

Deflect you from your Focus on your Devotions to My Beloved Son.

As I had mentioned in that Message, Satan was at the beginning of this month, and still is right now, targeting All My Messengers and Visionaries, as a part of His Diabolical Campaign, which is what He was doing with You today.

However, as was the case on the Previous occasion that He targeted you, your Love and Faith in Me, your Heavenly Mother, and My Beloved Son, Jesus, helped you to reach the 12th Station, at which point I offered you My Protection against Him.

My Dear Faithful Child, please continue in this Faith to carry out your Devotions to My Beloved Son, and continue to Invite others to join you, in order that they too can keep Me, your Heavenly Mother, company during this Journey along The Road to Calvary.

Each and every time that you have travelled this Road since the start of this Lent, you have been feeling My Presence because indeed I have been Present with you.

In fact My Dear Faithful Child, it is You have been keeping Me company during your Devotions to My Beloved Son over these past weeks since Lent, because it is I, your Heavenly Mother that Travels this Road every Friday, which is also why you have been Invited to Travel along The Road to Calvary every Friday for the rest of your life, this in order that You can keep Me, your Heavenly Mother company.

My Dear Faithful Child, I have been Journeying along this Road to Calvary for each and every Friday since the day of the Passion of My Beloved Son, Jesus on that first Good Friday some 2000 years ago, and oh so many, many times totally on My own.

It is I your, Heavenly Mother who so often has had to endure The Lonely Walk, along this Road, completely on My own, with not a single Child of Mine on earth for company, and this unlike with you, where you have never been left to carry out your Devotions to My Beloved Son, Jesus, on your own without My Presence.

I will never allow you or any of My Children to Travel along The Road to Calvary on their own, as I am always present on this Road each and every Friday, and will be so until the Day of Reckoning.

Please continue to accompany Me each and every Friday, and continue to Invite others to join you in accompanying Me, yours and their Heavenly Mother.”

With this Our Blessed Mother left me to continue on with my exercises with a wonderful sense of Security and Assurance in the knowledge that Her Heavenly Presence will always be with me during all Future Stations of The Cross, and immensely Humbled but also filled with Joy with the New Found knowledge that it is I along with anyone who should choose to Journey with me, who will be keeping Our Blessed Mother company, during all of my Future Devotions to Our Blessed Lord.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me o Holy Mother of God, that I, your Humble Servant, will carry Out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 36 Motherly Compassion

My Dear Brothers and Sisters in Christ, During the afternoon of 22nd May 2004, and during my Bush exercises Our Blessed Mother, once again Came to me with a brief Message, during which She said to me; „My Dear Son over the past few months, you have been called to both Share in and be Witness to much Suffering in Grief and Sorrow that I your Heavenly Mother have been going through at My own Witnessing of My Beloved Son, Jesus Crucifixion and Death, during the Visual Images that I have been bringing down upon you during your Devotions in Walking The Road to Calvary.

It is as a result of this most Painful experience of the Passion of My Beloved Son, that I your Heavenly Mother in turn have so much Compassion for all of My Children throughout the world, who themselves are Suffering, this regardless of the cause of their Suffering.

As with any mother on earth who upon Witnessing their own children whom they love, themselves Suffer, experience the dreadful Pain of a Broken Heart, so it does in turn make My Heart Bleed for them, as those Mother's, and indeed their children, in turn are also My Children.

I your Heavenly Mother have so much Motherly Compassion for any and All My Children on earth, whenever they Suffer, regardless of how that Suffering manifests itself.

Sadly My Dear Son, I see so much Suffering today being endured by so many of My Chil-

dren throughout the world, many of whom, just as was the case with My Beloved Son, Jesus, are Innocent Victims with the Pain and Suffering being inflicted upon them by the Cruelty of others.

However, regardless of the Nature of, or indeed the Reason for the Suffering, I have so much Compassion for those Suffering Children of Mine, but of course it is for the Innocent Victims, those Innocent Children of Mine where My Motherly Compassion is especially intense.

Because the Need for My Motherly Compassion is so great, this in turn also gives Me much Sorrow, which you also have been Witness to and Shared in, over these past few months.

However, My Dear Son, so tragically, so many of My Children throughout the world are not at all aware of My Motherly Compassion that I have for them, because they in turn either do not know that I am here awaiting them with My Arms open to Welcome them and Comfort them, or even worse that they have completely Rejected My Love for them, and have turned their backs on Me, their Heavenly Mother.

My Motherly Compassion, and Heavenly Love with which I give it, does and will ease their Pain and offer them Comfort in their moment of Suffering, and so importantly, I, their Heavenly Mother, so much want to give them My Motherly Compassion and Heavenly Love, because I Love All My Children on earth, whoever they are and wherever in the world they are.

My Dear Son, as one of My many Messengers on earth, I ask you to impress upon any of My Children, your Fellow Brothers and Sisters in Christ, that you encounter and who are

Suffering or Ailing in any way, of the very Existence and Significance of the Motherly Compassion and Heavenly Love that I have for them, and encourage them to turn to Me, their Heavenly Mother, in order for Me to pass My Motherly Compassion and Heavenly Love onto them.”

With this Our Blessed Mother concluded this short Message, and in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share this Personal Message with all of you My Dear Brothers and Sisters in Christ, and indeed I in turn would like to invite you all, to also pass on the sentiments of this Beautiful Message from Our Blessed Mother, to those that you know or become aware of, who are Suffering or Ailing, so that they in turn can be afforded the opportunity to Receive the Heavenly Love and Motherly Compassion from Our Blessed and Heavenly Mother.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 37 The Lonely Walk

My Dear Brothers and Sisters in Christ, During the afternoon of 28th May 2004 whilst carrying out my Friday Stations of The Cross, as requested of me by Our Blessed Mother, and once again at the Schönstatt's Outdoor

Stations in Armadale, W.A., for some as yet unexplained reason, I felt extremely Lonely, as I meditated from Station to Station, until I reached the 12th Station, after which this feeling of Loneliness subsided.

At this point, and then for the rest of the Day's Stations, I could once again feel Our Blessed Mother's Heavenly Presence, as has been the case with all of the Previous Stations of The Cross since the first Monday of Lent of this year.

For me it felt somewhat Disconcerting if not even Disturbing, as this feeling had not been present in any of the other Stations of The Cross that I have been conducting on any of the Previous occasions during my Friday Devotions, and that in spite of the fact that, with the exception of Good Friday's Devotions this year, I have undertaken all my previous Devotions on the Fridays to date, on my own, without any Human company.

Later in the evening of the same day, and during my Bush exercises, Our Blessed Mother once again Came to me with a Personal Message, which again in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone, I would like to share with you, My Dear Brothers and Sisters in Christ.

This is what Our Blessed Mother said to me; “Today My Dear Son, as you Walked along The Road to Calvary, you once again had a Challenge placed before you by My Adversary Satan, this time in the form of a Feeling of Loneliness.

In much the same way as it was during your Devotions to My Beloved Son, Jesus, just before the start of this month of May, as described in My Message Satan's Diabolical Campaign, My Adversary was attempting to
