

fulfilment of **'Graces'** in your Souls which in turn enables you to experience the **'Heavenly Joy and Happiness'**, that awaits all of My Children that reach The Heavenly Fathers Kingdom, and that which can only be manifested in your Hearts and Souls, both here on earth **'Today'**, and in the Heavenly Fathers Kingdom, for all **'Eternity'**.

My Dear Youth of the World gathering in Sydney, I your Heavenly Mother, ask each and every one of you to turn your backs on the **'Easy'** option of **'Joy and Happiness'** which is of a **'Worldly'** nature, with its **'Worldly and Earthly'** Pleasures, which in turn is but an **'Illusion'**, and which itself can **only** be manifested in your Minds and Bodies, as I have already reminded you of, and which is why it is but **'Temporary'** and therefore why it is **not** from Heaven.

It is for this reason, My Dear Youth of the World, that there is **no room** in the Heavenly Fathers Kingdom for this **'Easy, Worldly and Illusionary'** **'Joy and Happiness'**, it belongs to this world and this world alone.

My Dear Youth of the World continue to Nourish your Souls with Heavenly Graces, which you **'Can'** take with you to the Heavenly Fathers Kingdom, and therefore remains **'Eternal'**, and I, your Heavenly Mother, ask you to continue to avoid **'Worldly'** Pleasures which is not only but **'Temporary'**, but is also most **'Destructive'** to your Souls.

Above all, My Dear Youth of the World, continue, for the rest of your lives, and the duration of your personal Journeys, to develop and grow in the **'Spiritual Intimacy'** together with and in My Belovéd Son, Jesus, your Heavenly Brother and Saviour.

I, your Heavenly Mother, Bless each and every one of you, My Dear Youth of the World and each and every one of you, My Dearly Belovéd Priests, gathered in Sydney, and will continue to do so every day that you are gathered in Sydney, and will continue to reach out with My Loving Arms outstretched to each and every one of you for the rest of your lives during your individual Journeys towards your **'Eternal Salvation'**, and will willingly and Lovingly Embrace each and every one of you, if you but **'Choose'** to receive My Loving Embrace."

Then **"Our Blesséd Mother"** paused for a moment and looking into my eyes, **"Our Blesséd Mother"**, with Such Sadness and Tears gently streaming down Her Cheeks, stood up and **Embraced** me, and as She did so I could **"Feel"** Her Immaculate Heart beating, but it seemed in a way, which I simply cannot explain in words, where I could feel a **Heaviness** in the heartbeats, and after a few deeply sad moments, **"Our Blesséd Mother"** released Her Embrace and sat down on the **"Rock"** again, and once again began to speak to me, saying;

"My Dear Faithful Child, once again, I your Heavenly Mother thank you for responding to My 'Invitation' to receive this Message and thank you once again for accepting My 'Invita-

tion' to join Me in My Rosary in the Church on the day of the arrival of the World Youth Cross, to your city of Perth.

It is because of your willingness to accept the Suffering that you endured on that day during that Mass, that My Belovéd Son, Jesus, will be **'Perpetually'** present on the World Youth Cross, during its stay in Sydney, as you have now been **'Witness'** to, this in order for My Belovéd Son, Jesus, to offer up even more Suffering and Sacrifice on the very same World Youth Cross, that you will also be **'Witness'** to over the coming days."

Then **"Our Blesséd Mother"** again paused momentarily, and again stood up, and once again with Tears gently running down Her Cheeks, again **Embraced** Me, and after a short while, again sat down on the **"Rock"** and began, once again, to speak to me, saying;

"My Dear Faithful Child, I am now going to 'Invite' you to join Me, your Heavenly Mother, on the 'Road to My Belovéd Son's Calvary' with your Cross, for each of the six days that My Dearly Belovéd Priests and My Dear Youth of the World are gathered in Sydney, in order for you to share in My Belovéd Son, Jesus's, Personal Suffering and Sacrifice for the 'Conversion' of Heart and Soul of all of those of Youth of the World present in Sydney, that are in need of 'Conversion'.

In addition to this **'Invitation'**, I your Heavenly Mother further **'Invite'** you to Fast from All Food, allowing yourself only non Alcoholic Fluids, and the sustenance of My Belovéd Son, Jesus, in the Blesséd Sacrament, for the period of the six days that My Dearly Belovéd Priests and My Dear Youth of the World are gathered in Sydney, this extra Sacrifice for the **'Conversion'** of Heart and Soul of all of those of the Dearly Belovéd Priests of Mine present in Sydney, that are in need of **'Conversion'**.

This most important **'Sacrifice'** will be most **'Painful'** for you and will not be easy for you, My Dear Faithful Child, but I, your Heavenly Mother will be with you to help you each and every step of the way, as you **'Carry'** My Belovéd son, Jesus, as He **'Binds'** Himself to your Cross, and will be offering additional Nourishment for your Body with My Blessings and Graces, each and every day of your Fast.

I Love you Dearly and will be with you always and will be with you and My Suffering Daughter, your wife, as you both join Me on **'The Road to My Belovéd Son's Calvary'** at My **'Bush Grotto'** tomorrow."

Then at the conclusion of today's most **"Heart Wrenching"** Messages for the Youth of the World and The Priests and all Clergy that will be present in Sydney, and then **"Our Blesséd Mother's"** personal **"Invitation"** to me, **"Our Blesséd Mother"** gave me Her Customary Blessing and as I looked up after the Blessing, I noticed that **"Our Blesséd Mother"** had Departed, leaving me most **Saddened** by the Message and most **Apprehensive** for my forthcoming Sacrifice.

World Youth Day Message

My Dear Brothers and Sisters in Christ,

In the early hours of Saturday 12th July 2008, **"Our Blesséd Mother"** came to me in my sleep and **"Invited"** me to meet Her at the **"Rock of Hope and Sorrow"** in the Bush that afternoon, as She wished to pass onto me a very important message.

So as requested of me by **"Our Blesséd Mother"**, I made my way to the **"Rock of Hope and Sorrow"**, and as soon as I arrived, I sat down on the **"Rock"**, and as I did so, **"Our Blesséd Mother"** Appeared to me, Resplendent as usual in Her **Apricot** coloured gown, with the **Canary** coloured Sash around Her **Waist**, and wearing the **Sky Blue** coloured Veil over Her **Head**, covering up most of Her **Hair**.

As I stood up to receive Her Heavenly Embrace, I could, as always, feel the Joy in Her Immaculate Heart for me, but at the same time could sense a Deep, Deep Sadness in Her Immaculate Heart that so Starkly matched the Sadness in Her Tear Filled Eyes.

After we **Embraced**, **"Our Blesséd Mother"** invited me to sit down on the **"Rock"** next to Her facing towards the City of Perth, then turning to me, still very Tearful, **"Our Blesséd Mother"** began speaking to me, saying;

"My Dear Faithful Child, I Your Heavenly Mother, thank you for responding to My 'Invitation' this morning, for you to meet Me here today.

I have **'Invited'** you here today, for I have a very important Message for All of My Dearly Belovéd Priests and Young Children of Mine from Australia and those gathering from many parts of the world, together My Belovéd Priest, the German Successor to Peter, in the City of Sydney (in Australia) over the next week.

My Dearly Belovéd Priests and Young Children of Mine, My Heart, the Immaculate Heart of your Heavenly Mother, is Oh so heavy with sadness, as I **'Witness'**, even at this the preparation stages of the planned coming events, how so many of you, Clergy and Lay alike, have lost all focus on the **'Heavenly Willed'** meaning and purpose of this most **'Sacred Gift'** of **'Pilgrimage and Meditation'**, on My Belovéd Son, your Heavenly Saviour and King, Jesus, who will, out of the immense love that He has in His **'Sacred Heart'**, for each and every one of you, will be **'Personally'** Present, together with Me, Your Heavenly Mother, as I have already revealed to, My Faithful Child through whom I have chosen to send this Message.

My Belovéd Son, Jesus, will be Present on the very Cross, The World Youth Cross, that has journeyed across the World and across your country of Australia, and for the entire Six days of the planned events, and I your Heavenly Mother will be beside this same Cross, keeping your Heavenly Saviour and King, company, and in the Presence of each and every one you, again as I have already revealed to My Faithful

Child through whom I have chosen to send this Message to All of you, who choose to Receive it.

My Belovéd Son, Jesus, will continue to offer up His **'Suffering'** on this very Cross, The World Youth Cross, and this again out of the Immense Love, Compassion and Mercy that resides in His Most **'Sacred Heart'** for each and every one of you, My Dearly Belovéd Priests and Young Children that will be present over those six days in Sydney.

My Belovéd Son, Jesus, will, by this very **'Sacred'** act be showing, his own **'Example'**, an **'Example'** for each and every one of you Present in Sydney to be able to follow, should you choose to do so, how it is that you can, each and every one you, Clergy and Lay alike, reach your own **'Eternal Salvation'**, at which point, and **only** at which point, you will enjoy **'Eternal Joy and Happiness'**, a **'Joy and Happiness'** which is also **'Divine'** by its Heavenly Nature.

My Dearly Belovéd Priests and Youth of Australia and the world, whilst I am very pleased that there will be those among you that will be present, solely in Spirit, Heart and Soul, together with My Belovéd Son, Jesus, and I your Heavenly Mother, over the six days in Sydney, it nevertheless breaks My Immaculate Heart, that so many of you, and in such large numbers, will be gathering not for the purpose of **'Heavenly Spirit and Joy'**, but for the purpose of **'Earthly'** Joy and Happiness in an atmosphere of **'Temporal Partying'**.

My Dear Children, Clergy and Lay alike, this **'Temporal Partying'** is designed **solely** to give pleasure to the **'Bodily and Earthly'** Senses, and thereby is detached from the **'Spiritual'** Senses and the very Soul itself, and which because of its **'Earthly'** nature, unlike that of **'Heavenly Joy and Happiness'** which by contrast is **'Divine'** by nature, can only ever be **'Temporary'**.

It Saddens Me, your Heavenly Mother that the Instructions that I had left with My Faithful Priest and Past Successor to Peter, My Belovéd Polish Shepherd, are being **'Altered'** and will be **'Largely Ignored'** by so many of you, My Dearly Belovéd Priests, over the coming six days, as you gather in Sydney, with so many of the Youth, My young Children, from all over the world.

My Dearly Belovéd Priests and Youth of the world, it breaks My Immaculate Heart when I **'See'** this **'Gift'** of the Gathering of the Youth of the World, which had been given as a **'Heavenly Invitation'** to the Youth of the World, is being allowed to be so **'Distorted'** by Commercialism and further Pierces My Heart, when I **'See'** that this **'Distortion'** will be so freely reached by and to so many of My children throughout the world through all the forms of Media, thereby giving this **'Distortion'** a very real sense of **'Endorsement'** and **'Legitimacy'** in the minds and hearts of so many of My Children throughout the World, but more particularly the Youth of the World.

My Immaculate Heart is Oh so Heavy to be **'Witnessing'**, that both the **'Instructions'** and the **'Meaning'** of this **'Heavenly Invitation'**, namely that this was to be a **'Pilgrimage'** of total **'Prayer, Devotion and Spiritual Meditation'** for 24 Hours for each day of the duration of the gathering of My Dearly Belovéd Priests and Youth of the World, **'Meditating'** upon the **'Meaning'** of My Belovéd Sons **'Sacrifice'** to all of Humanity, Past, Present and Future, and the depth of **'Pain and Suffering'** that My Belovéd Son had to, and still endures, as a result of **'Sin'**, will be totally **'By-Passed'**, and go **'Totally Unnoticed'**, by most that will be present.

In Addition, the **'Meditation'** on the purpose and importance of **'Atonement'** of Sin itself, and how to make this all so important **'Atonement'**, and how with this **'Atonement'** for Sin combined with the **'Divine Mercy'** that My Belovéd Son has and does bestow on each and every one of My **'Repentant'** Children, how this will eventually lead each and every **'Repentant'** Child of Mine, Clergy and Lay, Youth and more Mature alike, to their Personal **'Eternal Salvation'**, at which point they will reach Eternal **'Heavenly Joy and Happiness'**, in the Heavenly Fathers Kingdom, this will also, most sadly go **'Totally Unnoticed'**, by most that will be present.

My Dearly Belovéd Priests and Youth of the World, I your Heavenly Mother am fully aware that there will be those among you who **Will** embrace this **'Heavenly Gift and Invitation'** so Lovingly presented to the whole of Mankind by My Belovéd Son through My Polish Pastor, as it was given to him, through Me, your Heavenly Mother and in the Spirit of total **'Selflessness'** and acknowledgement of your own individual **'Imperfections'**, which will enable you to experience, by your openness in Heart and Soul, and in your Heart and Soul, that very same **'Heavenly Joy and Happiness'** reserved for those already in the Heavenly Fathers Kingdom, and for all **'Eternity'**.

However, there will be so many of you who **Will Instead** be embracing the **'Worldly'** changed version where the **'Joy and Happiness'** that you will be searching for and experiencing, will be of an **'Earthly'** and **'Worldly'** nature, which can only manifest itself in your minds and your bodies and **not** your Hearts and Souls, thereby highlighting the Pleasure of the **'Self'**, and for the **'Self'**, and in so doing, deflecting you from the Focus, indeed total Focus, on My Belovéd Son, Jesus, who will be left **'Abandoned'** on the Cross, the World Youth Cross, in your very Presence, as I have also revealed to My Child through whom I am sending this very message.

Oh My Dearly Belovéd Priests, can you not see that the Youth of the World look up to you for Spiritual Guidance and **'Example'** for them to follow?

My Dearly Belovéd Priests gathered in Sydney, I your Heavenly Mother ask each and every one of you, individually and personally, including My Dearly Belovéd High Priests, what **'Example'** are you showing My Youth gathered in Sydney?

My Dearly Belovéd Priests, I ask all of you, whom I Love so Dearly, each and every one of you to follow the **'Example'** of My Belovéd Son, Jesus, and the Heavenly Fathers **'Sacred Words'** in the **'Holy Scriptures'**, and to follow the **'Example'** of My Good and Faithful Belovéd Priests among you, who are already following My Belovéd Sons **'Example'**, so that you too, like My Faithful Belovéd Priests, can in turn, be the **'True Heavenly Example'** for My Children, more especially the Youth of the World, to follow.

Remember, My Dearly Belovéd Priests, the Vows of your Priesthood, and with the help of Me, your Heavenly Mother, be Courageous enough to be Faithful to and to Live by those **'Sacred'** Vows each and every day of your Priestly lives.

My Dear Youth of the World gathered in Sydney, I your Heavenly Mother, in turn ask you to seek out the **'Example'** of My Good Faithful Belovéd Priests, and make a resolve in your Hearts, to follow their **'Good Example'** which is the **'True Example'** of My Belovéd Son, Jesus, your Heavenly Brother and Saviour.

It is not an **'Easy Example'** to follow, but My Dear Children, it is that **'Example'**, indeed **'Heavenly Example'**, which the Heavenly Father sent My Belovéd Son, Jesus, to All of Mankind, Past, Present and Future with, some 2000 years ago along with the **'Words of God'**, and which if you make the choice to follow, will fill your Hearts and Souls with the Love and Graces so much needed for your Souls as Spiritual Nourishment, Love and Graces, which in turn, can only come from Heaven.

I, your Heavenly Mother, have already reminded you, My Dear Children, through previous Messages, that your lives, as young as they are for you the Youth of the World gathering in Sydney, is but a Journey towards your **'Eternal Salvation'**, but that this Oh so important Journey is not an **'Easy'** one, for any of you to undertake.

For many of you, My Young Children of the World, your Personal Journeys have only just recently started and your Journeys will be particularly Arduous, largely because of the present times that you are living in, with the so many **'Dibolical Temptations'** and Hurdles presented before you, both through **'Peer Pressure'** and the Media, and so you will with utmost urgency need **'Divine'** help with your personal Journeys, so it is Oh so important for you to gain a **'Spiritual Intimacy'** with My Belovéd Son, Jesus.

It is for this reason, My Dear Youth of the World, that the Heavenly Father, through Me your Heavenly Mother, had instructed My Belovéd Polish Pastor, to make available this **'Heavenly Gift and Invitation'** to you, and All My Young Children of the World, this very **'Pilgrimage'**, through which you have been given the opportunity to **'Collectively'** gather and **'Congregate'** in Faithful Prayer and Adoration, in the Presence of My Belovéd Son, Jesus, this in order for you to develop the all important **'Spiritual Intimacy'** with My Belovéd Son, your Heavenly Brother, and thereby obtain a
