Soldiers Sneering and Laughing at them and Mockingly pointing at them and saying; Look at them, there are those Jesus people.

On Witnessing and Hearing this, and seeing Our Blessed Mother so Distraught, it totally Tore at my Heart, and I have to Ashamedly admit, that at that very moment I felt immense Anger at the Roman Soldiers for their total Insensitivity towards Our Blessed Mother's feelings, let alone total Disrespect towards Our Blessed Lord.

After this scene, the Visual Image continued in exactly the same vein as I had revealed and described in the Message The Agony of Christ, until at the end, at which point a most extraordinary Manifestation took place, where Our Blessed Mother still at the Foot of the Cross, reached out to me with Her outstretched arms, beckoning me to come to Her, and I could see myself Actually Physically entering into the Visual Image, approaching Our Blessed Mother, although with some hesitation, and at which point I said to Our Blessed Mother that I am weak but with Her saying to me:

"Come, My Dear Son, I will give you strength."

Then with this, I saw myself, albeit extremely Emotional and Tearful, embracing Our Blessed Mother, and all the while Witnessing and Hearing the Roman Soldiers Jeering and pointing at me shouting out, Look, there's another one of those Jesus people.

My Dear Brothers and Sisters in Christ, I can't begin to tell you, how much, this New Dimension to this Divine Manifestation of the Visual Image, that took place today, where I myself became an Active Part of the Visual Image, had impacted on me, as It was incredibly Awe inspiring, and in a certain way, quite Unnerving, as well as quite Puzzling for me.

However, later on in the evening, during my Bush exercises, Our Blessed Mother Came to me with a Personal Message, which once again in keeping with Our Blessed Mother's request for me to open my Heart and Soul to everyone, I would like to share with all of you.

This is what She said;

"Today My Dear Son, I Invited you into My arms, during your Devotion to My Beloved Son on The Road to Calvary, and you eventually came to Me, after I, your Heavenly Mother, gave you an assurance that I will give you Strength.

Even though you may not have been totally aware of it, but, as a result of yesterday's events, Satan created in you, Doubt, and therefore your own Faith in Me, your Heavenly Mother, had been Put to the Test.

It was for this reason, that I Invited you, for the first time, Directly and Actively into the Visual Image, so that I could Give you the Heavenly Assurance, that I will always be there for you, to Give you the necessary Strength to cope with these Doubts, that Satan instills in your Heart and Soul, and in order to help you to Strengthen your Faith in Me, your Heavenly Mother.

My Dear Son, your Faith in Me, will be Put to the Test many, many more times during your Mission as My Messenger, and whenever this happens, I, your Heavenly Mother, ask of you, to Walk The Road to Calvary on those very days, and at the 12<sup>th</sup> Station during the Visual Image, I will beckon you into My arms, as I had done today, and I will give you the Strength to overcome this challenge from Satan, as I did for you today. Also My Dear Son, I am Inviting you today, to Walk The Road to Calvary, each and every Friday after this Lent, and this, through My Beloved Son, Jesus, I Invite you, to carry out, for The Rest of your Life.

This Invitation to you, I your Heavenly Mother, through My beloved Son Jesus Invite you to carry out with total

Love, Faith and Humility and with Loving Obedience to My Beloved Son, your Heavenly Brother and Saviour. It is so important to My Beloved Son, Jesus, and I your Heavenly Mother, that you My Dear Son, share in the joint Grief of My Beloved Son, Jesus and I, all throughout your life, in order that you can gain a more Intimate understanding of the importance of My Beloved Son's Sacrifice, that He made to All of mankind and for All of their Sins.

My Dear Son, the time has also come for Me to let you know, that every day you have Walked The Road to Calvary this Lent, and every day that you Walk The Road to Calvary for the rest of this Lent, and for The Rest of your Life, as I have just Invited you to do, for each of these Stations of the Cross, one of your Brothers and Sisters in Christ, will be ensured Eternal Salvation at the end of their Journey in this life on earth.

In addition to this, on those days, during this Lent, when even though it was very difficult for you to have carried out My request of you for the Daily Stations of the Cross, you did nevertheless carry out My request, in spite of the difficulties that you were facing on those particular days; for those Stations of the Cross, the Person that will reach Eternal Salvation as a result of your Personal Sacrifice in carrying out My request, will be a Rogue Priest.

You will know how many days this relates to, therefore you will know how many Rogue Priests will reach their Eternal Salvation, as a result of your Sacrifice.

The time has also come for Me to let you know that each and every Rosary that you have Offered up over the years and each and every Rosary that you Offer up in the Future, has resulted, for the Past Rosaries, and will result for the Present and Future Rosaries, the lifting up of one Soul from Purgatory, to Heaven.

It is therefore Vitally important for you, My Dear Son, to continue to Offer up as many Rosaries, that you can, each and every day, and this also for The Rest of your Life, in order to lift as many Souls as possible up to Heaven, whilst you are still Journeying through your own life on earth.

My Dear Son, this request also comes from My Beloved Son, Jesus, and He asks of you, to continue to be Obedient to His requests, and to continue to place your Faith and Trust in Me, your Heavenly Mother, as you have been doing, in the past."

With this Our Blessed Mother momentarily left me to once again Meditate and Ponder, on this latest Revelation and Request.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

## No. 19 Holy Saints

My Dear Brothers and Sisters in Christ, Still in the evening of 28<sup>th</sup> March 2004, shortly after Our Blessed Mother delivered a Personal Message on Doubt and Faith to me, She again Came to me with another Message, this time for all of us.

This is what Our Blessed Mother said to me;

„My Dear Children, I would very much like to impress upon you, that during this Journey through your lives on earth, you need to continue, each and every day, through Diligent Prayer, to Get to Know My Beloved Son, Jesus, more and more Intimately, in order that you may reach Eternal Salvation, and enjoy Favour with Him and His Heavenly Father in Heaven, at the end of your Journey.

However, as I have pointed out to you on a number of occasions, that to achieve this is not, and will not be easy, and that you cannot possibly achieve this on your own, without Divine Help.

It is for this very reason, that I, your Heavenly Mother, have always, and will always be waiting for you with My Arms open, ready to welcome you in My Loving Embrace, in order, not only to Give you My Heavenly Love, that I have for All of My Children on earth, but also, in order that I can help you gain the all important Intimacy with My Beloved Son, Jesus, so needed, for you to reach Eternal Salvation.

However, this help, so needed for you to gain this Intimacy with My Beloved Son, Jesus, can be obtained through Prayer, not only to Me, your Heavenly Mother, through My Personal and Intimate Intercessions on
