

should be very clear to you My Dear Children, how much easier a task it is for Satan to Gain Control of your Souls.

It is therefore, with this Strength, from The Blessed Father in Heaven, that I, your Heavenly Mother, through the express wish of My Beloved Son, Jesus, can and will help you to tackle Satan, if you, My Dear Children, have the Resolve and Desire to tackle this Abomination from Hell.

It is purely out of the Love that I, your Heavenly Mother, have for you, My Dear Children, that I so very much want to help you all, each and every one of My Children - if you let Me.

Once having successfully, undergone these 3 stages and thereby allowing My Love into your Heart, for you now to continue, to Bar Satan from gaining entry through these Doors of your human Weaknesses, and effectively Bolting these Doors, My Dear Children, you need to continue to Develop and Nurture the Intimacy with My Beloved Son, Jesus.

This, you can achieve, as I had described to you in My Message Come to My Heart, by Receiving My Beloved Sons Graces through The Blessed Sacrament of The Holy Eucharist, and by, not only attending The Holy Mass, as often as you can, but by participating in this Celebration, with total Commitment and Focus during this Celebration, particularly at the Consecration at which point, the Bread and Wine are Actually being turned into the Body and Blood of My Beloved Son, Jesus.

My Dear Children, I cannot emphasise enough the significance of this Most Beautifully Miraculous Moment, which so sadly, I, all too often witness, is being totally ignored, or at the very least being overlooked, by so many of My Children on earth, during the Celebration of the Holy Mass.

It is by this Focus on this Beautiful Miracle, at The Consecration, and by the Graces gained from the Receiving of My Beloved Son, in the Blessed Eucharist, that I am able to help you to Bolt these

very Doors of Weaknesses, through which Satan Tirelessly and Ceaselessly attempts to gain entry. Finally, My Dear Children, remember, once again, to show the utmost of Reverence to My Beloved Son, Who Is The Son of God, your Heavenly Saviour, and therefore deserves the Greatest of Respect and Reverence to be shown to Him."

With this Our Blessed Mother momentarily left me, to meditate on this very Profound and Soul Searching Message.

I pray, o Holy Mother of God, that those who choose to Read or Hear Your Messages, will receive them with Your Blessings, and that their Heart's too, will be filled with Your Graces and Love.

Pray for me, o Holy Mother of God, that I, your Humble Servant, will carry out. Your requests, with True and Unfailing Faith in You, and Your Blessed Son, Jesus Christ.

## **No. 8 Satan's Control Over Mankind**

My Dear Brothers and Sisters in Christ, Again a few days have passed since Our Blessed Mother had Come to me, following the Revelation of Her Sorrows to me, but on this night of the 16<sup>th</sup> February 2004, as I was trekking the Bush with my exercises, Our Blessed Mother Came to me with another very Revealing and indeed thought provoking Message.

This is what She said to me;

"My Dear Children on earth, it is very important for you, to be aware, of why it is that you, all My Children on earth, have been, and are continuing, to Offend and Hurt My Beloved Son, Jesus, so often and so regularly.

It is not just simply that being human, all of you are very Weak indeed, but, that it is this very Weakness, that allows Satan, not only to enter into your Hearts, Souls and Minds, but, that it is this very human Weakness, that becomes Satan's Strength, enabling Satan to Permanently Reside within you, right up until your death, and so sadly, as is so often the case with many of My Children, even beyond the Grave.

Your human Weaknesses are like many Doors, through which Satan tries to enter, and with every Door through which Satan Successfully gains entry, so Satan's stronghold on your very Souls does Strengthen, as Satan spends Your entire lifetime, relentlessly knocking on these Doors of Weaknesses of yours, attempting to gain entry, and eventual stronghold of your Souls.

Therefore what you, all My Children on earth need to do, is not only to Bar Satan entry through these Doors, but you also need to Bolt all these Doors, one by one.

However, this cannot possibly be achieved by any of you, My Children, without Divine help from Heaven.

But before, you can even begin to undertake this exercise of Exorcism there are 3 very important stages that you, My Dear Children, have to undergo, in order to achieve this very important aim. They are:- Recognition, Identification and Resolution.

#### (1) Recognition,

Firstly, My Dear Children, you have to be able to Recognise the fact that Satan does indeed live within All of you, and sadly, Satan is very much alive and active within All of My Children on earth. In order for you to be able to recognise Satan within you, you have to look into your Heart and Soul, and look out for His Reflection looking back at you.

His Reflection will be in the form of your own conscience Recognising your own Sinfulness, for without this Self-Recognition of your own Sinfulness, Satan will continue totally Unabated, with the task of taking control of your Souls.

#### (2) Identification

Once having Recognised that Satan is indeed living within you, My Children on earth, it is now Vital that you can Identify your Weaknesses, that make up these Doors through which Satan is incessantly trying to enter.

It must be understood, that every one of you, My Dear Children on earth, have any number of Weaknesses which translate into Sin, when they are enacted in Thought or in Deed.

Please understand also, that whenever any of you, My Dear Children on earth, in merely Contemplating a Sinful action, have already committed that Sin, by the very Thought, even without having carried out the Sin in Deed or in Action.

It is for this reason, Vitally important that you Identify, these Weaknesses which make up both the Doors through which Satan is attempting to gain entry, and the eventual act of Sin itself, as without this Identification, Satan, once again con-

tinues Unabated, with the task of taking control of your Souls.

#### (3) Resolution

If, you My Children on earth, have successfully both Recognised and Identified your own Personal and individual Weaknesses, you now need to have sufficient Resolve, and indeed Desire, to make amends, in order to tackle Satan head on.

It is only if this Resolve is truly in place in your Hearts, that I, your Heavenly Mother, am able to assist you with this Resolve.

This is why, My Dear Children, in My Message Come to My Heart, I revealed to you that I have been calling you to My Heart, because, this very Resolve, so very much needed, and in so many cases today, so Urgently needed, in order to tackle Satan, cannot be carried out by Any of My Children on earth, on their own. without Divine help from Heaven.

My Beloved Son, Jesus, so much wants All of you, My Children on earth, to enjoy favour with Him in Heaven, when you have all completed your individual Journey's, here on earth, and this, simply because of the Immense Love that He has for each and every one of you.

It is for this reason, therefore, and for the reason that My own Love for My Beloved Son, Jesus, is so Immense, that I, your Heavenly Mother, in carrying out the Loving wish of My Beloved Son, Jesus, for you, My Dear Children on earth, for you to Get to Know My Beloved Son more Intimately, that I so much want you All, to open your Hearts to Me, in order that I can fulfill this Loving wish of My Beloved Son, Jesus, and fill your Hearts with All my love.

It is by your acceptance of My Love and by your acceptance of My Embrace, with My Arms ever Open for that Embrace, that I, your Heavenly Mother, can assist you in tackling Satan, by Bolt-ing the very Doors, that form your Weaknesses, through which Satan is Tirelessly attempting to gain entry.

Please remember, My Dear Children on earth, that Satan does Not and Never will, for as long as you are Journeying on this earth, in preparation to join your Heavenly Father in Heaven, give up His Personal Resolve, to either gain Control or to re-tain Control, of your Souls.

This, My Dear Children on Earth, is Satan's sole purpose in your individual lifetimes, namely to take total Control of your Souls, in order that He, Satan, can take your Souls to exist for Eternity in the Damnation of Hell!

Sadly, Most sadly, My Dear Children, Satan has already succeeded in having taken Control of Mankind, but this Control can be reversed, if you individually have sufficient Resolve and Desire to wrest back this Control, from Satan.

Please remember, My Dear Children, that Satan, Does in Reality, live within each and every one of you, and that he is within you every minute, in fact every second of the day, for every single day of your lives, and so it is Vitally important for the sake of your own Salvation that you make the Resolve to tackle him, and furthermore, to make that Resolve, right now, Before it is Too Late.

Satan's Strength and personal Resolve is so Strong and so Bold, that even when My Beloved Son was present on earth as a Man, Satan even had the Resolve and Fervent Desire, to gain the very Soul of My Beloved Son, Jesus.

Please remember. My Dear Children, how Satan, even with the knowledge that unlike any of you, My Children on earth, My Beloved Son, was to-tally without Blemish or Sin, but Satan still at-tempted to Gain Control of My Beloved Sons Soul, during the time He spent Fasting in the De-sert, but because of the Presence of His Father in Heaven in His Heart and Soul, Satan simply could not succeed.

Triumph over Evil.

Yet in spite of this, Satan still Persisted, even with My Beloved Son.

Therefore, if Satan can be so Bold, as he clearly is, in attempting to gain My Beloved Sons Soul, it
