

her Second visit to me, and on this occasion all Our Blessed Mother said was;

“You will have to Suffer, but do not be fearful, as I, Your Heavenly Mother will be beside you to help you bear the Pain of your Suffering.”

Then with that brief message Our Blessed Mother left, although, as was the case the previous evening, I could still feel Her Presence around me.

This brief message had left me somewhat puzzled, as Our Blessed Mother did not offer an explanation to me, in what way I was to Suffer, so now I was in state of mind where I was trying to work out, in my mind, what exactly Our Blessed Mother meant, by this Message.

All that I could think of, was that the Priest who had brought me to the level of Bitterness that I had previously been experiencing, was going to further attempt to hurt me and that it was the Pain from this hurt, that Our Blessed Mother was trying to Shield me.

Of course. I must stress, My Dear Brothers and Sisters in Christ, that this was mere Speculation on my part, which I openly admit, on reflection, was very wrong of me to have done.

But, because Our Blessed Mother did not expand on, or reveal the reasons for Her statement of my forthcoming Suffering, I, quite ashamedly and wrongly, brought it upon myself to Speculate upon the potential reasoning, for myself.

I will, at this juncture, confess, that although I did not look upon it in that light at the time however, but what I was actually demonstrating by this Speculation, was in fact a lacking of, or at least a weakness in Faith, in Our Blessed Mother.

After all, with the benefit of hindsight, I should have simply accepted Our Blessed Mother's Message, without question, either in thought or mind.

Now, without wishing to offer it up as an excuse, this clearly demonstrates my own weakness, within my own humanness.

Nonetheless, this message had left me somewhat puzzled, if not even a little apprehensive about what was to take place in the future, but tried so hard, within my own apprehension, to keep my Faith in Our Blessed Mother's integrity.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 1 First Revelation

My Dear Brothers and Sisters in Christ, On the eve of December 3rd 2003, the day after the Memorial Mass for my very Dear Friend and Adopted Mother, I went for my usual Bush Trek exercise, predominantly for the benefit of my ailing heart, a routine that I have been carrying out for close to ten years now, since my first heart attack, and during which, since my enlightenment of the request of Our Blessed Mother at Fatima, for all of us to pray the Rosary on a daily basis, I nearly always pray my own Rosaries to Our Blessed Mother.

As usual, during my exercise I Prayed my own Rosaries, but on this occasion the intentions weren't being offered up for others, as was my usual practice, but this time it was for my own private intentions, namely that I was asking Our Blessed Mother if She could give me the strength to both cope with and handle these dreadful feelings of Bitterness that I was feeling towards the Priest that so adamantly opposed me in carrying out the wishes of my Dear Friend, for her Special Mass.

As I walked along the Bush Tracks Praying my Rosaries, I was sincerely hoping that over the coming weeks and months my pain would be eased, and as these thoughts of Hope were running through my mind, the most extraordinary experience that I had ever experienced, enveloped my whole being as I felt this most wonderful feeling of Joy and Peace coming over me, and then through my Heart

and simultaneously in my thoughts and in my mind, Our Blessed Mother, totally out of the blue, and completely unexpectedly, Spoke to me. Not in an audible voice as one speaks to another in normal conversation, but through my thought processes and through my mind. I could barely comprehend at that very moment, what in fact was happening and indeed what was taking place. What I most definitely can recall is wanting that wonderful feeling of Inner Peace and Joy, which was so overwhelming, to endure for an eternity. This was the moment that Our Blessed Mother first made Personal Contact with me, and the first time that She had Revealed Herself to me. by the way of a Message that She gave to me, which incredibly, was a Direct response to my Prayer intentions in praying my Rosaries that night. Our Blessed Mother had for the first time offered me a Direct response to a Prayer intention, but not in a way that I had asked. In fact Our Blessed Mother's response was immensely greater, than what I had requested. In this first Message Our Blessed Mother said; "I will lift, from your Heart, the Bitterness that you are feeling for this Priest, totally and completely." And in that instant, a Total and Complete Calmness, came over me. The Tension and feelings of Frustration, Anger and almost Hatred that had been weighing my heart down for all these weeks, had simply disappeared. The suddenness and most unexpected nature of this most Beautiful of experiences, completely threw my emotions into a wonderful spin of Love and Contentment, which although I could not under-

stand, I did, nevertheless, want to continue for an eternity. Then in what seemed to be only a short time after, Our Blessed Mother continued, by saying; "You (i.e. me) the Persecuted, have to offer up, every day, from now on, a Rosary for your Priest, the Persecutor, and this, with Love in your heart for him." At first, I was almost stunned, but with this wonderful feeling of Peace and Contentment enveloping me, and not wishing to Disobey or let Our Blessed Mother down, I quite happily accepted this request, and assured Our Blessed Mother, that I would carry out Her wishes exactly as She had asked. I can say, however, that this request, I feel, would be next to impossible for me to carry out, had Our Blessed Mother not lifted the Deep Bitterness from my Heart. Shortly after that Our Blessed Mother then left me, although I still felt her presence around me. I continued on with my exercises, immediately carrying out Our Blessed Mother's request, by offering up my First Rosary, for this Priest, as She had asked of me, trying at the same time, to meditate on this most Beautiful experience. My Dear Brothers and Sisters in Christ, how many times have we read or heard read out in Church in the Gospels where Jesus Christ refers to. Loving our enemies, or those that hurt us, and yet here I was being confronted with that very situation and further more, being requested to do so directly by Our Blessed Mother, on this Her first Revelation to me, to carry out the very words of Jesus Christ, in the Gospels.

I can say in all honesty, those Sacred words from Jesus Christ, truly add a different Dimension, when called upon to exercise them in practice, as I have myself been called to do and furthermore, called upon, by Our Blessed Mother in Heaven. However, I can truly say that, this was the most wonderful experience that I had ever felt in my life, to that day. So wonderful an experience it was, that, even to this day, I cannot adequately describe to anyone the enormity of the transformation of emotions from Deep Bitterness to the most immense Joy, Peace and Calmness that took place within my Heart, except to perhaps describe it, as a Divine Touch of Heavenly and Motherly Love.

No. 2 Suffering

My Dear Brothers and Sisters in Christ, On the eve of 4th December 2003, the day after Our Blessed Mother's First Message to me, I went back to my Bush exercises, to carry out Our Blessed Mother's request to Pray the Rosary for the Priest, as She had requested of me, and also, in truth, in the hope, that Our Blessed Mother might come to me again. The Beautiful experience of the previous evening was so overwhelming, that virtually all I could focus on and concentrate on, was, in recapturing that wonderful feeling of Joy and Peace that I had experienced the previous night. Far more in hope, than in expectation, I Prayed my Rosaries and after the 3rd Rosary, Our Blessed Mother did indeed enter into my Heart and mind with what had now become
