

well as in Spirit, and then from these reducing numbers, so few Visiting Me at My Tabernacle, this feeling of Loneliness from this Abandonment, is tearing at My Heart causing it to Shed more and more Blood for All of Mankind, as it Renews all the Suffering that each Sin, each and every Sin inflicts on My Heart.

How many more Tears do I also have to Shed for My Beloved Mother's Children, as I in turn See My Beloved Mother Weeping at the Foot of My Cross, Weeping tears of Sorrow for Her Children on earth as She also Witnesses this Abandonment of Me.

My Dear Brother, please relay to as many of your Fellow Brothers and Sisters in Faith in Me, to follow the Example of My Beloved Mother, your Heavenly Mother, who all throughout My Passion did not for one Single Second Abandon Me, staying with Me, each and every Agonising step of the way along The Road to My Calvary, and Staying with Me at the Foot of My Cross to My very last Breath and beyond, never to Abandon Me, and has been doing so each and every day since, to the present day.

It is only out of Love for each and every one of My Beloved Mother's Children, that My Soul so much Yearns for their company, and this in order that through this Love I have for them, I so much wish for them to Get to Know Me their Heavenly Brother more Intimately, and this in turn in order to Help them along the most Difficult Road that they Need to travel, during this Journey through life, to Reach their Eternal Salvation.

I ask you in particular, My Dear Brother, to continue to be the Example that My Beloved Mother has been Showing in the past, continues to Show today, and will for all Eternity be Showing, in Staying Faithful to Me, and thereby enabling Me to Stay by your side, in order that your Fellow Brothers and Sisters in Faith in Me, too can enjoy My Heavenly company, as I Stay by their Sides, when in place of Abandonment of Me, they Accept Me and Welcome Me into their Lives and into their Hearts as you, My Dear Brother have been doing.

I, your Heavenly Brother, so much want to thank you for having kept My Beloved Mother company since Lent, while you have been carrying out your own Devotions to Me, as you have been Travelling The Road to Calvary.

It is this very Example of Non-Abandonment, but instead, Loving Devotion, that My Beloved Mother has been Showing, and which you are now Emulating, that so much pleases Me, and which I ask of you to remain Inviting others to follow.

Please continue with Love and Faith to accompany My Beloved Mother, every Friday and any other time during the week when you can, along The Road to My Calvary in order for Her not to be left to Travel the Road on Her own, and I ask of you to Pass on My Blessings in Gratitude to your Faithful Guests, who today and in weeks gone by have Chosen to accompany My Beloved Mother together with you, My Dear Brother, along The Road to My Calvary."

Then with the conclusion of this Message from Our Blessed Lord, the Visual Image continued on to its conclusion in the same way as the now Standard Visual Image, at the end of which I eventually lifted myself up from the ground, in order to complete today's Stations of the Cross, but feeling extremely Distraught and totally overcome with Emotion, in Hearing and Witnessing Our Blessed Lord Himself, in such a Distressful state.

Today's Experience left me most Saddened and indeed most Ashamed of myself because of my own Sins, and because I Truly Love Our Blessed Lord and Truly do not wish to Offend Him and Hurt Him, as quite obviously I have and still do with my Sins.

The Shame that I feel within my Heart is so strong, because through this Message it is so clear to me how much Love Our Blessed lord has not only for me, but for All of Mankind, which makes the Offence that Our Blessed Lord feels as a Result of my Sins so much Deeper and Intense.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will cam out v requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 40 Ignoring Christ

My Dear Brothers and Sisters in Christ, In the afternoon of 11th June 2004, and at the 12th Station of The Stations of the Cross at the Schönstatt's Outdoor Stations in Armadale, W.A., for this Friday, a Devotion that I have been Invited by Our Blessed Mother to carry out for each Friday, Our Blessed Mother Revealed to me during the Promised Visual Image, some additional Images, that I found most Upsetting, if not even Disturbing to me.

The Visual Image started out with what I have previously described as what has now become the Standard Image, as described in the Message The Agony Of Christ, to the point where at the end of the Visual Image at which point Our Blessed Mother had released the Foot of the Cross, I could See Her kneeling at the Foot of the Cross on Her own, still totally covered in Blood from the Blood Soaked Cross itself, looking up at Her Beloved Son, Jesus Christ, Our Heavenly Saviour.

Then as I was focusing on Our Blessed Mother looking up at Her Beloved Son, all of a sudden I noticed that the entire Scene, namely Jesus Christ hanging on the Blood Soaked Cross with Our Blessed Mother kneeling at the Foot of the Cross, was no longer on Calvary, but was in fact at this moment in time, behind a Shop Window in fact a Display Window of what appeared to be from a Large Department Store, such as one would see in a Large City Mall, such as the Mall in the Centre of the City of Perth.

Momentarily, I was utterly Confused, if not even Bemused, because it all seemed to be so Surreal, but then I could See many People, mainly shoppers carrying shopping bags packed with various items of shopping, walking past this Display Window which was Displaying Our Blessed Lord on the Cross, with Our Blessed Mother kneeling at the Foot of the Cross looking up at Our Blessed Lord.

I would have Seen many Scores of People walking by, as there were what seemed like hundreds of People in the general vicinity.

However, even with such a large number of People about, many of whom were walking by past the Display Window, most of them totally Ignored this Sacred and Holy Display, as if it wasn't even there, with no more than 5 or 6 People even bothering to Glance in the Display Window as they walked by, but not even stopping for a Single Moment to take in the Sacred and Holy Display, as they were walking by.

Then as I was Witnessing everyone, one by one walking by passed this Display Window, I began to develop a sense of total Abandonment on behalf of Our Blessed Lord and Our

Blessed Mother, and even a sense of Frustration, a sense of Shame and dare I say it, a sense of Disgust at those people that walked passed the Display Window with a manner of what seemed like total Indifference towards Our Blessed Lord, but most definitely an attitude of total Disrespect towards Our Blessed Lord as they all and one Ignored His very Presence.

Then, hardly having taken in what I had just Seen and Witnessed, the entire Sacred Scene, namely the Blood Soaked Cross with Our Blessed Lord still Hanging on it, and with Our Blessed Mother kneeling at the Foot of the Cross looking up at Him, was now all of sudden Located in the Centre of a Mall, which very much looked like the Hay Street Mall in Central Perth, W. A.

Once again I could See many, many scores of People walk by passed the Cross, many even walking around the Cross as it was located in their Path, but with each and every one totally Ignoring the Sacred Scene as if it wasn't even there.

But then as if that wasn't bad enough or Disrespectful enough, I even Witnessed a few People who were walking in the direction of the Sacred Scene, where it was clearly in their Path, and as they hurriedly walked around the Cross, they Scowled and Whinged as they Glanced in Anger at the Cross, whilst they were hurriedly walking around it, muttering out aloud;

„What Idiot put that Obstacle in our way?“

I cannot tell you My Dear Brothers and Sisters in Christ, how much this Blatant and Blasphemous display of Total and Complete Disrespect towards Our Blessed Lord had Offended me and Hurt me.

Eventually after what seemed like many long minutes of Witnessing what in turn seemed like hundreds of People, some carrying shopping bags and parcels, others carrying Brief cases, and yet others carrying Files under their arms, but all of them one by one, either walking past or walking around the Sacred Scene, but with not one of them, not a single Person stopping even for an instant to look at or observe the Sacred Scene, eventually I Saw one Elderly Lady, struggling along the Mall with a walking stick, trying desperately to avoid being knocked down by this Thoughtless and Uncaring Throng of People simply knocking and bumping into her and her walking stick, as they were hurriedly Bustling by, slowly but Determinedly this Elderly Lady headed in the direction of the Sacred Scene.

Then, having finally arrived at the Cross, through this Uncaring Crowd, I could See this Elderly Lady, struggle down onto her knees with the aid of her walking stick, and with a set of Rosary Beads in hand, knelt next to Our Blessed Mother, who upon Seeing her, helped to Prop up the Elderly Lady, offering her support for her quite obviously Frail body, as they both knelt and Prayed together to Our Blessed Lord, while at the same time, both together, looking up at Our Blessed Lord, as He Hung on the Blood Soaked Cross.

My Dear Brothers and Sisters in Christ, Seeing this Elderly Lady, this one Solitary Soul among the hundreds present in the Mall, struggling as she did, to reach the Cross to Pay her Respects to Our Blessed Lord, simply caused me to break down and Cry.

Then as I was trying to absorb this Beautiful Scene, with this Elderly Lady, together with Our Blessed Mother, paying Homage to Our Blessed Lord, the Sacred Scene, that is the Blood Soaked Cross with Our Blessed Lord hanging on it and Our Blessed Mother kneeling at the foot of the Cross looking up at Our Blessed Lord, but once again on Her own, was now suddenly Transferred, or more accurately Located, in the Centre of the Driveway of the Grounds of St. Mary's Cathedral in Perth WA, at the Back end of the Cathedral Building, Midway between the Building itself and the Wrought Iron Gate Entrance.

Once again as with the two previous Locations in the Display Window in the Mall, and the Mall itself, many, many scores of People both from those entering into the Cathedral Grounds from the Wrought Iron Gates, some of whom were even entering into the Cathedral itself, and those who were either coming out of the Cathedral or simply walking through the Grounds, but out towards the Wrought Iron Gates, walked right passed or around the Sacred Scene totally Ignoring Our Blessed Lord with Indignant Indifference, and some, like in the Mall, Scowling angrily, with a sense of annoyance from the Inconvenience of having to walk around, what clearly they felt was an unnecessary Obstacle so Inconveniently and Thoughtlessly placed in their path.

But this time, unlike in the Mall, where there was only one Solitary Soul that made the effort to Acknowledge Our Blessed Lord, here in the Cathedral Grounds I Witnessed a total of 5 People, from the many, many scores of People that entered into or passed through, the Cathedral Grounds, that were prepared to Acknowledge the presence of Our Blessed Lord, and kneel down at the Foot of the Cross with Our Blessed Mother, and Pay Homage to Our Heavenly Saviour. Among this pitifully small number of 5 people, were an elderly couple who came together, a young Mother with a toddler in a pram, and the fifth and last Person to Acknowledge Our Blessed Lord, was a middle aged man that may have been a business man, as he wearing a Suite and carrying a brief case, who on coming out from the Cathedral, saw the Sacred Scene and immediately headed straight towards it.

Then at this point the Visual Image concluded, leaving me most, most Saddened and Disturbed in Witnessing what clearly showed me, was exactly how few of us not only do not or could not be bothered to Pay Homage to Our Blessed Lord, choosing instead to Ignore Christ, but far more Tragic even than that, how few of us even Recognise His very Presence.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out, Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 41 Abandoning Christ

My Dear Brothers and Sisters in Christ, In the afternoon of the 13th June 2004, during my Stations of the Cross for the day, again at the Outdoor Location at The Schönstatt Shrine in Armadale W.A., and during the Promised Visual Image at the 12th Station that Our Blessed Mother had brought down on me, Our Blessed Lord, once again from His Cross Spoke to me, but this time in an extremely Emotional and most Heartbroken voice.

Therefore in keeping with Our Blessed Mother's request to open my Heart and Soul to everyone I would like to share this Message with you, My Dear Brothers and Sisters in Christ.

Today's Visual Image started off in the same way as what has now become the Standard Image as described in the Message The Agony of Christ (Message No. 17), where once again today I was Witness to the Most Horrific Pain and Suffering, as Our Blessed Lord Struggled in Total Agony on the Cross.

Then, at the point where Our Blessed Lord, from total Exhaustion, allowed His Blood Soaked and Wound Scarred Sacred Head to Drop to His Sacred Chest, Our Blessed Lord looked Down at Our Blessed Mother and I, as we were both kneeling at the Foot of the Cross, and began to Speak to me, and addressing me Our Blessed Lord said to me;

„My Dear Brother, how much Blood do I have to Spill for Mankind and their Sins?

So many of My Beloved Mother's Children throughout the world, today and day by day are Abandoning Me, in much the same way as My Apostles did on the eve of My Crucifixion some 2000 years ago.

My Heart so much Aches for them, as I See them turning their backs on Me and the Love that I so much want them to Receive from Me, their Heavenly Brother.

I do not and will not Abandon them, as so many of them today are doing with Me, and I will never stop waiting for their arrival in Visiting Me at My Tabernacle, in their Churches throughout the world, in order to Talk to Me.

The Loneliness that I feel at My Tabernacle, as day by day and week by week I See fewer and fewer of My Beloved Mother's Children entering into the Church, both in Person as
