

need, in order for you to reach your Eternal Salvation, and eventually Strangles and takes Total Control of your Souls.

Remember also the Parable, that My Beloved Son, Jesus, left for you in the Scriptures;

„It is easier for a Camel to pass through the Eye of a Needle, than for a Rich Man to enter the Kingdom of God.'

It is a Human tragedy, that while so many of My Children are so intent on Accumulating so much wealth for themselves, in the meantime, so many others, of My Children on earth, are left without even the Necessities of Human life such as Food and Basic Clothing and even simple and Basic Shelter.

My Dear Children on earth, please do not let Satan Entrap you and Destroy your Souls with this Insidious Weapon of Mass Destruction of Souls, and enable Him to let both Greed and Selfishness take over your lives.

Do not let Satan confuse you with what are Wants and what are Needs.

Satan does not direct your thoughts towards the Necessities of life, rather, He Tempts you with the Glitter of Wants, encouraging you to believe, that these are in fact Needs.

Even more Insidious, however, Satan then further encourages you to believe, that you Need to have these Wants disguised as Needs, but most importantly, immediately, in order for you to receive Instant Gratification.

Focus only on your True Human Needs, then this way you will have both the Time and Desire for My Beloved Son, Jesus, and be able to also Focus on the Spiritual Needs of your Soul.

Please, My Dear Children, reflect on the words of Beloved Son Jesus when He said to mankind, some 2000years ago, You will have Treasures and Riches in Heaven.

It is in Heaven, where you should be seeking Wealth, and not here on earth, as Satan would have you believe.

The only Wealth and Riches you Need to Search for and Acquire on earth, are the Wealth and Riches of Heavenly Graces, in order to Enrich your Souls.

It is only, in Truly living by My Beloved Sons Sacred Words, in seeking to Enrich your Souls, that you will then, be able to Shut Satan out of your Souls and Prevent Him from Unleashing this Insidious Weapon of Mass Destruction of Souls, on your Souls."

With the conclusion of this Message Our Blessed Mother then Gave me a request to conduct a series of Cenacle of Prayers, during Holy Week starting on Passion Sunday right through to Good Friday, with specific intentions, which I have listed below:

Passion Sunday For the Intention of those Priests Denying Devotions to Our Blessed Mother in the Australasian Continent.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out. Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 20 Tear of Joy

My Dear Brothers and Sisters in Christ,

During my Daily Stations of The Cross, for this Lent, on the 1st April 2004, and the following day of the 2nd April 2004, something additional happened on each occasion, which in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share with all of you.

On both of these occasions, I was carrying out my Stations of The Cross, at the Schönstsatts Outdoor location in Armadale W.A.

The first occasion was on the 1st April, at the 12th Station, and during the Visual Image that Our Blessed Mother, as promised to me by Her, has been bringing down upon me at every Daily Stations during this Lent.

It was at the end of the Visual Image after having Witnessed and Felt Our Blessed Lord's Agony, and having Shared in both Our Blessed Mother's and Our Blessed Lord's Grief, as described in the Message The Agony of Christ, that Our Blessed Mother after having heard me asking for Her Forgiveness for my Sins, in response to Our Blessed Lord's request to His Blessed Mother from the Cross to Forgive them, that Our Blessed Mother let go of the Foot of the Cross, and beckoned me to Her embrace, but in my Native Language - namely, Hungarian.

Our Blessed Mother's words were;

„Gyere Hozzám, édes fiam, meg vagy Bocsádva."

This translated into English reads;

"Come to Me, My Dear Son, you are Forgiven."

This, to date, has been the first time that Our Blessed Mother has chosen to communicate to me in my Native Tongue, which I have to admit, felt very Special to me on a very Personal level, and which I would go as far as to say, was a very Special Privilege, being afforded to me by Our Blessed Mother.

The Second occasion, was during the following Day's Stations of the Cross, which, once again, occurred during the Promised Visual Image at the 12th Station.

This time, at the end of the Visual Image, after having endured with Our Blessed Lord the Suffering and Agony on the Cross, as described in the Message The Agony of Christ, Our Blessed Mother once again let go of the Foot of the Cross and beckoned me to Her Embrace, to which I naturally responded.

However, during this most Beautiful Manifestation, of this Heavenly Motherly Embrace, both Our Blessed Mother and I, looked up at Our Blessed Lord and Witnessed Him, bowing

His Sacred Head down onto His Flesh torn, and Blood Soaked Chest.

Then, as His Bearded Chin came to rest on His Sacred Chest, the Distortions on His Sacred Face from the Hours of Agony that Our Blessed Lord had to endure on the Cross, simply Disappeared.

Even though His Sacred Face was covered in Blood Filled Open Wounds, His entire Face became calm, as the Absence of His Agonising Screams, Ushered in an almost Serene and Calming Silence, and He looked down on Our Blessed Mother, who Herself was Becalmed, as Her own Screams from the Pain and Anguish from Witnessing this most Horrific Torture being afflicted on Her Beloved Son, had in turn Subsided.

Then Our Blessed Lord, looked down on me as well, and His Sacred Face took on an extremely Gentle and Most Loving Smile, and then a Single Tear, in fact a Tear of Joy, rolled down His Sacred Face Mingling with His Sacred Blood as it found its way down His Cheek and eventually disappearing into a well of Blood, trapped in His Beard.

Then as this single Tear of Joy Disappeared out of sight, still looking down at Our Blessed Mother and I, and still with this Most Gentle, Calming and Loving Smile, Our Blessed Lord very Gently and Slowly closed His Eyes, and stopped Breathing, at which point His entire Body, was released of the Agonising Tension, as it in turn became Limp and Lifeless.

At this point, My Dear Brothers and Sisters in Christ, I broke down and Wept profusely, still embraced in Our Blessed Mother's Arms, as I had now for the first time during my now Daily Visual Images, actually Witnessed the moment of Our Blessed Lord's Death, and I can tell you I felt most Distant, and in a way totally lost, but once again quite confused, because of the way that I had just Witnessed that Our Blessed Lord had Finally Died.

Then as if this alone wasn't confusing enough, I then felt, as Our Blessed Mother and I were still Embracing, only moments after having Witnessed Our Blessed Lord Slowly and Gently closing His Eyes, I could distinctly Feel that Our Blessed Mother was Embracing me, but, for my Comfort for Her.

I could quite clearly Hear Her Loving Heart beating, as I had my head resting on Her Right Shoulder, in our Embrace, and I could quite clearly Hear Her Anguished Cries of Grief, even though these Cries were so Soft and Quiet, with Her holding onto me as to receive Comfort from me.

I can't begin to tell you My Dear Brothers and Sisters in Christ, how confused I was, about this emotion, because I felt sure that it should have been me seeking Comfort from Our Blessed Mother, following this New experience that I had just been Witness to, and not Our Blessed Mother seeking Comfort from me.

After all I am only a mere Sinful human being, unlike Our Blessed Mother, being a Divine being, and the Mother of God.

I just simply could not understand, how the emotions had Manifested themselves in the way that they had, during this Visual Image.

However, in spite of my confusion, I could not get out of my mind, the total transformation that took place in Our Blessed Lord, from the Sheer Agony and Suffering as He struggled on the Cross, to this Beautiful Peace, Calmness and almost Tranquillity, at the moment of His Death.

What I can say. My Dear Brothers and Sisters in Christ, is that it left me, once again with an awful lot to Contemplate and Meditate on, and clearly demonstrates to me, how inadequate I am and how little I know and still need to learn, before I can Truly Get to Know Our Blessed Lord, in order to reach my own Eternal Salvation.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 21 Satan's Weapons

My Dear Brothers and Sisters in Christ, In the evening of the 1st April 2004, during my Bush exercises, Our Blessed Mother, once again came to me with another Message.

This is what She said;

„Right now, at this point in time, My Dear Children on earth, you are living at a time when Satan has an extremely Strong Foot-Hold on mankind, with an array of Weapons with which He is both Attacking and Taking Control over your Souls.

Amongst the array of Weapons that He has at His disposal, and which He has Chosen to Attack many, many of you My Dear Children, is one relating to Money and Material Wealth. Satan has many times in the past, used this Weapon to take Control of many Souls, but never before has He Infected so many of My Children, as He has, with such Devastating effect, right now, at this time.

Coupled with the Human Weakness of Greed, He has not only Succeeded in Infecting those of My Children who have aspired to accumulate Gross amounts of Material Wealth, but has now introduced a new extension to this Insidious Weapon, namely Debt.

With this new and Modern extension, He has been able to reach those of My Children, who without the necessary Resources, Ability or Guile to accumulate Gross amounts of Material Wealth, have nevertheless, been able to Access Material Wealth, well beyond both their needs, and indeed, their financial means.

It is so important for you, My Dear Children, to understand, that this Weapon, has taken control of the lives of so many of My Children, so much so, that their entire lives and Focus is directed at, either the Accumulation of Material Wealth, or as is the case with so many of My Children today, the monumental task of attempting to either Repay or to try and Control the Debt, having been created, in order to Access this Material Wealth.

This Focus is so all encompassing in so many cases, that so many of My Children are simply unable to Devote any time, to Focus on the Needs of their Souls.

This Weapon, in your times of today, so often becomes the Root Cause of so much Pain, Suffering and Upheaval, both within your Families, as well as in society, in general.

This Weapon of Satan's has in today's world, become a Weapon of Mass Destruction of Souls.

It is more Infectious to the Body and Soul, than any Human made Biological Weapon of Mass Destruction:

More Mind altering or Emotionally destructive than any Human made Chemical Weapon of Mass Destruction:

More Explosive to the break up of Family values and Human values towards fellow Mankind, and total Annihilation of the Soul, than any Human made Nuclear Weapon of Mass Destruction.

This most Insidious Weapon of Mass Destruction of Souls of Satan's, is more Destructive and Damaging than all Three combined, and so, so sadly, Satan has Successfully Infected so many of My Children on earth, largely aided and abetted by the help of the Media, a source that has been so well manipulated by Commerce to Tempt you, My Dear Children, to both Access as well as Partake, in Instant Gratification of Materialism and Material Wealth.

Please remember, My Dear Children, when My Beloved Son, Jesus said, that you cannot serve Two Masters, for you will Love one, and then Hate the other.

You cannot be Faithful to Materialism and Gross Wealth, and at the same time be Faithful to My Beloved Son, Jesus.

It is for this very reason that Satan has used this particular Weapon, the Weapon of Mass Destruction of Souls, to destroy your Souls.

Satan knows full well that you cannot Devote time to My Beloved Son, Jesus, or your Heavenly Father, or even Me, your Heavenly Mother, if you are totally Focused on the Accumulation of Wealth and Money.

It is in this way, that Satan most successfully Starves your Souls of the Heavenly Nourishment of Grace that your Souls
