

Not at all. In fact, in that situation, be ready and prepared to welcome their comments with Love and Caring, and be prepared to contribute to their comments if invited to do so.

What I am referring to, is where, if the person you are passing My Messages onto, offers no comment, then you are to simply pass on the Messages, and leave it up to the individual person to make their own assessment of My Messages.

Your task, at this point in time, is that of a Messenger and as such, for you to only pass on the Messages that I, your Heavenly Mother, give you.

Only if invited, should you offer any input to the Messages, and then, always be clear when it is your input, as opposed to the content of My Messages.

There will be those occasions when, some of My Children on receiving My Messages, will immediately take them on board, and will immediately react positively towards them.

Then there will be other occasions when some of My Children will dismiss My Messages totally out of hand and some will React negatively, even vehemently so, at which point, you will simply have to Walk away from them, but without Judgement. However, you must always remember those Children, in your Prayers.

Then there will be those who will listen to My Messages, but will not either, take them on board immediately, or will not react to them immediately, be it positively or negatively, but will nonetheless register them in their minds, and some of those will react positively at some time in the future, when events will take place in their lives when they will be able to identify with one or more of My Messages.

However, regardless of that, it is not for you to make a Judgement on those, or any other occasions.

Also, I, your Heavenly Mother, ask of you, to always carry out your tasks, with utmost Humility, and impress upon those Children of Mine that you talk to, as well to yourself, in your own Heart, that, being My Messenger, does Not place you in a Privileged position, with respect to your fellow Brothers and Sisters in Christ.

You must impress upon your fellow Brothers and Sisters in Christ, that whilst you are Special in My Heart for having accepted My Invitation to be My Messenger, that alone, does NOT make you any more Special to Me, your Heavenly Mother, than any of My Children, your Brothers and Sisters in Christ, on Earth.

Every one of My Children are Special, to Me, but those, who, like you, have accepted My Love by opening their hearts to Me, their Heavenly Mother, in much the same way that you have done, are particularly Special, but no more special than Any of My Children on earth, who have chosen to do the same.

Please remember, it is Not for you to make any Judgements on any one, in Any respect, and not just in relation to your Mission in passing on My Messages to My Children on earth.

This applies to anything and any matters relating to your life, or the lives of all My Children on earth in general. Only your Heavenly Father in Heaven has that Right, to make or pass Judgement on anyone, including you.

Secondly, you are NOT to make any Judgement on the Priest, for whom I asked you to offer up a Daily Rosary.

I, your Heavenly Mother know and understand, that you are particularly keen to Witness a radical change in him, in particular in relation to his Faith in Me, his and your Heavenly Mother, but I would like to remind you of what it was, that I asked of you, in relation to this Priest, which was, to offer up a Daily Rosary with Unconditional Love.

In Seeking out or Looking out for a change in him, you are both making a Judgement on him, and, very importantly, placing a Condition on Me, your Heavenly Mother.

Please, strengthen your Faith in Me, your Heavenly Mother, and continue to carry out My request, as I had asked of you, in Praying for him, and continue to offer up the Love in your Heart for him.

Please remember, that My Messages are for All My Children on earth, including you.

Because you are My Messenger, you in particular, have to show by Example, the veracity of My Messages, by carrying them out with Humility, Love and total Faith in Me, your Heavenly Mother.

It is only by this Example, that those of My Children whose Faith in Me, their Heavenly Mother, is weak or even non-existent, can begin to Gain or Strengthen, their Faith in Me.

It is important, therefore, that as My Messenger, you are an Example, that can be seen and followed, in respect to My Messages to My Children on earth.

Please, again, I, your Heavenly Mother, ask of you, to continue to carry out My requests to you, but in the spirit of all that I have now told you."

With this Our Blessed Mother gave me Her Special Blessings and left me to continue on with my exercises, but with an awful lot of Soul Searching to Meditate and Ponder on.

I pray, o Holy Mother of God, that those Who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with four Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out. Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

No. 4 Why Suffering

My Dear Brothers and Sisters in Christ, More than a week had passed, before Our Blessed Mother again Came to me, on 12th January 2004, when on this occasion She said to me;

"I, your Heavenly Mother, told you earlier, that you were going to have to Suffer, and that when you do, I, your heavenly Mother, will be with you to share your Suffering.

I now have come to you, to let to you know, that you will, in time, have to Suffer for your Faith in Me, your Heavenly Mother, and, for your willingness to Openly and Publicly profess your Faith in Me.

Even though this will hurt you very deeply, I will, as I had promised you already, be with you to share this pain."

On revealing the reasons for my Suffering, which to this point in time, I had firstly Speculated, when indeed I openly Confess and admit that I should not have done, would come from the Priest that I had mentioned earlier on, and then more recently interpreted that, at the time my wife first fell very seriously ill before Christmas and at which point, I honestly thought I was about to lose her, was what Our Blessed Mother was referring to, I now, strange as it may seem, felt relieved, and in fact I can honestly say, felt almost pleased, indeed even Honored.

It may seem an almost bizarre thing to say, but why this feeling came over me was for a twofold reason.

Firstly it has, in my Heart and mind, given this future Suffering, a definitive meaning. In other words that I will not be Suffering for an unknown Reason, as so often in past Sufferings that I have gone through in my life, seemed to have been for, namely, for no reason. However, now I can accept in my Heart a True and Purposeful Reason.

Secondly, I feel absolutely Honored to Suffer on behalf of someone who I know Loves me so Dearly, and moreover that this someone is MY, and in fact, all of mankind's Blessed Mother in Heaven.

How much more wonderful can it be, that if a person has to Suffer, that then it should be for someone that a person Loves so Dearly, and then how much more beautiful, in fact, Sacred and Blessed, would that Suffering be, when that Loved One is Divine, and so close to Our Blessed Lord in Heaven, the Very One, that both Suffered and indeed gave up His life, with utmost Love, for ME and All of mankind?

So you see, My Dear Brothers and Sisters in Christ, it is for this reason, that I am more than happy to welcome that Suffering, even though I quite openly admit that I am definitely not looking forward to the Pain, that will come with it.

However, I truly believe, that as indeed, so many people before me that have Suffered in the name of their Faith, that this will undoubtedly serve to Strengthen my own Faith in both Our Blessed Mother and Her Beloved Son, Our Saviour and Blessed Lord Jesus Christ.

Now even though this Message, was directed to me alone, I feel that in the light of Our Blessed Mother requesting of me, to be prepared to open my Heart and Soul to all those that I pass Her Messages onto, I feel that I should also be prepared to share with you any Messages that Our Blessed Mother may relay to me, which are directed Personally to me, as I feel that the contents of these Personal Messages may indeed be of intrinsic value to everyone.

So My Dear Brothers and Sisters in Christ, please continue to pray for me, as I share this Personal Message with you, that I may continue to stay Faithful to Our Blessed Mother during my Mission as Her Messenger.

No. 5 Gift of Faith

My Dear Brothers and Sisters in Christ,

Almost a fortnight has passed since Our Blessed Mother last Came to me, but now on the 25th January 2004, again during my Bush exercises, She Came to me.

Again, as on the previous Visits, I was being overwhelmed with her Heavenly Love that engulfs me, when She comes to me.

On this visit, this is what Our Blessed Mother said to me;

“The time has come for Me, your Heavenly Mother, to explain to you, so that you can pass this on to My Children, your Brothers and Sisters in Christ, about Faith, as this is going to be very important for you to understand, as you go about undertaking your Mission as My Messenger.

In explaining this to you, I will also refer to The Rosary, by the way of a comparison, in this explanation.

Firstly, The Rosary, is a Gift that I, your Heavenly Mother, GAVE to all of mankind, in other words, to All My Children on earth.

This Gift, which, if you, My dear Children, choose to make use of, will, as I have already said, become the Key to My Heart.

Of course, if you, My dear Children, do not make use of The Rosary, then all it becomes is a lifeless collection of beads that have been strung together, but, by Praying The Rosary and therefore making use of these Rosary Beads, then by this very action you, My Dear Children are effectively Breathing Life into The Rosary, with your Prayers.

Faith, on the other hand, is a Gift, that is and has been OFFERED, personally by your Heavenly Father, to each and every one of you, My Dear Children and therefore, it is up to every individual person to make the Choice, as to whether

you accept this most Holy of Gifts being offered to you, or indeed to reject it.

It is for this reason, therefore, why so many of My Children, sadly, throughout the world, do not have Faith, because these Children of Mine, again most sadly, have made the Choice, to reject this Most Sacred of Gifts.

However, if in being Offered this Gift, from your Father in Heaven, you, My dear Children do in fact Choose to accept it, it does not end there.

In fact, My Dear Children, it only just Starts there.

This is because, in accepting this Gift, along with it, you are accepting a very important Responsibility, the Responsibility of Nurturing it and helping it to grow.

It is very much like, where, if a friend were to offer you a Gift of a Pot Plant, for example, and if you were to choose to accept this Gift, once again it does not end there, but in fact only starts there, because now you carry with that acceptance, the Responsibility of Nurturing this Pot Plant, otherwise if you should show neglect to the Pot Plant, it will wither and wilt and if the neglect were to carry on long enough, then the Pot Plant will eventually die.

In much the same way, you now have the Responsibility of Nurturing this Gift of Faith, in order that it can grow and eventually come to full Bloom.

However if you should neglect it, then this Gift will wilt and wither, and again like with the Pot Plant, if the neglect of the Nurturing of this Gift of Faith were to carry on long enough, then it will eventually die.”

Then Our Blessed Mother continued along with the same theme, to point out to me, personally, where exactly I stood in relation to my own Faith, which once again, as Our Blessed Mother had earlier asked me to open my Heart and Soul to all of you, My Dear Brothers and Sisters in Christ, I would like to share this Personal Message with you.

This is what She said to me;

“During your life to date, as I had shown you earlier on, there were many occasions when you strayed away from My Beloved Son, with your Sins, and sometimes even months would pass when you did not attend The Celebration of the Holy Mass, and receive Holy Communion.

It was during these times, when you neglected your own Gift of Faith, and did not Nurture it.

In fact, during these Black times, you were allowing your own Gift of Faith to wither and wilt, and then, when you did turn to Me, your Heavenly Mother in Prayer, it was, through your Prayers that you were reviving your Faith, effectively Breathing life back into it, and by so doing, carrying out your Responsibilities in the Nurturing of this Gift of Faith.

Now, that you have, at last begun to Hear Me, and Listen to Me, your Heavenly Mother, it is now that your Faith is actually Beginning to grow, but you still have a long way to go, as your Faith will be put to many Tests in the future, from this point on.

In order for you to be able to cope with these Challenges, that you will be confronting, you will need to continue to be Prayerful, as you have been, particularly over the past five years, and with it you will have to stay Focused, to the tasks that My Beloved Son, Jesus, through Me, will be asking of you.

There will be many Challenges ahead for you, particularly in respect to your willingness to Openly Profess your Faith in Me, your Heavenly Mother, and as I have already promised to you, I will be there with you in helping you to share the burden of Pain that will come with it, but you will still have to stay Focused and Prayerful, in order for you to be able to handle these forthcoming Challenges.

It will, therefore, be your Strength, or indeed Lack of Strength, in your Faith, that will ultimately determine how successfully you will handle these Challenges.

Therefore, it is essential that you continue to Nurture your own Gift of Faith, so Lovingly offered to you by your Heavenly Father, that you can be Best prepared for these forthcoming Challenges.”

With this Our Blessed Mother gave me Her Blessings, and left me, but as in Her previous visits, I could still feel Her presence as I continued on with my exercises.

No. 6 Not to Judge

My Dear Brothers and Sisters in Christ,

Just over a week since Our Blessed Mother's last Visit to me, Our Blessed Mother came to me on 2nd February 2004, with another Personal Message for me.

But, again in keeping with Our Blessed Mother's request to open my Heart to you, I would like to share this Message with you.

This is what She said;

“Now that you have passed My Messages onto some of My Children over the past few weeks, it is important for you to be both Mindful and Aware of two very important things. Firstly, and most importantly, you MUST NOT JUDGE.

With this instruction to you, I am asking you in particular, not to make any Judgement with respect to Seeking any reaction from those Brothers and Sisters in Christ that you have been passing My Messages onto.

I know that you are not meaning any malice or ill Judgement, when you are Subconsciously Seeking a reaction, but I am asking you not to Seek for, or be Looking out for any reactions.

This does not mean, however, that if the person that you are passing My Messages onto, openly volunteers a reaction to you, that you should ignore that persons comments.
