

Children on earth, that in spite of the Suffering that Sin causes My Beloved Son, that with True contrition, they too, WILL receive Heavenly Forgiveness, as you have done, and also receive the Graces that flow through, with that Heavenly Forgiveness.

In this way, all My Faithful Children, together with you, will eventually reach a deeper understanding, of both the Agony of the Crucifixion that My Beloved Son, had to endure, and the significance of the Glory of His Resurrection, to all of mankind.”

Then, with Our Blessed Mother seemingly at Peace in Her Heart as She now awaited Our Blessed Lords Resurrection, but with me still feeling most Distraught, in spite of Her assuring words, Our Blessed Mother released me from Her embrace, and so very gently continued on by saying;

„My Child, please go and Pray, while I await My Beloved Son's Resurrection.

Continue to Pray for the True Contrition for your own Sins, and for True Contrition of the Sins for your fellow Brothers and Sisters in Christ, in order that All of you can continue to receive Heavenly Forgiveness from My Beloved Son.

Please let My Beloved Son's Will be done, by doing as He asks of you, in being Obedient to Me, your Heavenly Mother.

I know that you don't want to leave My embrace right now, but please remember My Child, that I am always embracing your Heart and Soul.

It is so important for you, My Child, to continue to Witness and Share in My Beloved Sons and My Grief and Pain, but now with a better understanding of the Joy that True Contrition gives My Beloved Son, even on His Cross.”

With this, the Visual Image came to a conclusion, and as was the case on the occasion of the Visual Image that I had experienced on the 27th March, as described in the Message Agony of Christ, and every day since, during my Daily Stations of the Cross, I was aching all over my body as if I had been battered about.

But in spite of this, My Dear Brothers and Sisters in Christ, any Pain and Suffering that I might have felt, could never begin to compare with that of what Our Blessed Lord had to endure on the Cross, but moreover, on this occasion, the Revelation and events that took place during this Visual Image, had completely left me Astounded and in Awe at the Divine and Forgiving nature of Our Blessed Lord and Saviour, Jesus Christ.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 22 Heavenly Forgiveness

My Dear Brothers and Sisters in Christ, In the afternoon of April 3rd 2004, during my Daily Stations of the Cross for this Lent, once again, at the outdoor location of the Schönstatt Shrine in Armadale W.A., and once again at the 12th Station, during the Promised Visual Image that Our Blessed Mother had again Brought down on me, much to my absolute Amazement, My Beloved Lord and Saviour, Jesus Christ, Spoke to me.

At first, during this Visual Image, I again Witnessed and Felt the Agony of Our Blessed Lord on the Cross, as described in the Message The Agony of Christ.

This experience alone is, My Dear Brothers and Sisters in Christ, as I have previously pointed out, a most Horrific and Painful experience for me to Witness and Feel, and then at the point where Our Blessed Mother Embraced me at the Foot of the Cross, and still in this Beautiful Motherly Embrace, Our Beloved Lord, looked down on His Heavenly Mother and I, and as was the case on the previous day, a Single Tear, indeed a Single Tear of Joy flowed down His Sacred Cheek.

Then, still with a most Loving and Caring expression on His Blood Stained and Wounded Sacred Face, Our Beloved Lord, Jesus Christ, From His Cross, and in a most Gentle voice, Audibly Spoke to me.

This is what My Beloved Lord and Saviour said to me;

„The Tear that you and My Beloved Mother, have been Witnessing, is indeed a Tear of Joy, because, indeed as you had fell yesterday, and again today, you Were Comforting My Beloved Mother, whom I, your Heavenly Brother, Love so Dearly.

Your Comfort for My Beloved Mother and your Heavenly Mother, comes as a result of the Faith that you have been, both Showing and Displaying, in Her.

The Faith and Obedience that you have been Showing and Displaying in My Beloved Mother and your Heavenly Mother, is also reflecting the Faith and Obedience that you are and have been Showing and Displaying, in Me, your Heavenly Brother.

The Joy that comes with My Tear, that you can see, as you gaze on Me on My Cross, after the Agony that you Feel and Witness, is the Joy that I Feel for the True Contrition that you, My Dear Brother, have shown for your own Sins.

It is this very same Joy that I Feel, whenever any of your fellow Brothers and Sisters on earth, also show True Contrition, for their Sins.

This True Contrition is in turn rewarded with Heavenly Forgiveness and the Graces that flow from it.

The Witnessing of this True Contrition, My Dear Brother, gives Me so much Joy, even as I Agonise and Suffer on My Cross.

It is this Joy, together with the True Contrition for your Sins, and that of your fellow Brothers and Sisters, that I take with Me to My Tomb, and Transpose into the Glory of My Resurrection, in order that you also may be Resurrected, to be in the Glory and Presence of My Heavenly Father, at the end of your Journey through this Life on earth.

It is for this reason that you and your fellow Brothers and Sisters, need to understand the importance of True Contrition, and exactly how much Suffering that Sin inflicts on Me, your Heavenly Brother, because this way, you will better understand the Importance and Significance of My Crucifixion.

The Transformation that takes place from the Suffering of the Crucifixion, a Crucifixion so necessary for your Salvation, as a result of your Sins, and that of your fellow Brothers and Sisters on earth, to the Glory of the Resurrection, which becomes your Promise and Hope for your own Resurrection when you reach your own Eternal Salvation, is itself, a Sacred Mystery, which you cannot and will not be able to understand, but which requires from you Faith, such as you have been Demonstrating and Showing, to My Beloved Mother.

It is this Faith, in what I have just told you, that will become a Beacon for you, My Dear Brother, for your own Salvation.

My Dear Brother, please continue to be Obedient and Faithful to My Beloved Mother, and continue in that Faith, to undertake all that your Heavenly Mother Requests of you.

Please remember, My Dear Brother, that anything My Beloved Mother asks of you, I ask of you.

My Beloved Mother's Will, is My Will, and My Beloved Mother, your Heavenly Mother, will always be beside you, to Guide you and Direct you, in all that She Requests of you.

Remember My Dear Brother, that I Love you most Dearly, and that I, like My Beloved Mother, wishes for all of Her Children on earth, together with you, to reach Eternal Salvation.

Therefore, I ask of you, My Dear Brother to continue to carry out your Heavenly Mother's Requests with unbridled Love, Obedience and Faith."

Then at this point, My Dear Brothers and Sisters in Christ, I saw My Beloved Saviour and Lord, Jesus Christ, Bow His Sacred Head, with His Bedraggled and Blood stained Beard resting on his Emaciated Chest, Slowly and ever so Gently, close His Eyes, and give up His Spirit, as He Died.

On Witnessing this, but still in the Visual Image, I totally broke down in Our Blessed Mother's arms and wept, as I felt so Deeply, the loss of My Saviour, who for the first time spoke to me, a person, who is nothing but a wretched Sinner, so totally Unworthy of the Honour, of being so privileged to be Personally addressed by Our Blessed Lord, Jesus Christ.

Then still in the Gentle and Loving embrace of Our Blessed Mother, I asked Her, how could it be possible that Our Blessed Lord, Jesus Christ, could Forgive me, who is so Unworthy of His Forgiveness, when it was I, with my Sins, that put him through so much intense Torture, a Torture which I have been Witness to?

But Our Blessed Mother offered this reply; „My Dear Son, the Forgiveness that My Beloved Son, Jesus, offers you, is, as He has just told you, a Heavenly Forgiveness, that is given to those of My Children, who exercise True Contrition for their Sins, as you have been showing over these past weeks, during your Devotions, along The Road to Calvary. My Beloved Son, Jesus, wishes for you to be Witness to His Divine and Forgiving nature, in order that you may be able to Testify to My
